Introduction

HOTMA CHANGES IN THE ADMINSTRATIVE PLAN

On July 29, 2016, the Housing Opportunity Through Modernization Acti of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs.

HOTMA 102/104

HUD published a final rule on February 14, 2023, revising regulations related to income, assets, adjusted income, verification, and reexams (among others) to implement Sections 102 and 104 of HOTMA. While the new regulations were effective January 1, 2024, HUD has delayed the compliance date for HOTMA 102/104. Initially, HUD published a delayed compliance date of January 1, 2025, but HUD again delayed the compliance date for HOTMA 102/104 and no new date has been provided. Compliance with Sections 102 and 104 of HOTMA means not only applying HOTMA 102/104 regulations to affected programs but also reporting in HUD's new Housing Information Portal (HIP) system. Currently, PHAs remain unable to comply with HOTMA 102/104 because compliance depends on transitioning from HUD's IMS/PIC system (which is unable to accept HOTMA-compliance Form HUD-50058) to HUD's new HIP system (which will be the only system that accepts HOTMA-compliant, and accessible. However, HUD has determined that a few HOTMA 102/1014 policies are not dependent on transition systems and easily isolated from other HOTMA 102/104 policy changes. These policies may be implemented prior to the migration to HIP.

HUD stated that PHAs may update their policy documents before determining the date at which they will transition to all HOTMA Section 102 and 104 policies. HUD stated that in order to update their policy documents for HOTMA in this circumstance, PHAs may create an appendix that contains the HOTMA policies that will be incorporated at a later date. The model policy adopts such an approach. HOTMA 102/104 policies are provided in each affected area of the model policy. However, with the exception of the policies HUD has indicated may be adopted early, HOTMA policies that are "on hold" are indicated in the model policy as such. Further, an appendix has been provided to explicitly call out those policies that are on hold.

HOTMA VOUCHER FINAL RULE

The final rule implementing streamlining changes to the HCV & PBV programs was published on May 7, 2024, and codified certain provisions in Section 101, 105, 106, and 112 of HOTMA, as well as incorporating changes from the NSPIRE final rule discussed above. The rule is known as the "HOTMA voucher final rule." The effective date of the HOTMA voucher final rule was June 6, 2024. While the compliance date for certain provisions of the rule is the same as the effective date, the compliance date for other provisions is not until 90 days, 180 days, or one year after the effective date. Further, many new changes to the regulations described in the HOTMA voucher final rule require changes to the PHA's administrative plan. PHAs must make all revisions needed to bring existing policies into compliance with the final rule no later than June 6, 2025 (one year after the effective date). However, if a PHA wishes to use program flexibilities requiring adoption of new local policies not already present in the PHA's administrative plan, the PHA must add those policies to the administrative plan prior to using those program flexibilities.

Further, the delayed compliance date for policies of June 6, 2025, does not authorize delayed compliance with the provisions of the rule. PHAs that choose not to bring their policies into compliance with the rule until June 6, 2025, must still implement each provision on its compliance date.

In order to identify those provisions of the final rule that are not effective until after June 6, 2024, the model policy states that certain policies are not effective until a specific date.

ABOUT THE ~~REFERENCES CITED IN THE~~ ADMINISTRATIVE PLAN

~~AUTHORITIES FOR POLICIES~~ REFERNCES CITED IN THE ADMINISTRATIVE PLAN

The authority for PHA policies is derived from many sources. Primary among these sources are federal statutes, federal regulations, and guidance issued by HUD. State law also directs PHA policy. State law must be followed where such law exists and does not conflict with federal regulations. Industry practice may also be used to develop policy as long as it does not conflict with federal requirements or prohibitions.

HUD

HUD provides the primary source of PHA policy through federal regulations, HUD notices, and handbooks. Compliance with federal regulations, current HUD notices, and current HUD handbooks is mandatory.

HUD also provides guidance to PHAs through other means such as HUD-published guidebooks, expired HUD notices, and expired handbooks. Basing PHA policy on HUD guidance is optional, as long as PHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, PHA reliance on HUD guidance provides the PHA with a "safe harbor."

Material posted on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations in various aspects of the program.

State Law

Where there is no mandatory federal guidance, PHAs must comply with state law, if it exists. Where state law is more restrictive than federal law, but does not conflict with it, the PHA should follow the state law.

Industry Practice

Where no law or HUD authority exists on a particular subject, industry practice may support PHA policy. Industry practice refers to a way of doing things or a policy that has been adopted by a majority of PHAs.

NSPIRE AND HQS IN THE ADMINISTRATIVE PLAN

The PHA must determine that the rental unit selected by the family is in safe and habitable condition at certain times prescribed by the regulations. The current applicable inspection standard for the HCV and PBV program is Housing Quality Standards (HQS). On May 11, 2023, HUD published a final rule implementing the National Standards for the Physical Inspection of Real Estate (NSPIRE final rule), a new approach to defining and assessing housing quality across multiple HUD programs. 24 CFR 5.703 describes the NSPIRE standards, including variations for the HCV and PBV programs. Notice PIH 2023-28 finalized the Administrative procedures for NSPIRE as they pertain specifically to the HCV and PBV programs. Collectively, this is known as "NSPIRE-V."

The compliance date for NSPIRE-V is no later than October 1, 2025, at which point the HQS inspection standard will sunset. PHAs may, however; implement NSPIRE-V prior to October 1 2025, provided they do so in accordance with requirements in FR Notice 7/5/24.

However, even once the HQS inspection standard has sunset, the regulations at 24 CFR Part 98 and 983 governing the HCV and PBV programs will continue to use the terms *HQS* and *housing quality standards* rather than *NSPIRE*. This is because, the definition of *housing quality standards (HQS)* at 24 CFR 982.4 means the minimum quality standards developed by HUD in accordance with 24 CFR 5.703 for the HCV program, including any variations approved by HUD for the PHA. As such, the model policy uses the term *housing quality standards* whenever applicable regulations use this term. Except in the chapter describing HQS, the acronym *HQS* is not used in the model policy in order to avoid confusion between the umbrella term meaning Housing standards and the specific inspection protocol. The model policy only uses the term *NSPIRE* when referring to specific NSPIRE standards.

HOTMA SECTIONS 102 AND 104 CHNAGES IN THE MODEL POLICY

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs. HUD published a final rule on February 14, 2023, revising regulations related to income and assets (Section 102 and 104 of HOTMA). While the new income and asset regulations were effective January 1, 2024, PHAs were instructed to select a compliance date no later than January 1, 2025. *Compliance* with Sections 102 and 104 of HOTMA means not only applying HOTMA regulations to affected programs but also reporting in HUD's new Housing Information Portal (HIP) system. Currently, PHAs remain unable to select a compliance date because HOTMA compliance depends on transitioning from HUD's IMS/PIC system (which is unable to accept HOTMA-compliant Form HUD-50058) to HUD's new HIP system (which will be the only system that accepts HOTMA-compliant Form HUD-50058). Because HOTMA-compliant reexaminations cannot be successfully submitted to IMS/PIC, HUD advised PHAs not to begin conducting reexaminations under HOTMA rules without further information on when the new HOTMA-compliant Form HUD-50058 in HIP will be available. PHAs cannot transition to HOTMA until HIP is in place, HOTMA-compliant, and accessible.

HOTMA VOUCHER FINAL RULE CHANGES IN THE MODEL POLICY

The final rule implementing streamlining changes to the HCV and PBV programs was published on May 7, 2024, and codified certain provisions in Sections 101, 105, 106, and 112 of HOTMA, as well as incorporating changes from the NSPIRE final rule discussed above. The rule is known as the "HOTMA voucher final rule." The effective date of the HOTMA voucher final rule was June 6, 2024. While the compliance date for certain provisions of the rule is the same as the effective date, the compliance date for other provisions is not until 90 days, 180 days, or one year after the effective date. Further, many new changes to the regulations described in the HOTMA voucher final rule require changes to the PHA's administrative plan. PHAs must make all revisions needed to bring existing policies into compliance with the final rule no later than Jun 6, 2025 (one yar after the effective date). However, if a PHA wishes to use program flexibilities requiring adoption of new local policies not already present in the PHA's administrative plan, the PHA must add those policies to the administrative plan prior to using those program flexibilities. Further, the delayed compliance date for policies of June 6, 2025, does not authorize delayed compliance with the provisions of the rule. PHAs that choose not to bring their policies into compliance with the rule until June 6, 2025, must still implement each provision on its compliance date.

In order to identify those provisions of the final rule that are not effective until after June 6, 2024, the model policy states that certain policies are not effective until a specific date.

The administrative plan cites several documents. Where a document or resource is cited frequently, it may be abbreviated. Where it is cited only once or twice, the administrative plan may contain the entire name of the document or resource. Following is a key to abbreviations used for various sources that are frequently cited in the administrative plan and a list of references and document locations that are referenced in the administrative plan or that may be helpful to you.

HUD HCV Guidebook

In November 2019 HUD began issuing a new version of the HCV Guidebook chapter-by-chapter. Unlike the previous version of the HCV Guidebook in which chapters were numbered, the new version of the guidebook includes chapter names, but no numbers. As the new version of the guidebook has not yet been fully released, and since the previous version of the guidebook contains guidance not found in the new version, the policy cites both versions of the guidebook. Therefore, where the HCV Guidebook is cited in the policy, the citation will make a distinction between the "old" and "new" versions of the guidebook. The "old" version of the guidebook will continue to be cited as *HCV GB* with a chapter/page reference (example: HCV GB, p. 5-4). If HUD has also released a new chapter on the same topic with information that either adds new information or updates existing information from the previous guidebook, the new guidebook will be cited as *New HCV GB* with a chapter title and page reference (example: New HCV GB, *Payment Standards,* p. 11).

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The PHA receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. The PHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW

This part explains the origin of the PHA's creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the Southeastern Minnesota Multi-County Housing and Redevelopment Authority for the jurisdiction of all cities included in the Counties of Wabasha, Goodhue, Dodge, Winona, Houston, and Fillmore. This jurisdiction does not include the City of Red Wing.

The officials of a PHA are known as commissioners or, collectively, as the board of commissioners. Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which the PHA conducts business, ensuring that policies are followed by PHA staff and ensuring that the PHA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of the PHA are taken through written resolutions, adopted by the board of commissioners and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED), hired and appointed by the board of commissioners. The executive director is directly responsible for carrying out the policies established by the board and is delegated the responsibility for hiring, training and supervising the PHA staff in order to manage the day-to-day operations of the PHA. The executive director is responsible for ensuring compliance with federal and state laws and directives for the programs managed. In addition, the executive director's duties include budgeting and financial planning for the agency.

1-I.C. PHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

SEMMCHRA Policy

To enhance and strengthen communities through advocacy, collaboration and promotion of self-reliance, housing and community development.

1-I.D. THE PHA'S PROGRAMS

The following programs are included under this administrative plan:

SEMMCHRA Policy

The PHA's administrative plan is applicable to the operation of the Housing Choice Voucher program.

1-I.E. THE PHA'S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to HCV program participants, owners, and to the community. The PHA's standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in performance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the equal opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA's mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of the PHA's support systems and a high level of commitment to our employees and their development.

The PHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the reader to better understand the program.

The United States Housing Act of 1937 (the "Act") is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality ("housing quality standards") and was within certain HUD-established rent limitations ("fair market rents"), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family's adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as "conforming" rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including section of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs.

- The Final Rule implementing broad changes to income and assets in Section 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the *Federal Register* on February 14, 2023. On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule. HUD issued a revised version of the notice on February 2, 2024.
- The Final Rule implementing streamlining changes to the HCV and PBV programs was published on May 7, 2024, and codified certain provisions in Sections 101, 105, 106, and 112 of HOTMA as well as incorporating changes from the NSPRIE final rule.

1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The PHA is afforded choices in the operation of the program which are included in the PHA's administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA's jurisdiction and may also be eligible to move under portability to other PHAs' jurisdictions.

When a family is determined to be eligible for the program and funding is available, the PHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the PHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The PHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the PHA enters into a contractual relationship with HUD (Consolidated Annual Contributions Contract). The PHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the PHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

What Does the Owner Do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine suitability as renters.
  - The PHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract executed with the PHA;
- Comply with all applicable fair housing laws and do not discriminate against anyone;
- Maintain the housing unit in accordance with ~~Housing Quality Standards (HQS)~~ ~~National Standards for the Physical Inspection of Real Estate (NSPIRE)~~ minimum quality standards developed by HUD in accordance with 24 CFR 5.703 (including any variations approved by HUD for the PHA) and make necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's agency plan. This administrative plan is a supporting document to the PHA agency plan and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the PHA's local policies for operation of the housing programs in accordance with federal laws and regulations. All issues related to the HCV program not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of PHA staff shall be in compliance with the PHA's personnel policy and HUD regulations as well as all federal, state and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

The HUD regulations at 24 CFR 982.54 define the policies that must be included in the administrative plan. They are as follow:

- Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapter 4);
- Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions of the voucher term. If the PHA decides to allow extensions of the voucher term, the PHA administrative plan must describe how the PHA determines whether to grant extensions, and how the PHA determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);

- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12);
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards, ~~including policies on administering decreases in the payment standard during the HAP contract term~~ (Chapter 16);
- Policies on administering decreases and increases in the payment standard during the HAP contract term (Chapter 6).
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).
- Policies governing the project-basing of vouchers in both the standard Project-Based Voucher (PBV) program (Chapter 17) and the RAD Project-Based Voucher program (Chapter 18; and

Mandatory vs. Discretionary Policy

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to adopt local policies and procedures that are consistent with mandatory policies in areas where HUD gives the PHA discretion. The PHA's administrative plan is the foundation of those policies and procedures. HUD's directions require PHAs to make policy choices that provide sufficient guidance to staff and ensure consistency to program applicants and participants.

Creating policies based upon HUD guidance is not mandatory but provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully think through those decisions.

1-III.C. ORGANIZATION OF THE PLAN

The plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN

The PHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

SEMMCHRA Policy

The PHA will review and update the plan at least once a year, and more often if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the PHA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of the PHA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register.*

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Orders 11063 and 13988
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012 and further clarified in Notice PIH 2014-20
- Violence Against Women Act (VAWA)

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

SEMMCHRA Policy

No state or local nondiscrimination laws or ordinances apply.

2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as PHA policies, can prohibit discrimination based on other factors.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called "protected classes")

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

The PHA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12; Executive Order 13988].

SEMMCHRA Policy

The PHA does not identify any additional protected classes.

The PHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

Providing Information to Families and Owners

The PHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the PHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

2-I.C. DISCRIMINATION ~~COMPLIANTS~~ COMPLAINTS

General Housing Discrimination Complaints

If an applicant or participant believes that any family member has been discriminated against by the PHA or an owner, the family should advise the PHA. The PHA should make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action.

In all cases, the PHA will advise the family that they may file a fair housing complaint if the family feels they have been discriminated against under the Fair Housing Act.

SEMMCHRA Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify the PHA either orally or in writing.

Within 10 business days of receiving the complaint, the PHA will investigate and attempt to remedy discrimination complaints made against the PHA. The PHA will also advise the family of their right to file a fair housing complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). The fair housing poster, posted in conspicuous and accessible locations in PHA lobbies, will reference how to file a complaint with FHEO.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

Complaints under the Equal Access Final Rule [Notice PIH 2014-20]

Notice PIH 2014-20 requires an articulated complaint process for allegations of discrimination under the Equal Access Final rule. The Equal Access Final Rule requires that PHAs provide equal access regardless of marital status, gender identity, or sexual orientation. The PHA will be informed on these obligations by the HUD Field Office or FHEO when an Equal Access complaint investigation begins.

SEMMCHRA Policy

Applicants or tenant families who believe that they have been subject to unlawful discrimination based on marital status, gender identity, or sexual orientation under the Equal Access Rule may notify the PHA either orally or in writing.

Within 10 business days of receiving the complaint, the PHA will provide a written notice to those alleged to have violated the rule. The PHA will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated

the rule, as well as information on how to complete and submit a housing discrimination complaint form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

The PHA will attempt to remedy discrimination complaints made against the PHA and will conduct an investigation into all allegations of discrimination.

Within 10 business days following the conclusion of the PHA's investigation, the PHA will provide the complainant and those alleged to have violated the rule with findings and either a proposed corrective action plan or an explanation of why corrective action is not warranted.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

VAWA Complaint Processing [Notice FHEO 2023-01]

A complainant may, not later than one year after an alleged VAWA violation has occurred or terminated, file a complaint with FHEO alleging such violation. If there is a violation that began prior to a year before the complaint is filed, but it continues into the one-year time period, HUD will accept the complaint. FHEO will investigate the complaint if it is timely and FHEO otherwise has jurisdiction. If a complaint is filed more than one year after the alleged violation occurred or terminated, FHEO may, but is not required to, investigate the allegations under the additional authority and procedures described in FHEO 2023-01.

Complaints do not need to allege a violation of the Fair Housing Act for FHEO to accept and investigate the complaint.

SEMMCHRA Policy

Applicants or tenant families who wish to file a VAWA complaint against the PHA may notify the PHA either orally or in writing.

The PHA will advise the family of their right to file a VAWA complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). The PHA will inform the family that not later than one year after an alleged VAWA violation has occurred or terminated, applicants and tenants who believe they have been injured by a VAWA violation or will be injured by such a violation that is about to occur may file a VAWA complaint using FHEO's online complaint form via mail, email, or telephone.

The PHA will attempt to remedy complaints made against the PHA and will conduct an investigation into all allegations of discrimination.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA's programs and services. This responsibility begins with the first contact by an interested family and continues through every aspect of the program.

SEMMCHRA Policy

The PHA will ask all applicants and participants if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by the PHA, by including the following language:

> "If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority."

A specific name and phone number of designated staff will be provided to process requests for accommodation.

The PHA will display posters and other housing information and signage in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

A reasonable accommodation is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV program. For example, reasonable accommodations may include making home visits, extending the voucher term, or approving an exception payment standard in order for a participant to lease an accessible dwelling unit.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for the PHA, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

Types of Reasonable Accommodations

When needed, the PHA will modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the PHA range) if the PHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff
- Allowing for exceptions to the PHA's subsidy standards
- Allowing a change in the family's rent due date to correspond with the receipt of the head of household, or spouse, or cohead's SSI or SSDI benefits.

2-II.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA's programs and services.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable connection, or nexus, between the requested accommodation and the individual's disability.

SEMMCHRA Policy

The PHA will require the family to make their initial request for a reasonable accommodation in writing. The PHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the PHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

2-II.D. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to the PHA's programs and services.

If a person's disability is obvious or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support

group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]

- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA will not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.
- In the event that the PHA does receive confidential information about a person's specific diagnosis, treatment, or the nature or severity of the disability, the PHA will dispose of it. In place of the information, the PHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].

2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26].

The PHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of the PHA's program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

SEMMCHRA Policy

After a request for an accommodation is presented, the PHA will respond in writing within 10 business days.

If the PHA denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal the PHA's decision through an informal review (if applicable) or informal hearing (see Chapter 16).

If the PHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PHA's operations), the PHA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If the PHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the PHA will notify the family in writing of its determination within 10 business days from the date of the most recent discussion or communication with the family.

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the PHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the PHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

SEMMCHRA Policy

To meet the needs of persons with hearing impairments, the PHA will use a relay service if requested by the hearing impaired person. The PHA will consider all forms of communication as reasonable and requested by the hearing impaired person including Email and TTD/TTY (text telephone display / teletype).

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the PHA's responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the PHA will include a current list of available accessible units known to the PHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of the PHA's informal review process and their right to request an informal review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family's assistance is terminated, the notice of termination must inform them of the PHA's informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, the PHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the PHA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation.

PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the *Federal Register.*

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.

2-III.B. ORAL INTERPRETATION

The PHA will offer competent interpretation services free of charge, upon request, to the LEP person.

SEMMCHRA Policy

The PHA will utilize a language line for telephone interpreter services.

When exercising the option to conduct remote briefings, informal reviews, or hearings, however, the PHA will coordinate with a remote interpretation service which, when available, uses video conferencing technology rather than voice-only interpretation.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the PHA. The PHA, at its discretion, may choose to use the language services even when LEP persons desire to use an interpreter of their choosing. The interpreter may be a family member or friend.

The PHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. "Reasonable steps" may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible and possible, ~~and according to its language assistance plan (LAP),~~ the PHA will pool resources with other PHAs, and will standardize documents as needed. The PHA will encourage the use of qualified community volunteers to act as interpreters and translators.

2-III.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

SEMMCHRA Policy

In order to comply with written-translation obligations, the PHA will take the following steps:

The PHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the PHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

2-III.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, the PHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the PHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the PHA's Housing Choice Voucher program and services.

SEMMCHRA Policy

If it is determined that the PHA serves very few LEP persons, and the PHA has very limited resources, the PHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If the PHA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan. (See Exhibit 2-2; Limited English Proficiency Plan (LEP) for the PHA).

EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase "physical or mental impairment" includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

"Major life activities" includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

"Has a record of such impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

"Is regarded as having an impairment" is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the PHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the $400 elderly/disabled household deduction, the $480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

EXHIBIT 2-2: LIMITED ENGLISH PLAN

I. MISSION

The mission of this plan is to aid the Southeastern Minnesota Multi-County HRA personnel in providing meaningful access to SEMMCHRA's programs and activities by persons with Limited English Proficiency (LEP). The PHA shall provide reasonable accommodations to assist LEP clients to ensure equal opportunity, despite language barriers, in compliance with federal requirements.

II. DEFINITION OF TERMS

- **Client —** A client is a person who:

  is an applicant for public housing, Section 8, homeownership and other Southeastern Minnesota Multi County HRA (SEMMCHRA) programs;

  is a recipient of public housing, Section 8, homeownership and other Southeastern Minnesota Multi-County HRA programs; or

  may be eligible for Southeastern Minnesota Multi-County HRA programs but is underserved and may benefit from an outreach program.

- **Effective Communication** – Effective communication occurs when the PHA staff has taken reasonable steps to provide meaningful access to an LEP client. Effective communication also means that the LEP clients is able to provide and receive required or necessary information.

- **Interpretation** – Interpretation means the oral or spoken transfer of a message from one language into another language.

- **Language Assistance** – Language assistance includes interpretation and translation. The PHA has the sole discretion to determine whether to provide the language assistance in the form of interpretation or translation.

- **Limited English Proficiency (LEP)** – A person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English may be limited English proficient (LEP) an may be entitled to language assistance with respect to a particular program, benefit or right. The focus is on the client's lack of English proficiency. A client who proficiently speaks English is not a LEP client. A definition of English proficient is: the individual has reached level 6 in the English Language Proficiency Levels or attended mainstream classes at the high school level or attended non remedial class at the post-secondary level.

Based on the Minnesota Department of Human Services, level 6:

- The pupil was formerly limited-English proficient and is now fully English proficient.

- The pupil reads, writes, speaks and comprehend English within academic classroom settings.

- **Meaningful Access** – Meaningful access is free language assistance in compliance with federal requirements. The PHA's goal is to provide meaningful access to the PHA's programs and services by LEP persons in a manner that balances the following four factors:

  - The number of or proportion of LEP persons eligible to be served or likely to be encountered by the PHA.

  - The frequency with which the PHA comes into contact with a particular language.

  - The nature and importance of the program, activity or service to the person's life. A compulsory activity is evidence of importance. For example, voluntary attendance at a resident meeting does not have the same importance as the application and termination process for public housing and Section 8 participation.

  - SEMMCHRA resources and the cost of providing meaningful access. Reasonable steps may cease to be reasonable where the costs imposed substantially exceed the benefits. SEMMCHRA determines the budget for language assistance.

- **Translation** – Translation means the written transfer of a message from one language into another language.

III. OFFER OF FREE LANGUAGE ASSISTANCE

The PHA staff will offer the opportunity for meaningful access to LEP clients who have difficulty communicating in English. If a client asks for language assistance and the PHA determines that the client is LEP and that language assistance is necessary to provide meaningful access, the PHA will make reasonable efforts to provide free language assistance. If reasonably possible the PHA will provide the language assistance in the LEP client's preferred language.

IV. LANGUAGE ASSISTANCE

•Mix of Language Assistance

The PHA has substantial flexibility in determining the type of language assistance necessary to provide meaningful access. Meaningful access should be at a time and place that avoids the effective denial of the program or an undue burden or delay in the rights, benefits, or services to the LEP person.

•Formal Interpreters

Formal interpreters include contract vendors.
Formal interpreters shall be used at the Informal review for denial of admission to public housing and Section 8;
Informal hearing for termination of public housing;
Information hearing for Section 8 programs; and Termination.
An PHA staff interpreter may not be a subordinate to the person making the decision.

Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP client. Informal interpreters may be appropriate depending upon the circumstances and subject matter. However, in many circumstances, informal interpreters, especially children, are not competent to provide quality and accurate interpretations. There may be issues of confidentiality, competency or conflict of interest.

An LEP person may use an informal interpreter of their own choosing and expense in place of or as a supplement to the free language assistance offered by the PHA. If possible, the PHA should accommodate a LEP client's request to have an informal interpreter. In these cases, the client and interpreter should sign a waiver of free interpreter services.

The PHA may risk noncompliance if it requires, suggests, or encourages a LEP client to use an informal interpreter.

© Copyright ~~2024~~ 2025 Nan McKay & Associates
Unlimited copies may be made for internal use.

If a LEP client prefers an informal interpreter, after the PHA has offered free interpreter services, the informal interpreter may interpret.

If a LEP client wants an informal interpreter, the PHA may also have a formal interpreter present.

•Outside Resources

Outside resources may include community volunteers, non-profit organizations, and the PHA residents or Section 8 participants.

•Emergency Situations

Any interpreter may be used in an emergency situation. The PHA should first respond to the emergency and follow-up with language assistance as appropriate.

•Document Use of Interpreter

The PHA staff will document in the LEP client's file or record when an interpreter is used during the application and termination process to a PHA program or during a public housing grievance procedure.

V. STAFF TRAINING

The PHA will make the LEP Plan available to staff.
The PHA will inform new employees of the PHA's duty to offer free language assistance in compliance with federal requirements.
The PHA Staff who have ongoing contact with LEP clients will attend LEP training.
LEP training will include the following:

- The PHA's duty to offer free language assistance in compliance with federal requirements.
- The substance of the PHA's LEP Plan.
- How to document a client's language needs; and
- Identify of bilingual staff and contract interpreters.

VI. MONITORING

- Periodically, the PHA will review LEP Plan. The review will include:
- Reports on the number of the PHA's clients who are LEP.
- Reports listing the most frequent languages used by LEP clients.
- Examination of staff request for contact interpreters: numbers of requests, languages requested, cost, etc.
- Annual review of the LEP Plan by determined persons.

Chapter 3

ELIGIBILITY

INTRODUCTION

The PHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
  - Qualify as a family as defined by HUD and the PHA.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for household members as required.
  - Consent to the PHA's collection and use of family information as provided for in PHA-provided consent forms.
  - Not currently be receiving a duplicative subsidy.
- The PHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause the PHA to deny assistance.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c); FR Notice 02/03/12; Notice PIH 2014-20]

The terms *family* and *household* have different meanings in the HCV program.

Family

To be eligible for assistance, an applicant must qualify as a family. *Family* as defined by HUD includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, disabled person, near-elderly person, or any other single person, an otherwise eligible youth who has attained at least 18 years of age and not more than 24 years of age and who has left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act (42 U.S.C. 675(5)(H), and is homeless or is at risk of becoming homeless at age 16 or older; or a group of persons resding together. ~~or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. The PHA has the discretion to determine if any other group of persons qualifies as a family.~~

Such group includes but is not limited to a family with or without children (a child who is temporarily away fromt eh house because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, and the remaining member of a tenant family. The PHA has the discretion to determine if any other group of persons qualifies as a a family.

Gender Identity means actual or perceived gender characteristics.

Sexual orientation means homosexuality, heterosexuality, or bisexuality.

SEMMCHRA Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application, and must notify the PHA if the family's composition changes.

.

Household

Household is a broader term that includes additional people who, with the PHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY

Family Breakup [24 CFR 982.315; Notice PIH 2017-08]

Except under the following conditions, the PHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault, stalking, and human trafficking, see section 16-IX.D of this plan.)
- In accordance with Notice PIH 2017-08, for HUD–Veterans Affairs Supportive Housing (HUD–VASH) vouchers, when the veteran is the perpetrator of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the victim must continue to be assisted. Upon termination of the perpetrator's HUD–VASH voucher, the victim should be given a regular HCV if one is available, and the perpetrator's HUD–VASH voucher should be used to serve another eligible family. If a regular HCV is not available, the victim will continue to use the HUD–VASH voucher, which must be issued to another eligible family upon the voucher's turnover.
- If a court determines the disposition of property between members of the assisted family, the PHA is bound by the court's determination of which family members continue to receive assistance.

  SEMMCHRA Policy

  When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

  If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

  In the absence of a judicial decision or an agreement among the original family members, the PHA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, the PHA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; and (5) the recommendations of social service professionals

Remaining Member of a Tenant Family [24 CFR 5.403]

The HUD definition of family includes the *remaining member of a tenant family,* which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only "remaining members of a tenant family" and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on "Caretakers for a Child."

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

Head of household means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

SEMMCHRA Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

Spouse means the marriage partner of the head of household.

SEMMCHRA Policy

The State of Minnesota is not a "common law" state. The term "spouse" does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

SEMMCHRA Policy

Minors who are emancipated under state law may be designated as a cohead.

Other adult means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

Unlimited copies may be made for internal use.

3-I.F. DEPENDENT [24 CFR 5.603]

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a dependent allowance as described in Chapter 6.

Joint Custody of Dependents

SEMMCHRA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents, such as court orders, school records, or other credible documentation, including but not limited to an IRS tax return showing which family has claimed the child for income tax purposes. An IRS tax return will not be relied on as the sole source of custody determination.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent allowance, and (2) the earned income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403, FR Notice 02/03/12]

Elderly Persons

An *elderly person* is a person who is at least 62 years of age.

Near-Elderly Persons

A *near-elderly person* is a person who is 50-61 years of age.

Elderly Family

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because elderly families qualify for the elderly family allowance as described in Chapter 6.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

Persons with Disabilities

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

Disabled Family

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for the disabled family allowance as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, this does not prevent the PHA from denying assistance for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter, or from terminating assistance in accordance with the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has expressed or implied authority to so consent.

SEMMCHRA Policy

A guest can remain in the assisted unit no longer than 30 cumulative calendar days during any 12-month period.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 50 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure that is expected to last 20 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Guests who represent the unit as their residence for receipt of benefits or other purpose will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered unauthorized occupants and their presence constitutes a violation of this policy.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS [24 CFR 5.603]

A ~~F~~foster adult~~s~~ is a member of the household who is 18 years of age or older and meets the definition of a *foster adult* under state law. In general, a foster adult is a person who is 18 years of age or older, is unable to live independtently due to a debilitating physical or mental condition, an dis placed with the family by an authorized placement agency or by judgement, decree, or other order of any court of competent jurisdiction. ~~are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].~~

A ~~The term~~ *foster child* is a member of the houuehold who meets the definition of a *foster child* under state law. In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgement, decree, or other order of any court of completent jurisdiction. ~~not specifically defined by the regulations~~.

Foster children and foster adults who are living with an applicant or who have been approved by the PHA to live with a participant family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

SEMMCHRA Policy

A foster child or foster adult may be allowed to reside in the unit if their presents would not result in a violation of space standards as described in Section 8-I.F.

~~A *foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.~~

~~A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401 as described in Section 8-I.F. of this policy.~~

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent

SEMMCHRA Policy

Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

SEMMCHRA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

SEMMCHRA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

SEMMCHRA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member, unless information becomes available to the PHA indicating the family member has established a separate household.

Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

SEMMCHRA Policy

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

The PHA will request verification of the family member's permanent absence from a responsible medical professional. If the responsible medical professional cannot provide a determination, the person will be considered temporarily absent. If the family certifies that the family member is confined on a permanent basis, they may present, and the PHA will consider, any additional documentation or evidence.

Return of Permanently Absent Family Members

SEMMCHRA Policy

The family must request PHA approval for the return of any adult family members that the PHA previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

3-I.M. LIVE-IN AIDE ~~[24 CFR 5.403]~~

A *live-in aide* is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The income of a live-in aide is not counted in the calculation of annual income for the family [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. Because live-in aides are not *family* members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family.

SEMMCHRA Policy

A family's request for a live-in aide ~~must~~ may be made either orally or in writing. The PHA will verify the need for a live-in aide with ~~Written verification will be required from~~ a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, unless the disability-related need is apparent or known to the PHA ~~that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member~~. For continued approval, the family must submit a new, written request-subject to PHA verification-at each annual reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

The PHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person commits drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The PHA will notify the family of its decision in writing within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request.

PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the *Federal Register*. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 982.201 and Notice PIH 2023-27]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. Income and net family assets of household members are excluded when determining income eligibility; however, household members are considered for purposes of unit size and subsidy standards. In order to be income eligible, an applicant family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4; 24 CFR 982.201(b)]

  SEMMCHRA Policy

  The PHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were selected from the PHA's waiting list.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101
- A low-income family is eligible for assistance under VASH [FR Notice 8/13/24]. See Chapter 19 of this policy for more information.

HUD permits the PHA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with the PHA plan and the consolidated plans for local governments within the PHA's jurisdiction.

SEMMCHRA Policy

The PHA has not established any additional categories of eligible low-income families.

Using Income Limits for Targeting [24 CFR 982.201]

At least 75 percent of the families admitted to the PHA's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a passport.

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

SEMMCHRA Policy

Family members who declare citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

Eligible Noncitizens

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual

or family members have submitted documentation to the PHA in accordance with program requirements [24 CFR 5.512(a)].

SEMMCHRA Policy

The PHA will not provide assistance to a family before the verification of at least one family member.

When a PHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the PHA. The informal hearing with the PHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, the PHA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

SEMMCHRA Policy

The PHA will verify the citizenship status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

Note: These requirements do not apply to noncitizens who do not contend eligible immigration status.

~~In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the~~

~~time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit~~.

The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230 24 CFR 5.232; and HCV GB, p. 5-13]

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886-A, Authorization for the Release of Information/Privacy Act Notice, the form HUD-52675 Debts Owed to Public Housing Agencies and Terminations, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements. The consent form remains effective until the family is denied assistance, assistance is terminated, or the family provides written notification to revoke consent.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3) and 24 CFR 5.232 (a)].

UPON the PHA's HOTMA 102/104 compliance date, the following on revocation of consent is added:

However, this does not apply if the applicant or participant, or any member of their family, revokes their consent with respect to the ability of the PHA to access financial records from financial institutions, unless the PHA establishes a policy that revocation of consent to access financial records will result in denial of admission or termination of assistance ~~or admission~~ [24 CFR 5.232(c)].

PHA Policy

The PHA has established a policy that revocation of consent to access financial records will result in denial of admission.

3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's eligibility.

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, the PHA will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

Dependent Child

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

Independent Student

SEMMCHRA Policy

The PHA will consider a student "independent" from their parents and the parents' income will not be considered when determining the student's eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from their parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education's definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

The individual is at least 24 years old by December 31 of the award year for which aid is sought

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence

The individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes

The individual is a graduate or professional student

The individual is married

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The individual has one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances

The individual was not claimed as a dependent by their parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by their parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If the PHA determines that an individual meets the definition of a *vulnerable youth* such a determination is all that is necessary to determine that the person is an *independent student* for the purposes of using only the student's income for determining eligibility for assistance.

The PHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

Institution of Higher Education

The PHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

Parents

SEMMCHRA Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

Person with Disabilities

The PHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Veteran

SEMMCHRA Policy

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Vulnerable Youth

SEMMCHRA Policy

A *vulnerable youth* is an individual who meets the U.S. Department of Education's definition of *independent student* in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:

> The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older
>
> The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence
>
> The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:
>
> > A local educational agency homeless liason
> >
> > The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director
> >
> > A financial aid administrator

Determining Student Eligibility

If a student is applying for assistance on their own, apart from their parents, the PHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the PHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from their parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

SEMMCHRA Policy

For any student who is subject to the 5.612 restrictions, the PHA will:

> Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program
>
> Determine whether the student is independent from their parents in accordance with the definition of *independent student* in this section
>
> Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

If the PHA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, the PHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

Determining Parental Income Eligibility

SEMMCHRA Policy

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, the PHA will determine the income eligibility of the student's parents as follows:

If the student's parents are married and living together, the PHA will obtain a joint income declaration and certification of joint income from ~~the~~ both parents.

If the student's parent is widowed or single, the PHA will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, the PHA will obtain an income declaration and certification of income from each parent.

If the student has been living with one of their parents and has not had contact with or does not know where to contact their other parent, the PHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. The PHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, the PHA will use the income limits for the jurisdiction in which the parents live.

3-II.F. EIV SYSTEM SEARCHES [Notice PIH 2018-18; EIV FAQs; EIV System Training 9/30/20]

Existing Tenant Search

Prior to admission to the program, the PHA must search for all household members using the EIV Existing Tenant Search module. The PHA must review the reports for any SSA matches involving another PHA or a multifamily entity and follow up on any issues identified. The PHA must provide the family with a copy of the Existing Tenant Search results if requested. At no time may any family member receive duplicative assistance.

If the tenant is a new admission to the PHA, and a match is identified at a multifamily property, the PHA must report the program admission date to the multifamily property and document the notification in the tenant file. The family must provide documentation of move-out from the assisted unit, as applicable.

SEMMCHRA Policy

The PHA will contact the PHA or owner identified in the report to confirm that the family has moved out of the unit and obtain documentation of current tenancy status, including a form HUD-50058 or 50059, as applicable, showing an end of participation.

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The PHA will only approve assistance contingent upon the move-out from the currently occupied assisted unit.

Debts Owed to PHAs and Terminations

All adult household members must sign the form HUD-52675 Debts Owed to Public Housing and Terminations. Prior to admission to the program, the PHA must search for each adult family member in the Debts Owed to PHAs and Terminations module.

If a current or former tenant disputes the information in the module, the tenant should contact the PHA directly in writing to dispute the information and provide any documentation that supports the dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV. Former tenants may dispute debt and termination information for a period of up to three years from the end of participation date in the program.

SEMMCHRA Policy

The PHA will require each adult household member to sign the form HUD-52675 once at the eligibility determination. Any new members added to the household after admission will be required to sign the form HUD-52675 prior to being added to the household.

The PHA will search the Debts Owed to PHAs and Terminations module as part of the eligibility determination for new households and as part of the screening process for any household members added after the household is admitted to the program. If any information on debts or terminations is returned by the search, the PHA will determine if this information warrants a denial in accordance with the policies in Part III of this chapter.

EIV Income ~~and Income Validation Tool (IVT)~~ Report

For each new admission, the PHA is required to review ~~the EIV Income and IVT Reports~~ income information in EIV to confirm and validate family reported income within 120 days ~~of the IMS/PIC submission date of the new admission.~~ after the admission information is transmitted to HUD. The PHA must print and maintain copies of the ~~EIV Income and IVT~~ reports in the tenant file and resolve any discrepancies with the family. ~~within 60 days of the EIV Income or IVT report dates.~~

PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance. In this section we will discuss other situations and circumstances in which denial of assistance is mandatory for the PHA, and those in which denial of assistance is optional for the PHA.

While the regulations state that the PHA must prohibit admission for certain types of criminal activity and give the PHA the option to deny for other types of previous criminal history, more recent HUD rules and OGC guidance must also be taken into consideration when determining whether a particular individual's criminal history merits denial of admission.

When considering any denial of admission, PHAs may not use arrest records as the basis for the denial. Further, HUD does not require the adoption of "One Strike" policies and reminds PHAs of their obligation to safeguard the due process rights of applicants and tenants [Notice PIH 2015-19].

HUD's Office of General Counsel issued a memo on April 4, 2016, regarding the application of Fair Housing Act standards to the use of criminal records. This memo states that a PHA violates the Fair Housing Act when their policy or practice has an unjustified discriminatory effect, even when the PHA had no intention to discriminate. Where a policy or practice that restricts admission based on criminal history has a disparate impact on a particular race, national origin, or other protected class, that policy or practice is in violation of the Fair Housing Act if it is not necessary to serve a substantial, legitimate, nondiscriminatory interest of the PHA, or if that interest could be served by another practice that has a less discriminatory effect [OGC Memo 4/4/16]. HUD codified this stance on disparate impact and discriminatory effects in a final rule dated March 31, 2023. In doing so, HUD also standardized its long-practiced three-step approach to assessing burdens of proof.

PHAs who impose blanket prohibitions on any person with any conviction record, no matter when the conviction occurred, what the underlying conduct entailed, or what the convicted person has done since then will be unable to show that such policy or practice is necessary to achieve a substantial, legitimate, nondiscriminatory interest. Even a PHA with a more tailored policy or practice that excludes individuals with only certain types of convictions must still prove that its policy is necessary. To do this, the PHA must show that its policy accurately distinguishes between criminal conduct that indicates a demonstrable risk to resident safety and property and criminal conduct that does not.

Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside the PHA's jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking if the applicant is otherwise qualified for assistance (See section 3-III.G.)

3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553 (a) and 24 CFR 982.552 (b)(6)]

HUD requires the PHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

  SEMMCHRA Policy

  The PHA will admit an otherwise-eligible family who was evicted from federally assisted housing within the past ~~five~~ three years for drug-related criminal activity if the PHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by the PHA, or the person who committed the crime, is no longer living in the household.

- The PHA determines that any household member is currently engaged in the use of illegal drugs.

  SEMMCHRA Policy

  Currently engaged in is defined as any use of illegal drugs during the previous ~~six~~ three months.

- The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

  SEMMCHRA Policy

  In determining reasonable cause, the PHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A record or records of arrest will not be used as the sole basis of determining reasonable cause. The PHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program
- Any member of the family fails to sign and submit consent forms for obtaining information.
- The family does not meet the restrictions on net assets and real property ownership as required by 24 CFR 5.618.

Upon the PHA's HOTMA 102/104 compliance date, the following section on the asset limitation is added. The asset limitation does not apply until the PHA's HOTMA compliance date.

3-III.C. RESTRICTION ON ASSISTANCE BASED ON ASSETS [24 CFR 5.618]

There are two circumstances under which a family is ineligible to receive assistance based on asset ownership.

First, assistance may not be provided to any family if the family's net assets exceed ~~$100,000~~ the HUD-published asset limitation amount (adjusted annually by HUD).

- This amount is listed in HUD's current yar Inflation-Adjusted Values tables
- $100,000 for 2024, $103,200 for 2025

Second, the family has real property that is suitable for occupancy by the family as a residence and the family has:

- A present ownership interest in the real property; and
- A legal right to reside in the real property; and
- The effective legal authority to sell (based on state or local laws of the jurisdiction where the property is located) the real property.

The PHA does not have the discretion not to enforce or provide limited enforcement of the asset limitation at admission. However, the real property restriction does not apply in the following circumstances:

- Any property for which the family is receiving assistance for a manufactured home under 24 CFR 982.620 or under the HCV Homeownership program;
- Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
- Any family that is offering the property for sale; or
- Any person who is a victim of domestic violence, dating violence, sexual assault, or stalking.
    - When a family asks for an exception because a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the PHA must comply with all the confidentiality requirements under VAWA. The PHA must accept a self-certification from the family member, and the restrictions on requesting documentation under VAWA apply.

A property is considered *suitable for occupancy* unless the family demonstrates that it:

- Does not meet the disability-related needs for all members of the family (*e.g.,* physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);
- Is not sufficient for the size of the family;

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

SEMMCHRA Policy

The PHA defines *not sufficient for the size of the family* as being overcrowded based on ~~the PHA's subsidy standards in Chapter 5~~space standards in Chapter 8 of this policy.

- Is geographically located so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the PHA or owner);

SEMMCHRA Policy

In general, the PHA defines a *geographic hardship* to include when a family members' work, school, health care provider, or other necessary services is loated an unreasonable distance from the real property of there is a lack of adequate transportation options for the family to access work, school, health care, or other necessary services. The PHA will consider circumstantial details a family faces when determining whether a geographic hardship is present.

- Is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
- Is not a property that a family may reside in under the state or local laws of the jurisdiction where the property is located.

If a family meets one of the above exceptions, the real property is not automatically excluded from the calculation of the next family assets. Unless the real property is specifically excluded from net family assets as described in 24 CFR 5.603 and Chapter 6 of this policy, it will be included in net family assets. If the value of that real property brings the net family assets above the HUD-published asset limitation amount, the family is out of compliance with the asset limitations, the family is out of compliance with the asset limitation.

See Chapter 7 for information on verifying net family assets for purposes of the asset limitation.

3-III.D. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, the PHA to deny assistance for the reasons discussed in this section.

Criminal Activity [24 CFR 982.553]

HUD permits, but does not require, the PHA to deny assistance if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

SEMMCHRA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied assistance.

Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100];

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100];

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity;

Immediate vicinity means within a three-block radius of the premises.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse; or

Criminal activity that may threaten the health or safety of property owners, management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).

Evidence of such criminal activity includes, but is not limited to:

Any conviction for drug-related or violent criminal activity within the past ~~five~~ three years.

Any other credible evidence or documentation available to the PHA including other court documentation or credible eye witness testimony that demonstrates a history of violent criminal activity within the past ~~five~~ threeyears.

Records of arrests for drug-related or violent criminal activity within the past ~~five~~ three years, although a record or records of arrest will not be used as the sole basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.F and 3-III.G. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes the PHA to deny assistance based on the family's previous behavior in assisted housing.

PHAs are not permitted to deny assistance to a family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program [24 CFR 984.101(d)].

SEMMCHRA Policy

The PHA **will** deny assistance to an applicant family if:

The family does not provide information that the PHA or HUD determines is necessary in the administration of the program.

The family does not provide complete and true information to the PHA.

Any family member has been evicted from federally assisted housing in the last five years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family has breached the terms of a repayment agreement entered into with the PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

When denying admission due to family debts as shown in HUD's EIV system, the PHA will provide the family with a copy of the EIV Debt Owed to PHA and Termination report.

If the family wishes to dispute the information in the report, the family must contact the PHA that entered the information in EIV in writing, explaining why EIV information is disputed. The family must also provide a copy of the letter and all applicable verification to the PHA to support the family's claim. The PHA will consider the information provided by the family prior to issuing a notice of denial.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.F and 3-III.G. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

3-III.E. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

SEMMCHRA Policy

The PHA will perform a criminal background check on each adult household member through ~~Online Rental Exchange~~Rent Grow.

If the results of the criminal background check indicate that there may be past criminal activity, but the results are inconclusive, the PHA will deny and notify the family of their right to appeal, including providing credible documentation that will clear up the inconclusive discrepancy.

While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

SEMMCHRA Policy

The PHA will use the Dru Sjodin National Sex Offender database to screen applicants for admission.

Additionally, PHAs must ask whether the applicant, or any member of the applicant's household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the PHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

Screening for Suitability as a Tenant [24 CFR 982.307]

The PHA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. The PHA has the authority to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

SEMMCHRA Policy

The PHA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. The PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the PHA to provide prospective owners with the family's current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits the PHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

The PHA may not disclose to the owner any confidential information provided to the PHA by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking, except at the written request or with the written consent of the individual providing the documentation [see 24 CFR 5.2007(a)(4)].

SEMMCHRA Policy

The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history or criminal history, etc.

3-III.F. CRITERIA FOR DECIDING TO DENY ASSISTANCE

Evidence [24 CFR 982.553(c)]

SEMMCHRA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)]

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandatory (see Section 3-III.B).

SEMMCHRA Policy

The PHA will consider the following facts and circumstances prior to making its decision:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

While a record or records of arrest will not be used as the sole basis for denial, an arrest may trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

Any statements made by witnesses or the applicant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member's Name from the Application

Should the PHA's screening process reveal that an applicant's household includes an individual subject to state lifetime registered sex offender registration, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, the PHA may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 982.552(c)(2)(ii)].

SEMMCHRA Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon PHA request.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

SEMMCHRA Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the PHA will determine whether the behavior is related to the stated disability. If so, upon the family's request, the PHA will determine whether admitting the family as a reasonable accommodation is appropriate. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

3-III.G. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, the PHA will notify the family in writing and schedule ~~a tenant~~ an applicant briefing, as discussed in Chapter 5.

If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

SEMMCHRA Policy

If the family is eligible for assistance, the PHA will notify the family by email according to the email contact information maintained in its online applicant portal and schedule a virtual tenant briefing, as discussed in Chapter 5.

The family will be notified by the PHA of its decision to deny assistance by email using the email contact information maintained in its online applicant portal within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

SEMMCHRA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible the PHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10-day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking are contained in Section 3-III.H.

3-III.H. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, AND HUMAN TRAFFICKING

The Violence against Women Act (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for assistance or admission.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

VAWA requires PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD–5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

SEMMCHRA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the PHA's policies.

While the PHA is not required to identify whether adverse factors that resulted in the applicant's denial are a result of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the applicant may inform the PHA that their status as a victim is directly related to the grounds for the denial. The PHA will request that the applicant provide enough information to the PHA to allow the PHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The PHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan as well as including a copy of the form HUD-5382. The PHA will request in writing that an applicant wishing to claim protection under VAWA notify the PHA within 14 business days.

Documentation

Victim Documentation [24 CFR 5.2007]

SEMMCHRA Policy

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

Perpetrator Documentation

SEMMCHRA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to their belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

  Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

  In the case of an individual who has attained the age of 55 and is blind (within the meaning of "blindness" as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

  (A) In General

  The term "developmental disability" means a severe, chronic disability of an individual that:

  (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;

  (ii) is manifested before the individual attains age 22;

  (iii) is likely to continue indefinitely;

  (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and

  (v) reflects the individual's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes their ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

Individual with Handicaps [24 CFR 8.3]

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

(a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

(b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

(a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;

(b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION [20 U.S.C. 1001 and 1002]

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

Institution of Higher Education shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

Definition of ''Institution of Higher Education'' From 20 U.S.C. 1001

(a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term ''institution of higher education'' means an educational institution in any State that

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which the institution awards a bachelor's degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

(b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term ''institution of higher education'' also includes—

(1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and

(c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

Definition of ''Institution of Higher Education'' From 20 U.S.C. 1002

(a) Definition of institution of higher education for purposes of student assistance programs

(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term ''institution of higher education'' for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel

(i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—

(I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and

(II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.

(ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.

(C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.

(D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.

(3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—

(A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;

(B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

(C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or

(D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term ‘‘proprietary institution of higher education’’ means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school's revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term ‘‘proprietary institution of higher education’’ also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term ‘‘postsecondary vocational institution’’ means a school that—

(C) Has been in existence for at least 2 years.

(2) Additional institutions. The term ‘‘postsecondary vocational institution’’ also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

> Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.
>
> Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.
>
> Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the PHA policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

SEMMCHRA Policy

The PHA requires all applicants to apply online for Section 8 Rental Assistance by going to www.semmchra.us, which is available for their convenience 24 hours a day.

A two-step application process will be used. The PHA will initially require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all ~~of the~~ information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

- Online: Applicants can apply online for Section 8 Rental Assistance by going to www.semmchra.us, which is available at their convenience 24/7.

- Telephone: The PHA staff will be available by telephone to assist applicants with the online application during normal business hours.

- Kiosk Station: The PHA will provide a computer station for applicants who wish to fill out the online application. The PHA staff are available to assist with the online application by appointment. The applicant must contact the PHA during normal business hours and 24 hours in advance of when they would like an appointment.

- Home visits: If requested, home visits will be done on a case-by-case basis for elderly/ disabled persons.

The PHA does not currently provide paper applications.

Unlimited copies may be made for internal use.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each complete application received and make a preliminary assessment of the family's eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

SEMMCHRA Policy

If the PHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of receiving a complete application. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

Eligible for Placement on the Waiting List

SEMMCHRA Policy

The PHA will send written notification of the preliminary eligibility determination within 10 business days of receiving a complete application.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any preference(s) for which they qualify, and the date and time their complete application is received by the PHA.

Unlimited copies may be made for internal use.

The applicant will receive written confirmation, known as the “welcome letter”, informing them that their name has been placed on the waiting list.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The PHA's HCV waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

SEMMCHRA Policy

The PHA will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the PHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

SEMMCHRA Policy

The PHA will not merge the HCV waiting list with the waiting list for any other program the PHA operates.

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the PHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

SEMMCHRA Policy

The PHA will announce the waiting list being closed via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and by any available minority media. Where the PHA has preferences or funding criteria that require a specific category of family, the PHA may elect to continue the application process for these applicants while closing the process to others.

The PHA will announce the closing of its waiting list on its website at www.semmchra.org, including information regarding the continued acceptance of applications for specific categories of families.

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

SEMMCHRA Policy

The PHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

The PHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

Winona Daily News, the Wabasha Herald and Cannon Falls Beacon

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

SEMMCHRA Policy

The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

SEMMCHRA Policy

While the family is on the waiting list, the family may make changes to their online application. If the family needs assistance in making these changes they may contact the PHA in writing.

The family must immediately inform the PHA of changes in contact information, including current residence, email address, and phone number, using the online applicant portal.

The PHA will consider other forms of communication under extenuating circumstances to assist with limited English proficiency or as a reasonable accommodation to persons with disabilities. This information is included in the welcome letter the family receives at the time of application and on the PHA website, www.semmchra.org.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates, and the PHA determines that the family did not respond because of the family member's disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

SEMMCHRA Policy

The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

To update the waiting list, using its online applicant portal, the PHA will send an update request electronically to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for the program. This update request will be sent to the last email address that the PHA has on record for the family in its online portal. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family must respond in the online applicant portal not later than 15 business days from the date of the PHA email notification. If the family fails to respond within 15 business days, the family will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the PHA may reinstate the family if it is determined that the lack of response was due to PHA error, or to circumstances beyond the family's control, as a result of a family member's disability, or as a direct result of status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including an adverse factor resulting from such abuse. Other reasons for reinstatement will be considered by the PHA on a case by case basis.

Removal from the Waiting List

SEMMCHRA Policy

The PHA will not remove an applicant from the waiting list upon request by the applicant family, unless the request to do so is provided in writing by the head of household.

If a family is removed from the waiting list because the PHA has determined the family is not eligible for assistance, a notice will be sent to the family's email address of record according to the information in the PHA's online applicant portal. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding the PHA's decision (see Chapter 16) [24 CFR 982.201(f)].

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

SEMMCHRA Policy

The PHA does not administer targeted funding for any specific categories.

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

SEMMCHRA Policy

1. The PHA will offer a preference to families that include victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking who have either been referred by a partnering service agency or consortia or are seeking an emergency transfer under VAWA from the PHA's public housing program or other covered housing program operated by the PHA.

Below is a list of the PHA's specific preferences and the points assigned to each. The family is only eligible for one preference. Families claiming and eligible for more than one preference will be assigned the preference that gives them the highest number of points.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

SEMMCHRA Policy

The PHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met. If there are not enough extremely low-income families on the waiting list, the PHA will conduct outreach on a non-discriminatory basis to attract extremely low-income families in order to meet the statutory requirements.

Order of Selection

The PHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

SEMMCHRA Policy

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the PHA's hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by the PHA. Documentation will be maintained by the PHA as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that the PHA does not have to ask higher placed families each time targeted selections are made.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family [24 CFR 982.554(a)].

SEMMCHRA Policy

The PHA will notify the family by email using its online applicant portal when they are selected from the waiting list.

The PHA makes its eligibility determinations, including preference eligibility, via the submission of required documentation through its online applicant portal. After selection from the waiting list the PHA notice will inform the family of the following:

All documents that must be provided via the online applicant portal, including information about what constitutes acceptable documentation. The email will notify the applicant family of the deadline by which the documents must be submitted and how to contact the PHA if they need assistance.

The PHA will contact the family if additional information or clarification is needed regarding the submitted documentation.

If the PHA does not receive the requested information by the due date, including any extensions, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent by the PHA via the PHA's online applicant portal to the family's email address of record.

4-III.E. THE APPLICATION INTERVIEW

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination though a face-to-face interview with a PHA representative [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

SEMMCHRA Policy

The PHA's applicant families are selected from the waiting list and their eligibility is determined or denied based on submitted documentation. If eligibility is determined the family is required to participate in a virtual eligibility interview.

The head of household and the spouse/cohead will be strongly encouraged to attend the virtual interview together. However, either the head of household or the spouse/cohead may attend the virtual interview on behalf of the family. Verification of information pertaining to adult members of the household not present at the virtual interview will not begin until signed release forms are returned to the PHA.

© Copyright ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The head of household or spouse/cohead must provide acceptable documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity.) If the family representative does not provide the required documentation at the time of the virtual interview, they will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for 30 days. If all household members have not disclosed their SSNs at the next time the PHA is issuing vouchers, the PHA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, and must complete required forms, provide required signatures, and submit required documentation using the PHA's online applicant portal. After the submitted documentation is reviewed by the PHA, if any materials are missing, the PHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the virtual interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Virtual interviews will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA's LEP plan.

If the family is unable to attend a scheduled virtual interview, the family should contact the PHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, the PHA will send another notification letter with a new virtual interview appointment time. Applicants who fail to attend two scheduled interviews without PHA approval will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

4-III.F. COMPLETING THE APPLICATION PROCESS

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

SEMMCHRA Policy

If the PHA determines that the family is ineligible, the PHA will send the family written email notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. The PHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If the PHA determines that the family is eligible to receive assistance, the PHA will invite the family to attend a virtual briefing in accordance with the policies in Chapter 5.

Chapter 5

BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know in order to lease a unit under the program. Once the family is fully informed of the program's requirements, the PHA issues the family a voucher. The voucher includes the unit size for which the family qualifies based on the PHA's subsidy standards, as well as the issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

PART I: BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

HUD regulations require the PHA to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains the PHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program. The PHA must take reasonable steps to ensure meaningful access by person with Limited English proficiency.

5-I.B. BRIEFING [24 CFR 982.301]

Notification of Briefing

Prior to issuance of a voucher, the PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed in individual face-to-face meetings, through group briefing sessions, or via remote briefing sessions.

SEMMCHRA Policy

Families will be notified of their eligibility for assistance at the time they are invited to a briefing. The notice will be sent by email using the PHA's online applicant portal to the email of record in the portal.

The notice will advise the family of the type of briefing, who is required to be present at the briefing, and the date and time of the briefing. The notice will also inform the family of any additional requirements for in-person or remote briefings as addressed in relevant policy elsewhere in this section.

The family will be offered up to three opportunities to attend a scheduled briefing. If the family fails to respond or attend the scheduled briefing, the applicant will be denied and their name will be removed from the waiting list.

In-Person Briefings

At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973) and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

SEMMCHRA Policy

The PHA conducts virtual group meetings. At the family's written request, the PHA may provide an individual briefing.

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, the PHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Attendance

SEMMCHRA Policy

Applicants who fail to attend a scheduled virtual briefing and contact the PHA will be scheduled for another briefing. The PHA will notify the family of the date and time of the second scheduled briefing. Applicants who repeatedly fail to attend scheduled briefings, without prior PHA approval, will be denied assistance (see Chapter 3).

Remote Briefings [Notice PIH 2020-32]

Remote briefings may be conducted over the phone, via video conferencing, or through other virtual platforms.

SEMMCHRA Policy

The PHA conducts all of its briefings virtually. If the PHA schedules a remote briefing, the PHA will conduct a face-to-face briefing upon request of the applicant as a reasonable accommodation for a person with a disability if safety and health concerns can be reasonably addressed.

In addition, the PHA will conduct a briefing remotely upon request of the applicant as a reasonable accommodation for a person with a disability.

Accessibility Requirements for Persons with Disabilities and LEP Individuals

As with in-person briefings, the platform for conducting remote briefings must be accessible and the briefing conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual.

If no method of conducting a remote briefing is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote briefing, and the PHA should consider whether postponing the remote briefing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances.

Limited English Proficiency (LEP) requirements also apply to remote briefings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote briefings.

Conducting Remote Briefings

The PHA must ensure that the lack of technology or inability to use technology for remote briefings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA must ensure that the family has appropriate technological access in order to fully participate in the remote briefing.

SEMMCHRA Policy

The PHA will provide login information and/or conferencing call-in information and an electronic copy of the briefing packet via email at least one business day before the scheduled briefing. The PHA will provide a paper copy of the briefing packet upon family request and may reschedule the briefing to allow adequate time for the family to receive the hard copy of the briefing packet.

The PHA will send a reminder notice to the applicant family at least one day before the scheduled virtual briefing. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person briefing or have a one-on-one briefing over the phone, as appropriate.

If applicants are unable to adequately access the video conferencing platform, the briefing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in, the remote briefing will be postponed, and an in-person alternative or one-on-one briefing over the phone will be provided.

The PHA will ensure that all electronic information stored or transmitted as part of the briefing meets the requirements for accessibility for persons with disabilities and persons with LEP, and is secure, including ensuring personally identifiable information (PII) is protected.

The PHA will ensure that families who participate in remote briefings have the opportunity to ask questions as part of the briefing.

If families lose connectivity during any remote briefing or otherwise feel they were unable to access information presented during the briefing, the family may request a one-on-one briefing over the phone or in person with the PHA.

5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family's unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required by Family Obligations

SEMMCHRA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify the PHA of a change, notifying the PHA of the request or change within 10 business days is considered prompt notice.

When a family is required to provide notice to the PHA, the notice must be provided using the online portal.

Family Obligations [24 CFR 982.551]

The family obligations of the voucher are listed as follows:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family ~~is responsible for any deficiencies under the National Standards for the Physical Inspection of Real Estate (NSPIRE) Housing Quality Standards (HQS) breach by the family~~ may be responsible for a breach of housing quality standards caused by the family's failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond ordinary ~~normal~~ wear and tear caused by any member of the household or guest.

  SEMMCHRA Policy

  Damages beyond ordinary ~~normal~~ wear and tear will be considered to be damages which could be assessed against the security deposit under state law or in court practice.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

Unlimited copies may be made for internal use.

- The family must not commit any serious or repeated violation of the lease.

  SEMMCHRA Policy

  The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

  Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be construed as serious or repeated lease violations by the victim [see 24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

  SEMMCHRA Policy

  The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the PHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

  SEMMCHRA Policy

  The request to add a family member must be submitted in writing using the PHA's online portal, and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify the PHA in writing using the PHA's online portal, if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

Unlimited copies may be made for internal use.

SEMMCHRA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

  SEMMCHRA Policy

  Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.
- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under ~~the housing quality standards.~~24 CFR 5.703.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the PHA subsidy standards.

SEMMCHRA Policy

The PHA will assign one bedroom for each two persons within the household, except in the following circumstances:

Persons of the opposite sex (other than spouses, and children under age 6) will be allocated separate bedrooms.

Live-in aides will be allocated a separate bedroom.

Single person families will be allocated one bedroom.

The PHA will reference the following chart in determining the appropriate voucher size for a family:

Voucher Size	Persons in Household (Minimum – Maximum)
1 Bedroom	1-2
2 Bedrooms	2-4
3 Bedrooms	3-6
4 Bedrooms	4-8
5 Bedrooms	6-10

5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member's disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

SEMMCHRA Policy

The PHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing, which will include email. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability–related request for accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment must be re-verified at annual reexamination.

The PHA will notify the family of its determination within 10 business days of receiving the family's request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's Housing Choice Voucher program [Voucher, Form HUD-52646]

~~A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on verification of information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].~~The PHA must issue the family a voucher within 60 days of determining the family eligible [24 CFR 982.201(e)]. The income documentation must be dated within 120 days of when it was received by the PHA. However, for fixed-income sources, including Social Security benefits, the documentation must be dated within the appropriate benefit year.

SEMMCHRA Policy

Vouchers will be issued to eligible applicants following the mandatory briefing.

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

SEMMCHRA Policy

Prior to issuing any vouchers, the PHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

5-II.E. VOUCHER TERM AND EXTENSIONS

Voucher Term [24 CFR 982.303]

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

SEMMCHRA Policy

The initial voucher term will be 60 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an extension.

Extensions of Voucher Term [24 CFR 982.303(b)]

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that the PHA can approve. Discretionary policies related to extension and expiration of search time must be described in the PHA's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA's decision to approve or deny an extension. The PHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

SEMMCHRA Policy

The PHA will automatically approve one 30-day extension upon written request from the family.

The PHA will approve additional extensions only in the following circumstances:

It is necessary as a reasonable accommodation for a person with disabilities.

It is necessary due to reasons beyond the family's control, as determined by the PHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

Serious illness or death in the family

Other family emergency

Obstacles due to employment

Whether the family has already submitted requests for tenancy approval that were not approved by the PHA

Whether family size or other special circumstances make it difficult to find a suitable unit

Unlimited copies may be made for internal use.

Any request for an additional extension must include the reason(s) an additional extension is necessary. The PHA may require the family to provide documentation to support the request or obtain verification from a qualified third party.

All requests for extensions to the voucher term must be made in writing and submitted to the PHA prior to the expiration date of the voucher (or extended term of the voucher).

The PHA will decide whether to approve or deny an extension request within 10 business days of the date the request is received, and will immediately provide the family written notice of its decision.

Suspensions of Voucher Term [24 CFR 982.303(c)]

The PHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied.

Expiration of Voucher Term

Once a family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, the PHA may require that the family reapply, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

SEMMCHRA Policy

If an applicant family's voucher term or extension expires before the PHA has approved a tenancy, the PHA will require the family to reapply for assistance.

Within 10 business days after the expiration of the voucher term or any extension, the PHA will notify the family in writing that the voucher term has expired and that the family must reapply when the waiting list is open in order to be placed on the waiting list.

Chapter 6.A.

INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

This chapter is applicable prior to the PHA's HOTMA 102/104 compliance date. After this date the PHA will follow policies as outlined in Chapter 6.B. of the model policy.

The program regulations in the current Code of Federal Regulations (CFRs) were updated for HOTMA on January 1, 2024. As a result, pre-HOTMA regulations from 2023 are no longer available on the electronic CFRs. However, since full HOTMA implementation is still pending, the pre-HOTMA regulations continue to apply to some elements of the program, and this chapter makes references to both pre-HOTMA and HOTMA regulations where applicable. Where HOTMA regulations apply, citations in this chapter have been provided indicating that current HOTMA CFRs are applicable. For all other citations, the pre-HOTMA CFRs apply. The federal government archives previous versions of the CFRs, and PHAs may access them here: **https://www.goveinfo.gov/app/collection/cfr/2023/title24**.

A family's income determines eligibility for assistance and is also used to calculate the family's payment and the PHA's subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW

~~The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.~~

> 5.609 Annual income.
>
> (a) Annual income means all amounts, monetary or not, which:
>
> (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
>
> (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
>
> (3) Which are not specifically excluded in paragraph [5.609(c)].
>
> (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (as updated for HOTMA per Notice PIH 2024-38) (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- ~~Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)~~
- The Effect of Welfare Benefit Reduction (Exhibit ~~6-5~~ 6-4)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. ~~HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D).~~ Verification requirements for annual income are discussed in Chapter 7.A.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Summary of Income Included and Excluded by Person	
Live-in aides	Income from all sources is excluded [~~24 CFR 5.609(c)(5)~~ 24 CFR 5.609(b)(8) as updated for HOTMA].
Foster child or foster adult	Income from all sources is excluded [~~24 CFR 5.609(c)(2)~~ 24 CFR 5.609(b)(8) as updated for HOTMA].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included [24 CFR 5.609(a)].
~~Children under 18 years of age~~ Minors	~~Employment income is excluded [24 CFR 5.609(c)(1)].~~ Earned income of children under 18 years of age is excluded [24 CFR 5.609(b)(3) as updated for HOTMA]. All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	~~Employment income above $480/year is excluded [24 CFR 5.609(c)(11)].~~ Earned income in excess of the dependent deduction is excluded [24 CFR 5.609(b)(14) as updated for HOTMA]. All other sources of income, except those specifically excluded by the regulations, are included.

Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

SEMMCHRA Policy

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

SEMMCHRA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

SEMMCHRA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

SEMMCHRA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member, unless the PHA is made aware or notified that the absent party has established other housing.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

SEMMCHRA Policy

The PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

Joint Custody of Dependents

SEMMCHRA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, school records, or an IRS tax return showing which family has claimed the child for income tax purposes. However, a tax return will not be considered sole proof of custody.

Caretakers for a Child

SEMMCHRA Policy

The approval of a caretaker is at the owner and PHA's discretion and subject to the owner and PHA's screening criteria. If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions.

(1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

(2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases the PHA will extend the caretaker's status as an eligible visitor.

(3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.

(4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. ANTICIPATING ANNUAL INCOME

The PHA is required to count all income "anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date" [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- The PHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHAs are required to use HUD's Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows PHAs to use tenant-provided documents (pay stubs) dated within 120 days of the date received by the PHA to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where the PHA does not determine it is necessary to obtain additional third-party data. The PHA may also accept a statement dated within the appropriate benefit year for income sources.

SEMMCHRA Policy

When EIV is obtained and the family does not dispute the EIV employer data, the PHA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, the PHA will make every effort to obtain current and consecutive pay stubs dated within the last ~~60~~ 120 days.

The PHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

If EIV or other UIV data is not available,

If the family disputes the accuracy of the EIV employer data, and/or

If the PHA determines additional information is needed.

In such cases, the PHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the PHA annualized projected income.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

When the PHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the PHA to show why the historic pattern does not represent the family's anticipated income.

Known Changes in Income

If the PHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

Example: An employer reports that a full-time employee who has been receiving $8/hour will begin to receive $8.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows: ($8/hour × 40 hours × 7 weeks) + ($8.25 × 40 hours × 45 weeks).

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the PHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the PHA's policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within ~~the last~~ ~~60~~ 120 days of the date received by the PHA. ~~reexamination interview date.~~ Statements dated within the appropriate benefit year will be accepted for fixed income sources.

Projecting Income

In HUD's EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

***Wages and Related Compensation** [24 CFR 5.609(a); Notice PIH 2023-27; Notice PIH 2024-38]*

The earned income of each member of the family who is 18 years of age or older, or who is the head of household or spouse/cohead regardless of age, is included in annual income. Income received as a day laborer or seasonal worker is also included in annual income, even if the source, date, or amount of the income varies [24 CFR 5.609(b)(24) as updated for HOTMA].

Earned income means income or earning from wages, tips, salaries, other employee compensation, and net income from self-employment. Earned income does not include any pension or annuity, transfer payments (meaning payments made or income received in which no goods or services are being paid for, such as welfare, social security, and governmental subsidies for certain benefits), or any cash or in-kind benefits [24 CFR 5.100 as updated for HOTMA].

A *day laborer* is defined as an individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future [24 CFR 5.603(b) as updated for HOTMA]. Income earned as a day laborer is not considered nonrecurring income.

A *seasonal worker* is defined as an individual who is hired into a short-term position (e.g., for which the customary employment period for the position is six months or fewer) and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for the particular employer or industry [24 CFR 5.603(b) as updated for HOTMA]. Some examples of seasonal work include employment limited to holidays or agricultural seasons. Seasonal work may include but is not limited to employment as a lifeguard, ballpark vendor, or snowplow driver [Notice PIH 2023-27]. Income earned as a seasonal worker is not considered nonrecurring income.

~~The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].~~

SEMMCHRA Policy

The PHA will include in annual income the gross amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation.

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, the PHA will use the prior year amounts. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer. The file will be documented appropriately.

Some Types of Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted ~~[24 CFR 5.609(b)(8)]~~ except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [~~24 CFR 5.609(c)(7)~~24 CFR 5.609(b)(11) as updated for HOTMA].

Types of Earned Income Not Counted in Annual Income

Earnings of a Minor [24 CFR 5.609(b)(3) as updated for HOTMA]

A minor is a member of the family, other than the head of household or spouse, who is under 18 years of age. Employment income earned by minors is not included in annual income. All other sources of unearned income, except those specifically excluded by the regulations, are included.

Earned Income of Full-Time Students [24 CFR 5.609(b)(14) as updated for HOTMA]

The earned income of a dependent full-time student in excess of the amount of the dependent deduction is excluded from annual income. All sources of unearned income, except those specifically excluded by the regulations, are included.

A family member other than the head of household or spouse/cohead is considered a full-time student if they are attending school or vocational training on a full-time basis [24 CFR 5.603(b)]. Full-time status is defined by the educational or vocational institution the student is attending [New PH OCC GB, *Lease Requirements,* p.5].

Income of a Live-in Aide

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(~~e~~b)(~~5~~8) as updated for HOTMA]. (See Eligibility chapter for a full discussion of live-in aides.)

~~***Certain Earned Income of Full-Time Students***~~

~~Earnings in excess of $480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].~~

***Temporary, Nonrecurring, or Sporadic Income* [24 CFR 5.609(c)(9)]**

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

SEMMCHRA Policy

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

Children's Earnings

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

Income Earned under Certain Federal Programs

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

Resident Service Stipend

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed $200 per individual per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

State and Local Employment Training Programs

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

SEMMCHRA Policy

The PHA defines *training program* as "a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual's ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education" [expired Notice PIH 98-2, p. 3].

The PHA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member's welfare assistance and earnings reported on the family's most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements.

HUD-Funded Training Programs

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

SEMMCHRA Policy

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

Earned Income Tax Credit

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee's payroll check.

6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

[24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16~~]~~;
Notice PIH 2023-27

HOTMA removed the statutory for the EID. The EID is available only to families that are eligible for and participant in the program as of December 31, 2023, or before, no new may be added on or after January 1, 2024. If a family is receiving the EID prior to or on the effective date of December 31, 2023, they are entitled to the full amount of the benefit for a full 24-month period. The policies below are applicable only to such families. No family will still be receiving the EID after December 31, 2025. The EID will sunset on January 1, 2026, and the PHA policies below will no longer be applicable as of that date or when the last qualifying family exhausts their exclusion period, whichever is sooner.

~~The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.~~

~~**Eligibility**~~

~~This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:~~

- ~~Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage~~.
- ~~Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].~~
- ~~New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least $500.~~

Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with their "baseline income." The

family member's baseline income is their income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that they are participating in the EID.

Calculation Method

Initial 12-Month Exclusion

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

SEMMCHRA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

SEMMCHRA Policy

During the second 12-month exclusion period, the PHA will exclude 50 percent of any increase in income attributable to new employment or increased earnings.

Lifetime Limitation

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance. The EID will sunset on January 1, 2026. In no circumstances will a family member's exclusion period continue past January 1, 2026.

6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]

~~**Business Expenses**~~

~~Net income is "gross income less business expense" [HCV GB, p. 5-19].~~

Annual income includes "the net income from the operation of a business or profession. *Net income* is gross income minus business expenses that allows the business to operate. *Gross income* is all income amounts received into the business, prior to the deduction of business expenses.

Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family" ~~[24 CFR 5.609(b)(2)]~~.

SEMMCHRA Policy

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

Independent Contractors

Income received as an independent contractor is included in annual income, even if the source, date, or amount of the income varies [24 CFR 2.609(b)(24) as updated for HOTMA].

An *independent contractor* is defined as an individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code federal income tax requirements and whose earnings are consequently subject to the self-employment tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done [24 CFR 5.603(b) as updated for HOTMA]. This may include individuals such as third-party delivery and transportation service providers and "gig workers" like babysitters, landscapers, rideshare drivers, and house cleaners. Income earned as an independent contractor is not considered nonrecurring income.

Business Expansion

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

SEMMCHRA Policy

Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a

business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

SEMMCHRA Policy

Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

SEMMCHRA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of $2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

SEMMCHRA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

6-I.G. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]

Introduction

The treatment of student financial assistance depends on the HUD program, student/household characteristics, and the type of financial assistance received by the student. For public housing residents, all income received under Title IV of the HEA must be excluded from income. Other student financial assistance may be included depending on the students actual covered cost to for Section 8 programs, including HCV, however, for over 10 years HUD appropriations have included a provision that for Section 8 students who are 23 and under and without dependent children, any amounts received in excess of tuition and any other required fees and charges must be considered income. Under HOTMA, HUD has interpreted this limitation to apply when the student is the head of household or spouse, but not when the student resides with their parents [71 FR 18146].

For any funds from a year where HUD's appropriations continue to include this Section 8 student financial assistance limitation, if the student does not reside with their parents is the head of household, cohead, or spouse, and is under the age of 23 or without dependent children, then both the assistance received under Title IV HEA and other student financial assistance received by the student is included as income to the extent that it exceeds the total of tuition and any other required fees and charges.

In contrast, student financial assistance received a Section8 student who is the head of household, spouse, or cohead, and is over the age of 23 with dependent children, or a student who resides with their parents in a Section 8 unit, is governed by the HOTA student rule, which is described below.

During years in which an appropriations act does not contain this Section 8 student financial assistance limitation (or any other such limitation), then the determination of student financial assistance for all Section 8 students defaults to the methodology for public housing.

HOTMA Student Financial Assistance Requirements [24 CFR 5.609(b)(9)]

The regulations under HOTMA distinguish between two categories of student financial assistance paid to both full-time and part-time students. The first category is any assistance to students under section 479B of the Higher Education Act of 1965 (Title IV of the HEA) which must be excluded from the family's annual income [24 CFR 5.609(b)(9)(i)]. Examples of assistance under title IV of the HEA include:

- Federal Pell Grants;
- Teach Grants;
- Federal Work Study Programs;

- Federal Perkins Loans;
- Income earned in employment and training programs under section 134 of the Workforce Innovation and Opportunity Act (WIOA); or
- Bureau of Indian Affairs/Education student assistance programs
  - The Higher Education Tribal Grant
  - The Tribally Controlled College or Universities Grant Program

The second category is any other gran-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institute of higher education (not otherwise excluded by the Federally mandated income exclusions) [24 CFR 5.609(b)(9)(ii)]. Other student financial assistance received by the student that, either by itself or in combination with HEA assistance, exceeds the actual covered costs is included in income.

Actual covered costs area defined as the actual costs of:

- Tuition, books, and supplies
  - Including supplies and equipment to support students with learning disabilities or other disabilities
- Room and board; and
- Other fees required and charged to a student by the education institution.

For a student who is not the head of household or spouse/cohead, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

Further, to qualify, other student financial assistance must be expressly:

- For tuition, books, supplies, room and board, or other fees required and charged to the student by the educational institution;
- To assist a student with the cost of higher education; or
- To assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the education institution and not residing in an assisted unit.

The student financial assistance may be paid directly to the student or to the educational institution on the student's behalf. However, any student financial assistance paid to the student must be verified by the PHA.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The financial assistance must be a grant or scholarship received from:

- The Federal government;
- A state tribal or local government;
- A private foundation registered as a nonprofit;
- A business entity (such as corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- An institution of higher education.

Student financial assistance, does not include:

- Financial support provided to the student in the form of a fee for services performed; (e.g. a work study or teaching fellowship that is not excluded under section 479B of the Higher Education Act HEA);
- Gifts, including gifts from family or friends; or
- Any amount of scholarship or grant that, either by itself or in combination with assistance excluded under the HEA, exceeds the actual covered costs of the student.

Calculating Income from Student Financial Assistance [HOTMA Student Financial Assistance Resource Sheet; Notice PIH 2023-27]

There are two steps required as part of the calculation for Section 8 students. First, determine the student's relationship to the household, age, and whether they have dependent children. Second, calculate whether any excess student financial assistance should be included in the family's income.

If the student does not live with their parents and is the head of household, cohead, or spouse, and is 23 or younger or does not have dependent children, then Title IV HEA assistance is considered when determining the student's total financial aid amount. Subtract the total tuition plus required fees and charges from the total student financial assistance (Title IV HEA assistance and any other student financial assistance). If the total tuition plus required fees and charges is zero or exceeds the amount of total financial assistance from all sources, then no student financial assistance is included in annual income. Any amount of student financial assistance that exceeds the total tuition plus required fees and charges must be included in annual income.

If the student either lives with their parents or is over 23 with dependent children, then the calculation will use the HOTMA methodology for calculating financial assistance, which always begins with deducting the assistance received under 479B of the HEA from the total actual covered costs, because the 479B assistance is intended to pay the student's actual covered costs.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

When a student receives assistance from both Title IV of the HEA and from other sources, the assistance received under Title IV of the HEA must be applied to the student's actual covered costs first and then other student financial assistance is applied to any remaining actual covered costs. Once actual costs are covered, any remaining student financial assistance is considered income.

SEMMCHRA Policy

If the student does not live with their parents and is the head of household, cohead, or spouse, and is 23 or younger or does not have dependent children, then Title IV HEA assistance will be considered when determining the student's total financial assistance to be included in annual income. The PHA will use Notice PIH 2015-21 as a guide to determine the total amount of the student's tuition plus required fees and charges. The PHA will subtract the total tuition plus required fees and charges from the total student financial assistance. If the result is zero or exceeds the amount of total financial assistance from all sources, then no student financial assistance will be included in annual income. Any amount of student financial assistance that exceeds the total tuition plus required fees and charges will be included in annual income.

Example 1

- Tuition and required fees and charges: $20,000
- Title IV HEA assistance: $10,000
- Other student financial assistance: $15,000
- Total student financial assistance: $10,000 + $15,000 = $25,000
- Included income: $25,000 in financial assistance - $20,000 tuition and required fees = $5,000

If a student is head, spouse, or cohead, and is over 23 with dependent children or lives with their parents, the following applies:

If a student only receives financial assistance under Title IV of the HEA and does not receive any other student financial assistance, the PHA will exclude the full amount of the assistance received under Title IV from the family's annual income. The PHA will not calculate actual covered costs in this case.

If the student does not receive any assistance under Title IV of the HEA but does receive assistance from another source, the PHA will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). The PHA will then subtract the total amount of the student's financial assistance from the student's actual covered costs. The PHA will include any amount of financial assistance in excess of the student's actual covered costs in the family's annual income.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Example 1

- Actual covered costs: $20,000
- Other student financial assistance: $25,000
- Excluded income: $20,000 ($25,000 in financial assistance - $20,000 in actual covered costs)
- Included income: $5,000

When a student receives assistance from both Title IV of the HEA and from other sources, the PHA will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). The assistance received under Title IV of the HEA will be applied to the student's actual covered costs first and then the other student financial assistance will be applied to any remaining actual covered costs.

If the amount of assistance excluded under Title IV of the HEA equals or exceeds the actual covered costs, none of the assistance included under other student financial assistance" would be excluded from income.

Example 2

- Actual covered costs: $25,000
- Title IV HEA assistance: $26,000
- Title IV HEA assistance covers the students entire actual covered costs.
- Other Student Financial Assistance: $5,000
- Excluded income: The entire Title IV HEA assistance of $26,000
- Included income: All other financial assistance of $5,000

If the amount of assistance excluded under Title IV of the HEA is less than the actual covered costs, the PHA will exclude the amount of other student financial assistance up to the amount of the remaining actual covered costs.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Example 3

- Actual covered costs: $22,000
- Title IV HEA assistance: $15,000
- The remaining amount not covered by Title IV HEA assistance is $7,000 ($22,000 in actual covered costs - $15,000 in Title IV HEA assistance).
- Other Student Financial Assistance: $5,000
- $7,000 in remaining actual covered costs - $5,000 in other financial assistance
- Excluded income: $15,000 entire amount of the Title IV HEA Assistance + $5,000 in other financial assistance
- Included income: $0

Example 4

- Actual covered costs: $18,000
- Title IV HEA Assistance: $15,000
- The remaining amount not covered by Title IV HEA assistance is $3,000 ($18,000 in actual covered costs - $15,000 in Title IV HEA Assistance)
- Other student Financial Assistance: $5,000
- When other student financial assistance is applied, financial assistance exceeds actual covered costs by $2,000 ($3,000 in actual covered costs - $5,000 in other financial assistance).
- Included income: $2,000 (the amount by which the financial aid exceeds the student's actual covered costs).

6-I.H. PERIODIC PAYMENTS [Notice PIH 2023-27]

Periodic payments are forms of income received on a regular basis. ~~HUD regulations specify periodic payments that are and are not included in annual income.~~

Income that will not be repeated beyond the coming year (i.e., the 12 months following the effective date of the certification), based on information provided by the family, is considered nonrecurring income and is excluded from annual income. Income that has a discrete end date and will not be repeated beyond the coming year is excluded from a family's annual income because it is nonrecurring income. For example, a family receives income from a guaranteed

© Copyright 2025 Nan McKay & Associates, Inc.

income program in their city that has a discrete beginning and end date. While the guaranteed income will be repeated in the coming year, it will end before the family's next annual reexamination. This income is fully excluded from annual income.

However, this does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly). Unemployment income and other types of periodic payments are not considered nonrecurring income, unless explicitly excluded from income under 25 CFR 5.609(b) as updated for HOTMA, and thus they are included in annual income.

Insurance payments and settlements for personal or property losses, including but not limited to payments under health insurance, motor vehicle insurance, and workers' compensation, are excluded from annual income. Any workers' compensation is always excluded from annual income, regardless of the frequency or length of the payments.

Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

Lump-Sum Payments for the Delayed Start of a Periodic Payment [24 CFR 5.609(b)(16) as updated for HOTMA]

Deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs (VA) disability benefits that are received in a lump sum amount or in prospective monthly amounts are excluded from annual income.

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic Social Security or Supplemental Security Income (SSI) payments are not counted as income. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [24 CFR 5.609(c)(14)].

SEMMCHRA Policy

The PHA will include in annual income lump sums received as a result of delays in processing periodic payment (other than those specifically excluded by the regulation), such as unemployment or welfare assistance.

When a delayed-start payment is received that is to be included and the family reports this during the period in which the PHA is processing an annual reexamination, the PHA will adjust the family's rent retroactively for the period the payment was intended to cover. and reported during the period in which the PHA is processing an annual

~~reexamination, the PHA will adjust the family share and PHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the PHA.~~

If the delayed-start payment is received outside of the time the PHA is processing an annual reexamination, then the PHA will consider whether the amount meets the threshold to conduct an interim reexamination. If so, the PHA will conduct an interim in accordance with PHA policies in Chapter 9. If not, the PHA will consider the amount when processing the family's next annual recertification.

Retirement Accounts [24 CFR 5.609(b)(26) as updated for HOTMA; Notice 2023-27]

Income received from any account under a retirement plan recognized as such by the IRS, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals is not considered actual income from assets.

However, any distribution of periodic payments from such accounts is included in annual income at the time they are received by the family.

An asset moved to a retirement account held by a member of the family is not considered to be an asset disposed of for less than fair market value.

Social Security Benefits [Notice PIH 2023-27]

The PHA is required to use the gross benefit amount to calculate annual income from Social Security benefits.

Annually in October, the Social Security Administration (SSA) announces the cost-of-living adjustment (COLA) by which federal Social Security and SSI benefits are adjusted to reflect the increase, if any, in the cost of living. The federal COLA does not apply to state-paid disability benefits. Effective the day after the SSA has announced the COLA, PHAs are required to factor in the COLA when determining Social Security and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1 or later of the upcoming year [Notice PIH 2023-27]. When a family member's benefits are garnished, levied, or withheld to pay restitution, child support, tax debt, student loan debt, or other debts, the PHA must use the gross amount of the income, prior to the reduction, to determine a family's annual income.

SEMMCHRA Policy

Annual income includes "all amounts received," not the amount that a family may be legally entitled to receive but which they do not receive. When the SSA overpays an individual, resulting in a withholding or deduction from their benefit amount until the overpayment is paid in full, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount.

Treatment of Overpayment Deductions from Social Security Benefits

The PHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from their benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2018-24].

Applying SSA COLA to Current Annual and Interim Reexaminations

Effective the day after SSA has announced the COLA, PHAs are required to factor in the COLA when determining Social Security and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1st or later of the upcoming year [Notice PIH 2018-24].

Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2012-1].

  SEMMCHRA Policy

  The PHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].

- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].

- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].

- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.

- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.H.) [24 CFR 5.609(c)(14)].

- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [24 CFR 5.609(c)(14)].

6-I.I. NONRECURRING INCOME [24 CFR 5.609(b)(24) as updated for HOTMA and Notice PIH 2023-27]

Nonrecurring income, which is income that will not be repeated beyond the coming year (e.g., 12 months following the effective date of the certification) based on information provided by the family, is excluded from annual income. The PHA may accept a self-certification from the family stating that the income will not be repeated in the coming year. See Chapter 7 for PHA policies related to verification of nonrecurring income.

Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income as nonrecurring income, even if the source, date, or amount of the income varies.

Income that has a discrete end date and will not be repeated beyond the coming year during the family's upcoming annual reexamination period will be excluded from a family's annual income as nonrecurring income. This exclusion does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly).

Income amounts excluded under this category may include, but are not limited to:

- Nonrecurring payments made to the family or to a third party on behalf of the family to assist with utilities;
- Payments for eviction prevention;
- Security deposits to secure housing;
- Payments for participation in research studies (depending on the duration); and
- General one-time payments received by or on behalf of the family.

Nonrecurring income that is excluded under the regulations includes:

- Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment [24 CFR 5.609(b)(24)(i) as updated for HOTMA].
- Direct federal or state payments intended for economic stimulus or recovery [24 CFR 5.609(b)(24)(ii) as updated for HOTMA].
- Amounts directly received by the family as a result of state refundable tax credits or state or federal tax refunds at the time they are received [24 CFR 5.609(b)(24)(iii) and (iv) as updated for HOTMA].
- Gifts for holidays, birthdays, or other significant life events or milestones (e.g., wedding gifts, baby showers, anniversaries) [24 CFR 5.609(b)(24)(v) as updated for HOTMA].
- Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization [24 CFR 5.609(b)(24)(vi) as updated for HOTMA]. When calculating annual income, PHAs are prohibited from assigning monetary value to such non-

monetary in-kind donations received by the family [Notice PIH 2023-27]. Non-recurring, non-monetary in-kind donations from friends and family are excluded as non-recurring income. However, the value of regular in-kind donations (such as the value of groceries) received by friends and family are included.

- Lump-sum additions to net family assets, including but not limited to lottery or other contest winnings [24 CFR 5.609(b)(24)(vii) as updated for HOTMA].

6-I.J. STATE PAYMENTS TO ALLOW INDIVIDUALS WITH DISABILITIES TO LIVE AT HOME [24 CFR 5.609(b)(19) as updated for HOTMA]

Payments made by or authorized by a state Medicaid agency (including through a managed care entity) or other state or federal agency to an assisted family to enable a member of the assisted family who has a disability to reside in the family's assisted unit are excluded.

Authorized payments may include payments to a member of the assisted family through state Medicaid-managed care systems, other state agencies, federal agencies, or other authorized entities.

The payments must be received for caregiving services a family member provides to enable another member of the assisted family who has a disability to reside in the family's assisted unit. Payments to a family member for caregiving services for someone who is not a member of the assisted family (such as for a relative that resides elsewhere) are not excluded from income.

Furthermore, if the agency is making payments for caregiving services to the family member for an assisted family member and for a person outside of the assisted family, only the payments attributable to the caregiving services for the caregiver's assisted family member would be excluded from income.

6-I.K. CIVIL RIGHTS SETTLEMENTS [24 CFR 5.609(b)(25) as updated for HOTMA; FR Notice 2/14/23]

Regardless of how the settlement or judgment is structured, civil rights settlements or judgments, including settlements or judgments for back pay, are excluded from annual income. This may include amounts received because of litigation or other actions, such as conciliation agreements, voluntary compliance agreements, consent orders, other forms of settlement agreements, or administrative or judicial orders under the Fair Housing Act, Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act (Section 504), the Americans with Disabilities Act, or any other civil rights or fair housing statute or requirement.

While these civil rights settlement or judgment amounts are excluded from income, the settlement or judgment amounts will generally be counted toward the family's net family assets (e.g., if the funds are deposited into the family's savings account or a revocable trust under the control of the family or some other asset that is not excluded from the definition of *net family assets*). Income generated on the settlement or judgment amount after it has become a net family asset is not excluded from income. For example, if the family received a settlement or back pay and deposited the money in an interest-bearing savings account, the interest from that account would be income at the time the interest is received.

Unlimited copies may be made for internal use.

Furthermore, if a civil rights settlement or judgment increases the family's net family assets such that they exceed the HUD-published threshold amount ($50,000 for 2024, and $51,600 for 2025), then income will be imputed on the net family assets pursuant to 24 CFR 5.609(a)(2). If the imputed income, which HUD considers unearned income, increases the family's annual adjusted income by 10 percent or more, then an interim reexamination of income will be required unless the addition to the family's net family assets occurs within the last three months of the family's income certification period and the PHA or owner chooses not to conduct the examination.

6-I.L. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME [24 CFR 5.609(b) as updated for HOTMA; FR Notice 1/31/2024]

Other exclusions contained in 24 CFR 5.609(b) as updated for HOTMA and FR Notice 1/31/2024 that have not been discussed earlier in this chapter include the following:

- Payments received for the care of foster children or foster adults or state or tribal kinship or guardianship care payments [24 CFR 5.609(b)(4) as updated for HOTMA].
- Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation [24 CFR 5.609(b)(5) as updated for HOTMA]. However, periodic payments paid at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that are received in lieu of wages are included in annual income [Notice PIH 2023-27].
- Amounts received by the family that are specifically for, or in reimbursement of, the cost of health and medical care expenses for any family member [24 CFR 5.609(b)(6) as updated for HOTMA].
- Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family becoming disabled [24 CFR 5.609(b)(7) as updated for HOTMA].
- Income and distributions from any Coverdell education savings account under Section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under Section 529 of such Code [24 CFR 5.609(b)(10) as updated for HOTMA].
- Income earned by government contributions to, and distributions from, "baby bond" accounts created, authorized, or funded by federal, state, or local government [24 CFR 5.609(b)(10) as updated for HOTMA].
- The special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11) as updated for HOTMA].
- Payments related to aid and attendance under 38 U.S.C. 1521 to veterans in need of regular aid and attendance [24 CFR 5.609(b)(17) as updated for HOTMA]. This income exclusion applies only to veterans in need of regular aid and attendance and not to other beneficiaries of the payments, such as a surviving spouse [Notice PIH 2023-27].

- Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (e.g., proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car) [24 CFR 5.609(b)(20) as updated for HOTMA]. The loan borrower or co-borrower must be a member of the family for this income exclusion to be applicable [Notice PIH 2023-27].
- Payments received by tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other federal law [24 CFR 5.609(b)(21) as updated for HOTMA]. Generally, payments received by tribal members in excess of the first $2,000 of per capita shares are included in a family's annual income for purposes of determining eligibility. However, as explained in Notice PIH 2023-27, payments made under the Cobell Settlement, and certain per capita payments under the recent Tribal Trust Settlements, must be excluded from annual income.
- Replacement housing "gap" payments made in accordance with 49 CFR Part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments [24 CFR 5.609(b)(23) as updated for HOTMA].
- Income earned on amounts placed in a family's Family Self-Sufficiency account [24 CFR 5.609(b)(27) as updated for HOTMA].
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (e.g., special equipment, clothing, transportation, childcare, etc.) and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(12)(ii) as updated for HOTMA].
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(b)(12)(i) as updated for HOTMA].
- Amounts received under a resident service stipend not to exceed $200 per month. A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development [24 CFR 5.600(b)(12)(iii) as updated for HOTMA].
- Payments received by tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other federal law [24 CFR 5.609(b)(21) as updated for HOTMA]. Generally, payments received by tribal members in excess of the first $2,000 of per capita shares are included in a family's annual income for purposes of determining eligibility. However, as explained in Notice PIH 2023-27, payments made under

the Cobell Settlement, and certain per capita payments under the recent Tribal Trust Settlements, must be excluded from annual income.

- Replacement housing "gap" payments made in accordance with 49 CFR Part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments [24 CFR 5.609(b)(23) as updated for HOTMA].
- Income earned on amounts placed in a family's Family Self-Sufficiency account [24 CFR 5.609(b)(27) as updated for HOTMA].
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (e.g., special equipment, clothing, transportation, childcare, etc.) and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(12)(ii) as updated for HOTMA].
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(b)(12)(i) as updated for HOTMA].
- Amounts received under a resident service stipend not to exceed $200 per month. A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development [24 CFR 5.600(b)(12)(iii) as updated for HOTMA].
- Incremental earnings and benefits to any family member resulting from participation in qualifying training program funded by HUD or in qualifying federal, state, tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program unless those amounts are excluded under 24 CFR 5.609(b)(9)(i) [24 CFR 5.609(b)(12)(iv) as updated for HOTMA].

  SEMMCHRA Policy

  The PHA defines *training program* as "a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual's ability to obtain employment. It may have performance standards to measure proficiency. Training may include but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education" [expired Notice PIH 98-2, p. 3].

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The PHA defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3-4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member's welfare assistance and earnings reported on the family's most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements (see Chapter 9).

- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(b)(20) as updated for HOTMA].
- Amounts that HUD is required by federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(b) as updated for HOTMA apply. HUD will publish a notice in the *Federal Register* to identify the benefits that qualify for this exclusion. Updates will be published when necessary [24 CFR 5.609(b)(22) as updated for HOTMA].

  HUD publishes an updated list of these exclusions periodically. The most recent list of exclusions was published in the *Federal Register* on January 31, 2024. It includes:

  (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b)). This exclusion also applies to assets.

~~6-I.I. PAYMENTS IN LIEU OF EARNINGS~~

~~Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)~~

~~6-I.J. WELFARE ASSISTANCE~~

~~Overview~~

~~Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].~~

~~Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]~~

~~The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.~~

Covered Families

The families covered by 24 CFR 5.615 are those "who receive welfare assistance or other public assistance benefits ('welfare benefits') from a State or other public agency ('welfare agency') under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance" [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family's welfare income because the family commits fraud or fails to comply with the agency's economic self-sufficiency program or work activities requirement, the PHA must include in annual income "imputed" welfare income. The PHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

SEMMCHRA Policy

The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts

The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

SEMMCHRA Policy

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the PHA. For contributions that may vary from month to month (e.g., utility payments), the PHA will include an average amount based upon past history.

6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9); Notice PIH 2015-21]

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9); FR 4/10/06; Notice PIH 2015-21]

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.

Unlimited copies may be made for internal use.

- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition and fees* are defined in the same manner in which the Department of Education defines *tuition and fees* [Notice PIH 2015-21].
  - This is the amount of tuition and required fees covering a full academic year most frequently charged to students.
  - The amount represents what a typical student would be charged and may not be the same for all students at an institution.
  - If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an academic year is used to estimate average tuition.
  - Required fees include all fixed-sum charges that are required of a large proportion of all students. Examples include, but are not limited to, writing and science lab fees and fees specific to the student's major or program (i.e., nursing program).
  - Expenses related to attending an institution of higher education must **not** be included as tuition. Examples include, but are not limited to, room and board, books, supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed-sum charges.

Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]

- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of $480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]

6-I.~~G~~M. ASSETS [24 CFR 5.609(b)(3); 24 CFR 5.603(b)]

Overview

There is no asset limitation for participation in the HCV program. However, HUD requires that the PHA include in annual income the anticipated "interest, dividends, and other net income of any kind from real or personal property" [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, the PHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of *net family assets*. This section begins with a discussion of general policies related to assets and then provides HUD rules and PHA policies related to each type of asset.

Optional policies for family self-certification of assets are found in Chapter 7.

General Policies

Income from Assets

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

SEMMCHRA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family's anticipated asset income.

Valuing Assets

The calculation of asset income sometimes requires the PHA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

  SEMMCHRA Policy

  Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

Lump-Sum ~~Receipts~~ to Net Family Assets [24 CFR 5.609(b)(24)(viii) as updated for HOTMA; Notice PIH 2023-27]

The regulations exclude income from lump-sum additions to family assets, including lottery or other contest winnings as a type of nonrecurring income.

In addition, lump sums from insurance payments, settlements for personal or property losses, and recoveries from civil actions or settlements based on claims of malpractice, negligence, or other breach of duty owed to a family member arising out of law that resulted in a member of the family becoming a family member with a disability are excluded from income.

Further, deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts are also excluded from income.

However, these amounts may count toward net family assets. The PHA must consider any actual or imputed returns from assets as income at the next applicable income examination. In the case where the lump sum addition to assets would lead to imputed income, which is unearned income, that increases the family's annual adjusted income by 10 percent or more, then the addition of the lump sum to the family's assets will trigger an immediate interim reexamination of income in accordance with Chapter 9. This reexamination of income must take place as soon as the lump sum is added to the family's net family assets unless the addition takes place in the last three months of family's income certification period and the PHA chooses not to conduct the examination.

For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.

SEMMCHRA Policy

Any lump-sum receipts are only counted as assets if they are retained by a family in a form recognizable as an asset. [RHIIP FAQs]. For example, if the family receives a $1,000 lump sum for lottery winnings, and the family immediately spends the entire amount, the lump sum will not be counted toward net family assets.

~~Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking~~

~~account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)~~

Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]

When net family assets are $5,000 or less, the PHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of $5,000, the PHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by an average passbook savings rate as determined by the PHA.

- Note: The HUD field office no longer provides an interest rate for imputed asset income. The "safe harbor" is now for the PHA to establish a passbook rate within 0.75 percent of ~~the Savings National Rate~~ a national average.
- The PHA must review its passbook rate annually to ensure that it remains within 0.75 percent of the national average ~~Savings National Rate~~.

  SEMMCHRA Policy

  The PHA initially set the imputed asset passbook rate at the national rate~~Savings National Rate~~ established by the Federal Deposit Insurance Corporation (FDIC).

  The PHA will review the passbook rate annually. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate~~Savings National Rate~~. If it is no longer within 0.75 percent of the national rate ~~Savings National Rate~~, the passbook rate will be set at the current national rate ~~Savings National Rate~~.

  The effective date of changes to the passbook rate will be determined at the time of the review.

Determining Actual Anticipated Income from Assets

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

Withdrawal of Cash or Liquidation of Investments

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement investment plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement investment plan.

Jointly Owned Assets

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes "amounts derived (during the 12-month period) from assets to which any member of the family has access."

SEMMCHRA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the PHA will count the full value of the asset. A family member has unrestricted access to an asset when they can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the PHA will prorate the asset evenly among all owners.

Assets Disposed of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The *HCV Guidebook* permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

SEMMCHRA Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than $1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

SEMMCHRA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Unlimited copies may be made for internal use.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

SEMMCHRA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

SEMMCHRA Policy

In determining the value of checking account and savings accounts, the PHA will use a 3 month average for checking accounts and the current balance for savings accounts.

In determining the anticipated income from an interest-bearing checking or savings account, the PHA will multiply the value of the account by the current rate of interest paid on the account.

ABLE Accounts [24 CFR 5.609(b)(10) as updated for HOTMA; Notice PIH 2019-09]

An Achieving a Better Life Experience (ABLE) account is a type of tax-advantaged savings account that an eligible individual can use to pay for qualified disability expenses. Section 103 of the ABLE Act mandates that an individual's ABLE account (specifically, its account balance, contributions to the account, and distributions from the account) is excluded when determining the designated beneficiary's eligibility and continued occupancy under certain federal means-tested programs. The PHA must exclude the entire value of the individual's ABLE account from the household's assets. Distributions from the ABLE account are also not considered income. However, all wage income received, regardless of which account the money is paid to, is included as income.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

SEMMCHRA Policy

In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known.

For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings).

When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.

Equity in Real Property or Other Capital Investments

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

SEMMCHRA Policy

In determining the equity, the PHA will determine market value by examining the most recent tax statement.

The PHA will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, the PHA will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income **except** for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b), Notice PIH 2012-3]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

The PHA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value minus the balance of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

SEMMCHRA Policy

For the purposes of calculating expenses to convert to cash for real property, the PHA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

SEMMCHRA Policy

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless the PHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

***Trusts** [24 CFR 5.609(b)(2) as updated for HOTMA]*

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

The basis for determining how to treat trusts relies on information about who has access to either the principal in the account or the income from the account. There are two types of trusts, *revocable* and *irrevocable*.

When the creator sets up an *irrevocable trust*, the creator has no access to the funds in the account. Typically, special needs trusts are considered irrevocable. Irrevocable trusts not under the control of any member of the family are excluded from net family assets. The value of the trust continues to be excluded from net family assets so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household [24 CFR 5.603(b)(4) as updated for HOTMA]. Further, where an irrevocable trust is excluded from net family assets, the PHA must not consider actual income earned by the trust (e.g., interest earned, rental income if property is held in the trust) for so long as the income from the trust is not distributed.

A *revocable trust* is a trust that the creator of the trust may amend or end (revoke). When there is a revocable trust, the creator has access to the funds in the trust account.

- A revocable trust that is under the control of the family is included in net family assets when the grantor is a member of the assisted family. If a revocable trust is included in the calculation of net family assets, then the actual income earned by the revocable trust is also included in the family's income. For example, interest earned or rental income if the property is held in the trust. The PHA must calculate imputed income on the revocable trust if net family assets are more than the HUD-published threshold amount, which is adjusted annually and listed in HUD's Inflation Adjusted Values tables ($50,000 for 2024, and $51,600 for 2025), and actual income from the trust cannot be calculated (e.g., if the trust is comprised of farmland that is not in use).
- A revocable trust that is not under the control of the family is excluded from net family assets. This happens when a member of the assisted family is the beneficiary of a revocable trust, but the grantor is not a member of the assisted family. In this case the beneficiary does not "own" the revocable trust, and the value of the trust is excluded from net family assets.

Unlimited copies may be made for internal use.

For the revocable trust to be considered excluded from net family assets, no family or household member may be the account's trustee.

For both irrevocable and revocable trusts, if the value of the trust is not considered part of net family assets, then distributions from the trust are treated as follows:

- All distributions from the trust's principal are excluded from income.
- Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal), are included as income unless the distribution is used to pay for the health and medical expenses for a minor.

~~*Revocable Trusts*~~

~~If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.~~

~~*Nonrevocable Trusts*~~

~~In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)~~

Retirement Accounts

Company Retirement/Pension Accounts

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, the PHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

IRA, Keogh, and Similar Retirement Savings Accounts

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

Personal Property

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

SEMMCHRA Policy

In determining the value of personal property held as an investment, the PHA will use the family's estimate of the value. The PHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family's estimated value is off by $50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

SEMMCHRA Policy

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

Life Insurance

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

6-I.N. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those "who receive welfare assistance or other public assistance benefits ('welfare benefits') from a State or other public agency ('welfare agency') under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance" [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family's welfare income because the family commits fraud or fails to comply with the agency's economic self-sufficiency program or work activities requirement, the PHA must include in annual income "imputed" welfare income. The PHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.O. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

PHA Policy

The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

> 5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:
>
> (1) $480 for each dependent;
>
> (2) $400 for any elderly family or disabled family;
>
> (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
>
> (i) Unreimbursed medical expenses of any elderly family or disabled family;
>
> (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
>
> (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

SEMMCHRA Policy

Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., childcare during school and non-school periods and cyclical medical expenses), the PHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the PHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The PHA may require the family to provide documentation of payments made in the preceding year.

6-II.B. DEPENDENT DEDUCTION

An allowance of $480 is deducted from annual income for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of $400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. HEALTH AND MEDICAL CARE EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i) and 5.603(b) as updated for HOTMA]

Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The health and medical care expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of *Medical Expenses*

HUD regulations define *health and medical care expenses* at 24 CFR 5.603(b) (as updated for HOTMA) to mean 'any costs incurred in the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body. Health and medical care expenses include medical insurance premiums and long-term care premiums that are paid or anticipated during the period for which annual income is computed." Health and medical care expenses may be deducted from annual income only if they are eligible under this definition and not otherwise reimbursed. ~~"medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance."~~

Although HUD revised the definition of *health and medical care expenses* to reflect the Internal Revenue Service (IRS) general definition of medical expenses, HUD is not permitting PHAs to specifically align their policies to IRS Publication 502. PHAs must review each expense to determine whether it is eligible in accordance with HUD's definition. While PHA policies may not specifically align with IRS Publication 502, HUD recommends PHAs use it as a standard for determining allowable expenses, and the PHA may list examples of allowable expenses in their policy provided they comply with HUD's definition at 24 CFR 5.603 as updated for HOTMA. The PHA may not define *health and medical care expenses* more narrowly than the regulation.

SEMMCHRA Policy

The PHA will use the most current IRS Publication 502 as a standard for determining if expenses claimed by eligible families qualify as health and medical care expenses. However, under no circumstances will the PHA deduct any expenses listed in IRS Publication 502 that do not conform with UD's definition of *health and medical care expenses.* ~~*Medical and Dental Expenses,* will be used as a reference to determine the costs that qualify as medical expenses.~~

Summary of Typical Allowable Health and Medical Care Expenses ~~from IRS Publication 502~~	
Services of medical professionals Surgery and medical procedures that are necessary, legal, non-cosmetic Services of medical facilities Hospitalization, long-term care, and in-home nursing services Prescription medicines and insulin, but not nonprescription medicines even if recommended by a doctor Improvements to housing directly related to medical needs (e.g., ramps for a wheel chair, handrails) Medical insurance premiums or the cost of a health maintenance organization (HMO) Medicare Part B & Part D premiums Substance abuse treatment programs	Psychiatric treatment Ambulance services and some costs of transportation related to medical expenses. The PHA will use the most current medical mileage rate listed in IRS Publication 502. The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth) ~~Cost and continuing care of necessary service animals~~ The costs of buying, training, and maintaining a guide dog or other service animal to assist a visually impaired or hearing disabled person, or a person with other physical disabilities. In general, this includes any costs, such as food, grooming, and veterinary care, incurred in maintaining the health and vitality of the service animal so that it may perform its duties.
Note: This chart provides a summary of eligible health and medical care expenses only. In all cases, the PHA will consider whether health and medical expenses care expensed claimed by the family are eligible under HUD's definition. ~~Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source~~.

Families That Qualify for Both Health and Medical Care and Disability Assistance Expenses

SEMMCHRA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either health and medical care or disability assistance expenses, the PHA will consider them health and medical care expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of "earned income received by family members who are 18 years of age or older and who are able to work" because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

SEMMCHRA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family's request, the PHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When the PHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members' incomes.

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: "Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work" [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

SEMMCHRA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

Eligible Attendant Care

The family determines the type of attendant care that is appropriate for the person with disabilities.

SEMMCHRA Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the PHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

SEMMCHRA Policy

The PHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the PHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and the PHA will consider, the family's justification for costs that exceed typical costs in the area.

Families That Qualify for Both Medical and Disability Assistance Expenses

SEMMCHRA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as "amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income."

Clarifying the Meaning of *Child* for This Deduction

Childcare expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, childcare expenses for foster children that are living in the assisted family's household are included when determining the family's childcare expenses [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

SEMMCHRA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a childcare deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, the PHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

SEMMCHRA Policy

If the childcare expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the childcare expense being allowed by the PHA.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Furthering Education

SEMMCHRA Policy

If the childcare expense being claimed is to enable a family member to further their education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the childcare claimed.

Being Gainfully Employed

SEMMCHRA Policy

If the childcare expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers their education, there is no cap on the amount that may be deducted for childcare – although the care must still be necessary and reasonable. However, when childcare enables a family member to work, the deduction is capped by "the amount of employment income that is included in annual income" [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work ~~is a person with disabilities who receives the earned income disallowance (EID) or~~ is a full-time student whose earned income above $480 is excluded, childcare costs related to enabling a family member to work may not exceed the portion of the person's earned income that actually is included in annual income. ~~For example, if a family member who qualifies for the EID makes $15,000 but because of the EID only $5,000 is included in annual income, childcare expenses are limited to $5,000.~~

The PHA must not limit the deduction to the least expensive type of childcare. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

SEMMCHRA Policy

When the childcare expense being claimed is to enable a family member to work, only one family member's income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable childcare expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the childcare expense deduction because there is an adult family member in the household that may be available to provide childcare [VG, p. 26].

Allowable Child Care Activities

SEMMCHRA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of childcare.

The costs of general housekeeping and personal services are not eligible. Likewise, childcare expenses paid to a family member who lives in the family's unit are not eligible; however, payments for childcare to relatives who do not live in the unit are eligible.

If a childcare provider also renders other services to a family or childcare is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to childcare for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the childcare provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Childcare expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further their education, and (2) the family certifies, and the childcare provider verifies, that the expenses are not paid or reimbursed by any other source.

SEMMCHRA Policy

Childcare expenses will not be considered for transportation time required for the eligible activity.

PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between $0 and $50 that is established by the PHA
- ~~The alternative non-public housing rent for non-public housing over-income (NPHOI) families (in public housing only)~~

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

SEMMCHRA Policy

Welfare rent does not apply in this locality.

Minimum Rent [24 CFR 5.630]

SEMMCHRA Policy

The minimum rent for this locality is $50.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. ~~The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)~~ (For a discussion of the application of payment standards, see section 6-III.C.)

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

PHA Subsidy [24 CFR 982.505(b)]

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

SEMMCHRA Policy

The PHA will make utility reimbursements to the family.

The PHA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is $15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. The PHA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create a financial hardship.

SEMMCHRA Policy

The PHA will issue all utility reimbursements monthly.

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

SEMMCHRA Policy

The financial hardship rules described below apply in this jurisdiction because the PHA has established a minimum rent of $50.

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

SEMMCHRA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

SEMMCHRA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

SEMMCHRA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

SEMMCHRA Policy

The PHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

SEMMCHRA Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption Assume the PHA has established a minimum rent of $50.	
Family Share – No Hardship	**Family Share – With Hardship**
$0 30% of monthly adjusted income	$0 30% of monthly adjusted income
$15 10% of monthly gross income	$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
$50 Minimum rent	$50 Minimum rent
Minimum rent applies. TTP = $50	Hardship exemption granted. TTP = $15

SEMMCHRA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

SEMMCHRA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

SEMMCHRA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

SEMMCHRA Policy

The hardship period ends when any of the following circumstances apply:

(1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.

(2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a $60/month child support payment, the hardship will continue to exist until the family receives at least $60/month in income from another source or once again begins to receive the child support.

(3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505(c); ~~982.503(b)~~Notice PIH-2024-34]

Overview

The PHA's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the PHA's payment standards. The establishment and revision of the PHA's payment standard schedule are covered in Chapter 16.

Payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family [24 CFR 982.505(c)(1)].

If the PHA has established an exception payment standard for a designated part of an ~~zip code area or~~ FMR area in accordance with 24 CFR 982.503 and a family's unit is located in the ~~exception~~ designated area, the PHA must use the appropriate payment standard for the exception area [24 CFR 982.505(c)(2)].

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When the PHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations. Regulations governing increases and decreases in the payment standard have changed, with a required compliance date of December 3, 2024.

Decreases [24 CFR 982.505(c)(3) and Notice PIH 2024-34]

For new HAP contracts, the PHA applies the payment standard in effect at the time of HAP contract execution.

The PHA must administer decreases in the payment standard amount for the family in accordance with the PHA policy as described in the administrative plan and apply the policy consistently to all families.

If a PHA changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, the PHA is not required to reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16].

Changes effective 12/2/24 and earlier: If the PHA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount.

Changes effective 12/3/24 and later: ~~However, i~~If the PHA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than two years following the effective date of the decrease in the payment standard and only with proper written notice to the family in accordance with 24 CFR 982.505(c)(3)(iii). ~~family's second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, the PHA may either reduce the payment standard to the current amount in effect on the PHA's payment standard schedule, or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. The PHA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).~~

At that point, the PHA may either reduce the payment standard to the current amount in effect on the PHA's payment standard schedule or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. The PHA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).

In any case, the PHA must provide the family with at least 12 months' notice that the payment standard is being reduced before the effective date of the change. In the written notice, the PHA must state the new payment standard amount, explain that the family's new payment standard amount will be the greater of the amount listed in the current written notice or the new amount (if any) on the PHA's payment standard schedule at the end of the 12-month period, and make clear where the family will find the PHA's payment standard schedule. The PHA's policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

SEMMCHRA Policy

If a PHA changes its payment standard schedule resulting in a lower payment standard amount, during the term of a HAP contract, the PHA will not reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect.

The PHA will not establish different policies for decreases in the payment standard for designated areas within their jurisdiction.

Increases **[24 CFR 982.505(c)(4) and Notice PIH 2024-34]**

For new HAP contracts, the PHA applies the payment standard in effect at the time of HAP contract execution.

Changes effective 12/2/24 and earlier: If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing

assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

Changes effective 12/3/24 and later: If the payment standard is increased during the term of the HAP contract, the increased payment standard will be applied no later the earlier of:

- The effective date of an increase in the gross rent that would result in an increase in the family share;
- The family's first regular or interim reexamination; or
- One year following the effective date of the increase in the payment standard amount.

The PHA may adopt a policy to apply a payment standard increase at any time earlier than the date calculated above as long as the policy is included in the administrative plan and applied consistently to all families [24 CFR 982.505(c)(5)].

SEMMCHRA Policy

The PHA will not adopt payment standard increases earlier than the date required by regulations.

Changes in Family Unit Size (Voucher Size) **[24 CFR 982.505(c)(6) and Notice PIH 2024-34]**

Changes effective 12/2/24 and earlier: Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

Changes effective 12/3/24 and later: Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size may be used to determine the payment standard immediately but no later than the family's first regular reexamination following the change in the family unit size.

SEMMCHRA Policy

If the family unit size (voucher size) changes during the term of a HAP contract, the new family's unit size will be used to determine the payment standard at the family's first regular reexamination following the change in family unit size.

Moves

If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

Reasonable Accommodation [24CFR 982.503(d)(5)]

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment

standard for the family of not more than 120 percent of the published FMR without HUD approval or prior notification to HUD. A PHA may establish a payment standard greater than 120 percent of the applicable FMR as a reasonable accommodation in accordance with 24 CFR part 8, after requesting and receiving HUD approval. 6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. A family's utility allowance is determined by the size of dwelling unit leased by a family or the voucher unit size for which the family qualifies using PHA subsidy standards, whichever is the lowest of the two. See Chapter 5 for information on the PHA's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

Flat Fees [24 CFR 982.517(b)(2)(iii)]

The PHA may base it's utility allowance payment on actual flat fees charged by an owner for utilities that are billed directly by the owner, but only if the flat fee charged by the owner is no greater than the PHA's applicable utility allowance for the utilities covered by the fee. If the owner charges a flat fee for some but not all utilities, the PHA must pay a separate allowance for any tenant-paid utilities not covered in the flat fee.

SEMMCHRA Policy

The PHA will not base utility allowance payment on flat fees charged by the owner.

PBV Developments [24 CFR 982.517(b)(2)(iv)]

If a tenant-based voucher holder resides in a project with project-based voucher (PBV) units and the PBV units use a site-specific utility allowance in accordance with PBV regulations, the PHA must use the project-specific utility allowance schedule.

Reasonable Accommodation and Individual Relief

On request from a family that includes a person with disabilities, the PHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)]. (See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

Further, the PHA may grant requests for individual relief from charges in excess of the utility allowance on reasonable grounds, such as special factors not within control of the resident, as the PHA deems appropriate. The family must request the higher allowance and provide the PHA an explanation of the need for individual relief and an explanation about the amount of additional allowance required [see HCV GB, p. 18-8].

PHAs should develop criteria for granting individual relief, notify residents about the availability of individual relief, and notify participants about the availability of individual relief programs (sometimes referred to as "Medical Baseline discounts") offered by the local utility company.

SEMMCHRA Policy

The family must request the higher allowance and provide the PHA with information about the amount of additional allowance required.

The PHA will consider the following criteria as valid reasons for granting individual relief:

The family's consumption was mistakenly portrayed as excessive due to defects in the meter or errors in the meter reading.

The excessive consumption is caused by a characteristic of the unit or owner-supplied equipment that is beyond the family's control, such as particularly inefficient refrigerator or inadequate insulation. The allowance should be adjusted to reflect the higher consumption needs associated with the unit until the situation is remedied. The resident should be granted individual relief until the allowance is adjusted.

The excessive consumption is due to special needs of the family that are beyond their control, such as the need for specialized equipment in the case of a family member who is ill, elderly, or who has a disability.

In determining the amount of the reasonable accommodation or individual relief, the PHA will allow a reasonable measure of additional usage as necessary. To arrive at the amount of additional utility cost of specific equipment, the family may provide information from the manufacturer of the equipment, or the family or PHA may conduct an internet search for an estimate of usage or additional monthly cost.

Information on reasonable accommodation and individual relief for charges in excess of the utility allowance will be provided to all families at admission as part of the information on payment standards and utility allowances in the briefing packet. The PHA will also provide information on utility relief programs or medical discounts (sometimes referred to as "Medical Baseline discounts") that may be available through local utility providers.

At its discretion, the PHA may reevaluate the need for the increased utility allowance at any regular reexamination.

If the excessive consumption is caused by a characteristic of the unit or PHA-supplied equipment that is beyond the family's control, such as a particularly inefficient refrigerator or inadequate insulation, the individual relief to the resident will cease when the situation is remedied.

Utility Allowance Revisions

At reexamination, the PHA must use the current utility allowance schedule [HCV GB, p. 18-8].

SEMMCHRA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at $500 and two of four family members are ineligible, the PHA subsidy would be reduced to $250.

EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) *Annual income means all amounts, monetary or not, which:*

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) *Annual income includes, but is not limited to:*

Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31[1]; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

[1] Text of 45 CFR 260.31 follows.

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

EXHIBIT 6-~~5~~4: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) *Definitions.* The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) *Imputed welfare income.*

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

© Copyright 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) *Review of PHA decision.*

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) *PHA relation with welfare agency.*

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall

be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

Chapter 7.A.

VERIFICATION

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2018-18]

INTRODUCTION

Prior to the PHA's HOTMA compliance date, the PHA will follow policies as outlined in this chapter. Upon the PHA's HOTMA compliance date, the PHA will follow policies as outlined in Chapter 7.B.

The PHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in Notice PIH 2018-18 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. Part II provides more detailed requirements related to family information. Part III provides information on income and assets, and Part IV covers mandatory deductions.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230; and Notice PIH 2023-27]

Consent Forms

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551]. ~~It is required that~~ Aall adult members must sign consent forms as needed to collect information relevant to the family's eligibility and level of assistgance. ~~applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.~~While PHAs must use form HUD-9886-A, this form does not release all the information necessary to the administration of

the program. The PHA must also develop its own release forms to cover all other necessary information.

Form HUD 9886-A [24 CFR 5.230(b)(1), b(2), (c)(4), and (c)(5); and Notice PIH 2023-27]

All adult applicants and participants sign form HUD-9886-A, Authorization for Release of Information. All adult family members (and the head and spouse/cohead, regardless of age) are required to sign the Form HUD-9886-A at admission. Participants, prior to January 1, 2024, signed and submitted Form HUD-9886 at each annual reexamination. HOTMA eliminated this requirement and instead required that the Form HUD-9886-A be signed only once. On or after January 1, 2024 (regardless of the PHA's HOTMA compliance date), current program participants must sign and submit a new Form HUD-9886-A at their next interim or annual reexamination. This form will only be signed once. Another Form HUD-9886-A will not be submitted to the PHA except under the following circumstances:

- When any person 18 years or older becomes a member of the family;
- When a current member of the family turns 18; or
- As required by HUD or the PHA in administrative instructions.

The PHA has the discretion to establish policies around when family members must sign consent forms when they turn 18. PHAs must establish these policies stating when family members will be required to sign consent forms at intervals other than at reexamination.

SEMMCHRA Policy

Family members turning 18 years of age between annual recertification will be notified in writing that they are required to sign the required Consent to the Release of Information Form HUD-9886-A within 10 business days of turning 18 years of age.

The purpose of form HUD-9886-A is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA).

The PHA may obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the PHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits [24 CFR 5.230(c)(4)].

The executed form will remain effective until the family is denied assistance, assistance is terminated, or the family provides written notification to the PHA to revoke consent.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

Use of Other Programs' Income Determinations [24 CFR 5.609(c)(3) and Notice PIH 2023-27]

PHAs may, but are not required to, determine a family's annual income, including income from assets, prior to the application of any deductions, based on income determinations made within the previous 12-month period, using income determinations from means-tested federal public assistance programs. PHAs are not required to accept or use determinations of income from other federal means-tested forms of assistance. If the PHA adopts a policy to accept this type of verification, the PHA must establish in policy when they will accept Safe Harbor income determination and from which programs. PHAs must also create policies that outline the course of action when families present multiple verifications from the same or different acceptable Safe Harbor programs.

Means-tested federal public assistance programs include:

- Temporary Assistance for Needy Families (TANF) (42 U.S.C. 601, et seq.);
- Medicaid (42 U.S.C. 1396 et seq);
- Supplemental Nutrition Assistance Program (SNAP) (42 U.S.C. 2011 et seq);
- Earned Income Tax Credit (EITC) (26 U.S.C. 32);
- Low-Income Housing Tax Credit (LIHTC) program (26 U.S.C. 42);
- Special Supplemental Nutrition Program for Woman, Infants, and Children (WIC) (42 U.S.C. 1786);
- Supplemental Security Income (SSI) (42 U.S.C. 1381 et seq.);
- Other program administered by the HUD Secretary;
- Other means-tested forms of federal public assistance for which HUD has established a memorandum of understanding; and
- Other federal benefit determinations made in other forms of means-tested federal public assistance that the Secretary determines to have comparable reliability and announces through the *Federal Register*.

If the PHA elects to use the annual income determination from one of the above-listed forms of means-tested federal public assistance, then they must obtain the income information by means of a third-party verification. The third-party verification must state the family size, must be for the entire family, and must state the amount of the family's annual income. The annual income need not be broken down by family member or income type. Annual income includes income earned from assets, therefore when using Safe Harbor to verify a family's income, PHAs will

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

neither further inquire about a family's net family assets, nor about the income earned from those assets, except with respect to whether or not the family owns assets that exceed the asset limitations in 24 CFR 5.618. The Safe Harbor documentation will be considered acceptable if any of the following dates fall into the 12-month period prior to the receipt of the documentation by the PHA:

- Income determination effective date;
- Program administrator's signature date;
- Family's signature date;
- Report effective date; or
- Other report-specific dates that verify the income determination date.

The only information that PHAs are permitted to use to determine income under this method is the total income determination made by the federal means-tested program administrator. Other federal programs may provide additional information about income inclusions and exclusions in their award letters; however, these determinations and any other information must not be considered by the PHA. PHAs are not permitted to mis and match Safe Harbor income determinations and other income verifications.

If the PHA is unable to obtain Safe Harbor documentation or if the family disputes the other program's income determination, the PHA must calculate the family's annual income using traditional methods as outlined in Notice PIH 2023-27 and this chapter.

IF the PHA uses a Safe Harbor determination to determine the family's income, the family is obligated to report changes in income that meets the PHAs reporting requirement and occur after the effective date of the transaction.

The amounts of unreimbursed reasonable attendant care expenses and childcare expenses deducted from a family's annual income, except for when a family is approved for a childcare expense hardship exemption, must still be capped by the amount earned by any family member who is enabled to work as a result of the expense. PHAs are therefore required to obtain third-party verification of the applicable employment income and cap the respective expense deductions accordingly.

> SEMMCHRA Policy
> When available and appliable, the PHA will accept other programs' Safe Harbor determinations of income at annual reexamination to determine the family total annual income. The PHA will still require third-party verification of all deductions such as the health and medical care expense or childcare expense deductions. Further, if the family is eligible for and claims the disability assistance expense or childcare expense deductions, where applicable, the PHA will obtain third-party verification of the amount of employment income of the individual(s) enabled to work in order to cap the respective expenses as required.

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Prior to using any Safe Harbor determinations from another program, the PHA will ask the family if they agree with the income amounts listed. If the family disputes the income amounts on the Safe Harbor determination, the PHA will obtain third-party verification of all sources of income and assets (as applicable).

The PHA will not accept other programs' determination of income for any new admission or interim reexamination.

With the exception of income determinations made under the Low-Income Housing Tax Credit (LIHTC) program, the PHA will accept Safe Harbor determinations from any of the programs listed above.

In order to be acceptable, the income determination must:

Be dated within 12 months of the dates listed above;

State the family size

Be for the entire family (i.e., the family members listed in the documentation must match the family's composition in the assisted unit, except for household members); and

Must state the amount of the family's annual income.

The determination need not list each source of income individually. If the PHA does not receive any acceptable income determination documentation or is unable to obtain documentation, then the PHA will revert to third-party verification of income for the family.

When families present multiple verifications from the same or different acceptable Safe harbor programs, the PHA will use the most recent income determination, unless the family presents acceptable evidence that the PHA should consider an alternative verification from a different Safe Harbor source.

When the PHA uses a Safe Harbor income determination from another program, and the family's income subsequently changes, the family is required to report the change to the PHA. Depending on when the change occurred, the change may or may not impact the PHA's calculation of the family's total annual income. Changes that occur between the time the PHA receives the Safe Harbor documentation, and the effective date of the family's annual reexamination will not be considered. If the family has a change in income that occurs after the annual reexamination effective date, the PHA will conduct an interim as outlined in Chapter 11. In this case, the PHA will use third-party verification to verify the change.

HUD's Verification Hierarchy [Notice PIH 2018-18]

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

In order of priority, the forms of verification that the PHA will use are:

- Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.

Requirements for Acceptable Documents

SEMMCHRA Policy

Any documents used for verification must be the original (~~or~~ not photocopies) ~~of the original~~ and generally must be dated within ~~60~~ 120 days of receipt by the PHA ~~request~~. The PHA will determine, at its sole discretion, whether a photocopy is sufficient or the original is required. Statements dated within the appropriate benefit year are acceptable for fixed sources of income. The documents must not appear to be damaged, altered or in any way illegible.

Printouts from webpages are considered original documents.

The PHA staff member who views the original document must make a photocopy.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

File Documentation

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

SEMMCHRA Policy

The PHA will document, in the family file, the following:

Reported family annual income

Value of assets

Expenses related to deductions from annual income

Other factors influencing adjusted income

When the PHA is unable to obtain third-party verification, the PHA will document in the family file the reason that third-party verification was not available [24 CFR 982.516(a)(2); Notice PIH 2018-18].

7-I.C. UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to the PHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA.

See Chapter 6 for the PHA's policy on the use of UIV/EIV to project annual income.

Upfront Income Verification Using HUD's Enterprise Income Verification (EIV) System (Mandatory)

PHAs must use HUD's EIV system in its entirety as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with 24 CFR 5.236 and administrative guidance issued by HUD. However, the PHA is not required to verify income information in EIV at annual reexam when Safe Harbor verification is used to determine a family's income [Notice PIH 2023-27]. The EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. The following policies apply to the use of HUD's EIV system.

EIV Income and IVT Reports

The data shown on income and income validation tool (IVT) reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

SEMMCHRA Policy

The PHA will obtain income and IVT reports for annual reexamination on a monthly basis. ~~and review EIV Income and IVT reports on a monthly~~ basis. ~~The EIV~~ Reports will be generated as part of the regular reexamination process.

~~EIV~~ Income and IVT reports will be compared to family-provided information as part of the annual reexamination process. ~~EIV~~ Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. ~~EIV~~ Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

Income and IVT reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify earned income, and to verify and calculate unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

~~EIV~~ Income and IVT reports will be retained in participant files with the applicable annual or interim reexamination documents.

When the PHA determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

However, the PHA will not use income information in EIV at annual reeam when Safe Harbor verification is used to determine a family's income.

Unlimited copies may be made for internal use.

EIV Identity Verification

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

PHAs are required to use EIV's *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2018-18].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

SEMMCHRA Policy

The PHA will identify participants whose identity verification has failed by reviewing EIV's *Identity Verification Report* on a monthly basis.

The PHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist due to PHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

Upfront Income Verification Using Non-HUD Systems (Optional)

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

SEMMCHRA PHA Policy

The PHA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

HUD's EIV system

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD's current verification hierarchy defines two types of written third-party verification. The more preferable form, "written third-party verification," consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a "written third-party verification form." This is a standardized form used to collect information from a third party.

Written Third-Party Verification [Notice PIH 2018-18]

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

Written, third-party verification includes an original or authentic document generated by a third-party source dated within 120 days of the date received by the PHA [Notice 2023-27].

PHAs may accept a statement dated within the appropriate benefit year for fixed income sources [Notice PIH 2023-27].

SEMMCHRA Policy

Third-party documents provided by the family must be dated within ~~60~~ 120 days of the PHA request date. The PHA will accept a statement dated within the appropriate benefit year for fixed income sources.

If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation.

As verification of earned income, the PHA will require the family to provide the most current six weeks of consecutive pay stubs. At the PHA's discretion, if additional paystubs are needed due to the family's circumstances (e.g., sporadic income, fluctuating schedule, etc.), the PHA may request additional paystubs or a payroll record.

Unlimited copies may be made for internal use.

Written Third-Party Verification Form

When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD's position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

PHAs may mail, fax, or email third-party written verification form requests to third-party sources.

SEMMCHRA Policy

The PHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the PHA.

Oral Third-Party Verification [Notice PIH 2018-18]

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

SEMMCHRA Policy

In collecting third-party oral verification, PHA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the PHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

Unlimited copies may be made for internal use.

When Third-Party Verification is Not Required [Notice PIH 2018-18]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

SEMMCHRA Policy

If the family cannot provide original documents, the PHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

Imputed Assets

HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

SEMMCHRA Policy

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

Value of Assets and Asset Income [24 CFR 982.516(a)]

For families with net assets totaling $5,000 or less, the PHA may accept the family's declaration of asset value and anticipated asset income. However, the PHA is required to obtain third-party verification of all assets regardless of the amount during the intake process and at least every three years thereafter.

SEMMCHRA Policy

For families with net assets totaling $5,000 or less, the PHA will accept the family's self-certification of the value of family assets and anticipated asset income when applicable. The family's declaration must show each asset and the amount of income expected from that asset. All family members 18 years of age and older must sign the family's declaration.

The PHA will use third-party documentation for assets as part of the intake process, whenever a family member is added to verify the individual's assets, and every three years thereafter.

Unlimited copies may be made for internal use.

7-I.E. SELF-CERTIFICATION

When HUD requires third-party verification, self-certification or "tenant declaration," is used as a last resort when the PHA is unable to obtain third-party verification.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total $5,000 or less and the PHA has adopted a policy to accept self certification at annual recertification, when applicable
- The PHA has adopted a policy to implement streamlined annual recertifications for fixed sources of income (See Chapter 11)

When the PHA was required to obtain third-party verification but instead relies on a tenant declaration for verification of income, assets, or expenses, the family's file must be documented to explain why third-party verification was not available.

SEMMCHRA Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

SEMMCHRA Policy

The PHA will require families to furnish verification of legal identity for each household member.

Verification of Legal Identity for Adults	Verification of Legal Identity for Children
Certificate of birth, naturalization papers Church issued baptismal certificate Current, valid driver's license or Department of Motor Vehicles identification card U.S. military discharge (DD 214) Current U.S. passport Current government employer identification card with picture	Certificate of birth Adoption papers Custody agreement Health and Human Services ID Certified school records

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA's discretion, a third party who knows the person may attest to the person's identity. The certification must be provided in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the PHA has reason to doubt the identity of a person representing themselves to be a participant.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216, Notice PIH 2018-24]

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change their declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

While PHAs must attempt to gather third-party verification of SSNs prior to admissions as listed above, PHAs also have the option of accepting a self-certification and a third-party document (such as a bank statement, utility or cell phone bill, or benefit letter) with the applicant's name printed on it to satisfy the SSN disclosure requirement if the PHA has exhausted all other attempts to obtain the required documentation. If verifying an individual's SSN using this method, the PHA must document why the other SSN documentation was not available [Notice PIH 2023-27].

SEMMCHRA Policy

The PHA will verify an individual's SSN in the situation described above using the method described above as a last resort when no other forms of verification of the individual's SSN are available.

The PHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document or if the original document has been altered, mutilated, is illegible, or appears to be forged.

SEMMCHRA Policy

The PHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The PHA must grant one additional 90-day extension if it determines that the applicant's failure to comply was due to circumstances that were beyond the applicant's control and could not have been reasonably foreseen.

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

SEMMCHRA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will terminate the individual's assistance.

If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of voucher issuance, an otherwise eligible family may be admitted to the program and the family must provide documentation of the child's SSN within 90 days of the effective date of the initial HAP contract. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control.

SEMMCHRA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the applicant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When a participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

SEMMCHRA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

SEMMCHRA Policy

The PHA will verify each disclosed SSN by:

Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Once the individual's verification status is classified as "verified," the PHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

SEMMCHRA Policy

Once an individual's status is classified as "verified" in HUD's EIV system, the PHA will not remove and destroy copies of documentation accepted as evidence of social security numbers.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

SEMMCHRA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously assisted occupancy.

7-II.D. FAMILY RELATIONSHIPS

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

SEMMCHRA Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

Marriage

SEMMCHRA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Separation or Divorce

SEMMCHRA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to provide documentation of the divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member

SEMMCHRA Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill), if the PHA so requests.

Foster Children and Foster Adults

SEMMCHRA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

SEMMCHRA Policy

The PHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

The family reports full-time student status for an adult other than the head, spouse, or cohead.

The family reports childcare expenses to enable a family member to further their education.

The family includes a student enrolled in an *institution of higher education.*

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

SEMMCHRA Policy

In accordance with the verification hierarchy described in section 7-1.B, the PHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in section 3-II.E.

The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the PHA cannot verify at least one of these exemption criteria, the PHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, the PHA will then proceed to verify either the student's parents' income eligibility (see section 7-III.J) or the student's independence from their parents (see below).

© Copyright ~~2022~~ ~~2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Independent Student

SEMMCHRA Policy

The PHA will verify a student's independence from their parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

Either reviewing and verifying previous address information to determine whether the student has established a household separate from their parents for at least one year, or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Reviewing the student's prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is $0, except in cases in which the PHA determines that the student is a *vulnerable youth* (see section 3-II.E)

7-II.F. DOCUMENTATION OF DISABILITY

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at http://www.hhs.gov/ocr/privacy/.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Family Members Receiving SSA Disability Benefits

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

SEMMCHRA Policy

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

Family Members Not Receiving SSA Disability Benefits

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403.

SEMMCHRA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

SEMMCHRA Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

Eligible Immigrants

Documents Required

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

PHA Verification [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.

7-II.H. VERIFICATION OF PREFERENCE STATUS

The PHA must verify any preferences claimed by an applicant that determined placement on the waiting list.

SEMMCHRA Policy

The PHA will verify any preferences claimed by an applicant at the time of application.

For the domestic violence preference the PHA will refer to any reliable local source or agency it believes can reliably verify that the applicant is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, as described in Section 4-III.C. The PHA will also follow documentation requirements outlined in Section 16-IX.D.

For the preference of elderly/disabled the PHA will use the following: For verification of elderly the PHA will use proof of age; for disabled families the PHA will use receipt of SSDI, SSI or verification from a knowledgeable professional that the disabled applicant meets the HUD definition of disabled as it pertains to preferences and income.

For the preference of families with children the PHA will use birth certificates provided by the Head of Household and or the following: School records verifying the address and parental/guardianship of school age children; Court awarded custody agreement; and if required, family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships. However, the PHA reserves the right to request reasonable documentation if a relationship is unclear or has been misrepresented.

Residency Preference - To verify eligibility for a residency preference, the family must provide documentation definitively linking them to a job, place of residency (including

reliable temporary homeless shelter) in the SEMMCHRA jurisdiction; or qualifying educational enrollment or recent graduation in SEMMCHRA's jurisdiction which includes the six (6) county service areas, which includes Dodge, Fillmore, Goodhue, Houston, Wabasha, or Winona Counties (excluding the Cities of Red Wing and Winona). Recent graduation is defined as within 24 months of the application date.

A P.O Box address cannot be used to establish residency. Acceptable residency/employment documentation includes but is not limited to a lease which identifies the applicant(s) as the lease holder, utility bill(s) in the applicant(s) name, an offer of employment on employer's letterhead or other verifiable employer provided documentation. Applicant's work site must be located in the SEMMCHRA jurisdiction.

For the residency preference the PHA will verify through a current lease, or paystubs indicating the family lives, works or has been hired to work in the residency preference area. If a lease or paystubs are unavailable the PHA will use a written statement from a landlord, caseworker, or other reliable source.

For the preference of displacement due to rehabilitation or other displacement; the PHA will use documentation from the agency who displaced the family, or family provided documentation that the family was displaced due to their home or apartment building being substantially renovated; or evidence of federally declared disaster.

For the preference of veterans and military personnel the PHA will use proof of current military status or DD214.

For the homeless preference the PHA will use verification that a person is living in a place that is not intended for permit housing, (car, tent, park, etc.) or caseworker observation and proof that the applicant is living in a place not meant for human habitation. This includes verification that a person is living in a temporary housing shelter or; or is a person temporarily staying where the unit is too small to accommodate the family on a permanent basis, including current motel receipts.

PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

SEMMCHRA Policy

Unless tip income is included in a family member's W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

Wages

SEMMCHRA Policy

For wages other than tips, the family must provide originals including computer generated copies of six weeks of the most current, consecutive pay stubs.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

SEMMCHRA Policy

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

Social Security/SSI Benefits [Notice PIH 2018-24]

Verification requirements for Social Security (SS) and Supplemental Security Income (SSI) benefits differ for applicants and participants.

For applicants, since EIV does not contain SS or SSI benefit information, the PHA must ask applicants to provide a copy of their current SS and/or SSI benefit letter (dated within the last 60 calendar days) for each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the PHA should help the applicant request a benefit verification letter from SSA's website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The PHA must obtain the original benefit letter from the applicant, make a photocopy of the document for the file, and return the original to the family.

For participants, the PHA must obtain information through the HUD EIV system and confirm with the participants that the current listed benefit amount is correct.

> If the participant agrees with the amount reported in EIV, the PHA must use the EIV-reported gross benefit amount to calculate annual income from Social Security. PHAs are required to use the EIV-reported SS and SSI benefit amounts when calculating income unless the tenant disputes the EIV-reported amount. For example, an SSA benefit letter may list the monthly benefit amount as $450.80 and EIV displays the amount as $450.00. The PHA must use the EIV-reported amount unless the participant disputes the amount.
>
> If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in EIV, the PHA must request a current SSA benefit verification letter (dated within the last 60 calendar days) from each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the PHA should help the participant request a benefit verification letter from SSA's website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The PHA must obtain the original benefit letter from the participant, make a photocopy of the document for the file, and return the original to the family.

Photocopies of social security checks or bank statements are not acceptable forms of verification for SS/SSI benefits.

7-III.D. ALIMONY OR CHILD SUPPORT

SEMMCHRA Policy

The methods the PHA will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it ***receives regular payments***, verification will be obtained in the following order of priority:

Copies of the receipts and/or payment stubs for the 60 days prior to PHA request

Third-party verification form from the state or local child support enforcement agency

Third-party verification form from the person paying the support

Family's self-certification of amount received

If the family declares that it ***receives irregular or no payments***, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts

If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

Note: Families are not required to undertake independent enforcement action.

7-III.E. ASSETS AND INCOME FROM ASSETS

Assets Disposed of for Less than Fair Market Value

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

SEMMCHRA Policy

The PHA will verify the value of assets disposed of only if:

The PHA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a $10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this $10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately $5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

SEMMCHRA Policy

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income).

If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.G. RETIREMENT ACCOUNTS

SEMMCHRA Policy

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member's retirement status.

Before retirement, the PHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.

Upon retirement, the PHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.

After retirement, the PHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For fully excluded income, the PHA is **not** required to follow the verification hierarchy, document why third-party verification is not available, or report the income on the 50058. Fully excluded income is defined as income that is entirely excluded from the annual income determination (for example, food stamps, earned income of a minor, or foster care funds) [Notice PIH 2013-04].

PHAs may accept a family's signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, the PHA **is** required to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student, or income excluded under the earned income disallowance).

SEMMCHRA Policy

The PHA will accept the family's self-certification as verification of fully excluded income. The PHA may request additional documentation if necessary to document the income source.

The PHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

7-III.I. ZERO ANNUAL INCOME ~~STATUS~~ FAMILIES [Notice PIH 2023-27]

PHAs have discretion to establish reasonable procedures to manage the risk of unreported income, such as asking families to complete a zero-income worksheet at admission or periodically after admission to determine if they have any sources of unreported income or searching any UIV sources for unreported income.

In calculating annual income, PHAs must not assign monetary value to nonmonetary in-kind donations from a food bank or similar organization received by the family [24 CFR 5.609(b)(24)(vi)].

PHAs may accept a self-certification of zero income from the family without taking any additional steps to verify zero reported income. HUD does not require such self-certifications be notarized.

PHAs that perform zero income reviews must update local discretionary policies, procedures, and forms. Families who begin receiving income which does not trigger an interim reexamination should no longer be considered zero income even though the family's income is not reflected on the Form HUD-50058.

SEMMCHRA Policy

The PHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SS, SSI, earned income, child support, etc. ~~and earnings~~ are not being received by families claiming to have zero annual income.

The PHA will also require that each family member who claims zero income status complete a zero-income form. If any sources of income are identified on the form, the PHA will verify the income in accordance with the policies in this chapter prior to including the income in the family's annual income. The PHA will conduct interims in accordance with PHA policy in Chapter 11.

7-III.J. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9) as updated for HOTMA~~Notice PIH 2015-21~~]

The regulation under HOTMA distinguish between two categories of student financial assistance paid to both bull-time and part-time students. Any other gran-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institute of higher education not otherwise excluded by the federally mandated income exclusions are included [24 CFR 5.609(b)(9)(ii)].

~~Any financial assistance, in excess of amounts received for tuition, fees, and other required charges that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].~~

~~For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA would not be able to determine whether or to what extent the income is to be excluded (see section 7-III.H).~~

SEMMCHRA Policy

~~For a student subject to having a portion of their student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9),~~ ~~t~~The PHA will request written third-party verification of both the source and the amount of student financial assistance. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, unless the student's only source of assistance is assistance under Title IV of the HEA, the PHA will request written verification of the cost of the student's tuition, books, supplies, room and board,~~fees,~~ and other required fees and charges to the student from the educational institution.

If the PHA is unable to obtain third-party written verification of the requested information, the PHA will pursue other forms of verification following the verification hierarchy in section 7-I.B.

7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from their parents or a *vulnerable youth* in accordance with PHA policy [24 CFR 5.612, FR Notice 4/10/06, p. 18146, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

SEMMCHRA Policy

If the PHA is required to determine the income eligibility of a student's parents, the PHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). The PHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the PHA. The required information must be submitted (postmarked) within 10 business days of the date of the PHA's request or within any extended timeframe approved by the PHA.

The PHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. HEALTH AND MEDICAL CARE EXPENSE DEDUCTION

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

SEMMCHRA Policy

Health and ~~M~~medical care expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts.

The PHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The PHA will also accept evidence of monthly payments or total payments that will be due for health and medical care expenses during the upcoming 12 months.

Written third-party verification forms, if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, the PHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

Unlimited copies may be made for internal use.

Eligible Household

The health and medical care expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

Qualified Expenses

To be eligible for the health and medical care expenses deduction, the costs must qualify as health and medical care expenses. See Chapter 6 (6-II.D.) for the PHA's policy on what counts as a medical expense.

Unreimbursed Expenses

To be eligible for the healthy and medical care expenses deduction, the costs must not be reimbursed by another source.

SEMMCHRA Policy

The family will be required to certify that the health and medical care expenses are not paid or reimbursed to the family from any source. If health and medical care expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

Expenses Incurred in Past Years

SEMMCHRA Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, the PHA will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

7-IV.C. DISABILITY ASSISTANCE EXPENSES

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

Attendant Care

SEMMCHRA Policy

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or cancelled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Auxiliary Apparatus

SEMMCHRA Policy

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the PHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

Family Member is a Person with Disabilities

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work

The PHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

SEMMCHRA Policy

The PHA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

SEMMCHRA Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

7-IV.D. CHILD CARE EXPENSES

Policies related to childcare expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of childcare.
- The costs are reasonable.

Eligible Child

To be eligible for the childcare deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the childcare deduction, the costs must not be reimbursed by another source.

SEMMCHRA Policy

The family (and the care provider) will be required to certify that the childcare expenses are not paid or reimbursed to the family from any source.

Unlimited copies may be made for internal use.

Pursuing an Eligible Activity

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

SEMMCHRA Policy

Information to be Gathered

The PHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

Whenever possible the PHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the PHA will request family-provided verification from the agency of the member's job seeking efforts to date and require the family to submit to the PHA any reports provided to the other agency.

In the event third-party verification is not available, the PHA will provide the family with a form on which the family member must record job search efforts. The PHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education

The PHA will request third-party documentation to verify that the person permitted to further their education by the childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

Gainful Employment

The PHA will seek third-party verification of the work schedule of the person who is permitted to work by the childcare. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

Unlimited copies may be made for internal use.

Allowable Type of Child Care

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

SEMMCHRA Policy

The PHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).

The PHA will verify that the fees paid to the childcare provider cover only childcare costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

The PHA will verify that the childcare provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

Reasonableness of Expenses

Only reasonable childcare costs can be deducted.

SEMMCHRA Policy

The actual costs the family incurs will be compared with the PHA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

Chapter 8.A.

HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

INTRODUCTION

~~HUD requires that~~ Owners must maintain all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's in accordance with housing quality standards. Units assisted under the program must comply with HUD's Nationals Standards for the Physcial Inspection of Real Estate (NSPIRE) regulations and standards no later than October 1, 2025. Until such time, the PHA may continue using the HQS inspection standards. ~~Housing Quality Standards (HQS) National Standards for the Physical Inspection of Real Estate (NSPIRE) regulations and standards no later than October 1, 2024. The inspection performance standards and procedures for conducting NSPIRE inspections must be included in the administrative plan [Notice PIH 2023-28]and permits the PHA to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and PHA-established requirements.~~

All units must pass an HQS inspection prior to the approval of a lease ~~(with some exceptions)~~ and at least once every 24 months during the term of the contract, and at other times as needed, to determine that the unit meets ~~NSPIRE standards~~ HQS. HUD also requires PHAs to determine that rents for units under the program are reasonable when compared to comparable unassisted units in the market area.

~~Provided they meet certain requirements, HUD permits PHAs to establish some additional local requirements in their administrative plans. The use of the term NSPIRE in this plan refers to the combination of both HUD and PHA established requirements. However, state and local codes, compliance is not part of the determination of whether a unit passes the NSPIRE standards.~~

This chapter explains HUD and PHA requirements related to housing quality ~~physical inspection~~ and rent reasonableness as follows:

> Part I. Physical Standards. This part discusses the physical ~~NSPIRE~~ standards required of units occupied by HCV ~~and PBV~~-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies ~~affirmative habitability requirements for all units and~~ life-threatening conditions that must be addressed on an expedited basis ~~corrected in 24 hours.~~
>
> Part II. The Inspection Process. This part describes the types of inspections the PHA will make and the steps that will be taken when units do not meet ~~NSPIRE standards~~ HQS.
>
> Part III. Rent Reasonableness Determinations. This part discusses the policies the PHA will use to make rent reasonableness determinations.

Special ~~NSPIRE~~ HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction. ~~Special requirements for PBV and RAD PBV programs (if applicable) are discussed in Chapter 17 and 18, respectively.~~

NSPIRE and HQS

Even once the HQS inspection standard has sunset, the regulations at 24 CFR Part 982 and 983 governing the HCV and PBV programs will continue to use the terms *HQS* and *housing quality standards* rather than *NSPIRE.* This is because the definition of *housing quality standards (HQS)* at 24 CFR 982.4 means the minimum quality standards development by HUD in accordance with 24 CFR 5.703 for the HCV program, including any variations approved by HUD for the PHA. As such, the model policy uses the term *housing quality standards* whenever applicable regulations use this term. Except in the chapter describing HQS, the acronym *HQS* is not used in the model policy in order to avoid confusion between the umbrella term meaning housing standards and the specific inspection protocol. The model policy only uses the term *NSPIRE* when referring to specific NSPIRE standards.

PART I: PHYSICAL STANDARDS

8-I.A. GENERAL HUD REQUIREMENTS

HUD Performance and Acceptability Standards

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and ~~s~~Security
- Thermal ~~e~~Environment
- Illumination and electricity
- Structure and materials
- Interior ~~a~~Air ~~q~~Quality
- Water ~~s~~Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke ~~d~~Detectors

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

NSPIRE Standards Applicable to HQS [HUD Letter 6/14/24]

Even if the PHA is still under HQS inspection standard, the PHA must apply the following requirements under NSPIRE:

- The NSPIRE standards for carbon monoxide alarms are currently applicable even if the PHA has not yet transitioned to NSPIRE.
- PHAs are required to comply with the NSPIRE Smoke Alarm Standard prior to December 3, 2024; and
- The Visual Assessment Standard for Potential Lead-Based Paint Hazard in 24 CFR Part 35 Subparts M and H apply.

Tenant Preference Items

HUD requires the PHA to enforce minimum HQS but also recognizes that certain judgements about the acceptability of the unit are left to the family. For example, the PHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic appearance of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.

Modifications to Provide Accessibility

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest-bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. [24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

SEMMCHRA Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the PHA for review.

8-I.B. ADDITIONAL LOCAL REQUIREMENTS

The PHA may impose variations to the HQS as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choices for families. HUD approval is required for variations to the HQS. HUD approval is not required if the variations are clarification of HUD's acceptability criteria or performance standards [24 CFR 982.401 (a)(4)].

Thermal Environment [HCV GB p.10-7]

The PHA must define a "healthy living environment" for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

SEMMCHRA Policy

The heating system must be capable of maintaining an interior temperature of 65 degrees Fahrenheit between October 1 and May 1.

Clarifications of HUD Requirements

SEMMCHRA Policy

As permitted by HUD, the PHA has adopted the following specific requirements that elaborate on HUD standards.

Walls

In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

Windows

Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Window screens must be in good condition (applies only if screens are present).

Doors

All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

Floors

All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be resecured and made level. If they cannot be leveled, they must be replaced.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.

All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

Sinks

All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All sinks must have functioning stoppers.

Toilets

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

Security

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

8-I.C LIFE-THREATENING CONDITIONS [24 CFR 982.404(a); FR Notice 1/18/17]

HUD requires the PHA to define life-threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life-threatening conditions within 24 hours of PHA notification.

SEMMCHRA Policy

The following are considered life-threatening conditions:

Any condition that jeopardizes the security of the unit

Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling

Natural or LP gas or fuel oil leaks

A fuel storage vessel, fluid line, valve, or connection that supplies fuel to a HVAC unit is leaking or a strong odor is detected with potential for explosion or fire or that results in a health risk if inhaled

Any electrical problem or condition that could result in shock or fire

A light fixture is readily accessible, is not securely mounted to the ceiling or wall, and electrical connections or wires are exposed

A light fixture is hanging by its wires

A light fixture has a missing or broken bulb, and the open socket is readily accessible to the tenant during the day-to-day use of the unit

A receptacle (outlet) or switch is missing or broken and electrical connections or wires are exposed

An open circuit breaker position is not appropriately blanked off in a panel board, main panel board, or other electrical box that contains circuit breakers or fuses

A cover is missing from any electrical device box, panel box, switch gear box, control panel, etc., and there are exposed electrical connections

Any nicks, abrasions, or fraying of the insulation that exposes conducting wire

Exposed bare wires or electrical connections

Any condition that results in openings in electrical panels or electrical control device enclosures

Water leaking or ponding near any electrical device

Any condition that poses a serious risk of electrocution or fire and poses an immediate life-threatening condition

Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.

Utilities not in service, including no running hot water

Conditions that present the imminent possibility of injury

Obstacles that prevent safe entrance or exit from the unit

Any components that affect the function of the fire escape are missing or damaged

Stored items or other barriers restrict or prevent the use of the fire escape in the event of an emergency

The building's emergency exit is blocked or impeded, thus limiting the ability of occupants to exit in a fire or other emergency

Absence of a functioning toilet in the unit

Inoperable or missing smoke detectors

Missing or inoperable carbon monoxide detector

Missing, damaged, discharged, overcharged, or expired fire extinguisher (where required)

Gas/oil-fired water heater or heating, ventilation, or cooling system with missing, damaged, improper, or misaligned chimney venting

Unlimited copies may be made for internal use.

The chimney or venting system on a fuel-fired water heater is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting or gases

A gas dryer vent is missing, damaged, or is visually determined to be inoperable, or the dryer exhaust is not vented to the outside

A fuel-fired space heater is not properly vented or lacks available combustion air

A non-vented space heater is present

Safety devices on a fuel-fired space heater are missing or damaged

The chimney or venting system on a fuel-fired heating, ventilation, or cooling system is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting of gas

Deteriorating paint as defined at 24 CFR 35.110 in a unit built before 1978 that is to be occupied by a family with a child under six years of age if it would prevent the family from moving into the unit

If an owner fails to correct life-threatening conditions as required by the PHA, the PHA will enforce the HQS in accordance with HUD requirements. See 8-II-G.

If a family fails to correct a family-caused life-threatening condition as required by the PHA, the PHA will enforce the family obligations. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless the PHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]

The following is applicable to HAP contracts executed or renewed June 5, 2024, or earlier:

Family Responsibilities

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain appliances owned by the family
- Damage to the unit or premises caused by a household member or guest beyond ~~normal~~ ordinary wear and tear that results in a breach of the HQS. "~~*Normal*~~ *Ordinary wear and tear*" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

Owner Responsibilities

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation, the owner may take legal action to evict the family.

SEMMCHRA Policy

The owner is responsible for all housing quality violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

The owner will be required to repair an inoperable smoke detector unless the PHA determines that the family intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

If an owner failed to correct life-threatening conditions as required by the PHA, the PHA will enforce the housing quality standards in accordance with HUD requirements. See 8-II-G.

The following is applicable to HAP contract executed or renewed June 6, 2024, or later:

Owner Obligation

The owner must maintain the unit in accordance with housing quality standards. A unit is not in compliance with housing quality standards if the PHA or other inspector authorized by the state

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

or local government determines that the unit has housing quality standards deficiencies based upon an inspection, notifies the owner in writing of the deficiencies, and the deficiencies are not remedied within the appropriate time frame.

In the case of a housing quality standards deficiency that the PHA determines is caused by the tenant, any member of the household, or any guest or other person under the tenant's control (other than damage resulting from ordinary use), the PHA may waive the owner's responsibility to remedy the violation. The HAP to the owner may not be withheld or abated if the owner responsibility has been waived. However, if the family's actions constitute a serious or repeated lease violation, the owner may take legal action to evict the family. In addition, the PHA may terminate the family's assistance because of a housing quality standards breach (beyond damage resulting from ordinary use) caused by any member of the household, guest, or other person under the tenant's control.

SEMMCHRA Policy
The PHA will waive the owner's responsibility for housing quality standards deficiencies that have been determined to have been caused by the tenant, any member of the household, or any guest or other person under the tenant's control, to the extent the tenant can be held responsible for ensuring that the deficiencies are corrected: the tenant must take all necessary steps permissible under the lease and state and local law to remedy the deficiency. This may include paying the owner for the cost of the necessary repairs in accordance with the lease.

Family Responsibilities
The family may be held responsible for breach of housing quality standards caused by any of the following:

- Tenant-paid utilities not in service;
- Failure to provide or maintain appliances owned by the family; and
- Damage to the dwelling unit or premises caused by a household member or guest beyond ordinary wear and tear.

SEMMCHRA Policy
Damages beyond ordinary wear and tear will be considered to be damages which could be accessed against the security deposit under state law or in court practice.

If the PHA has waived the owner's responsibility to remedy the violation as outlined under the owner obligations above, the following applies:

- If the housing quality standards breach caused by the family is life-threatening, the family must take all steps permissible under the lease and state and local law to ensure the deficiency is corrected within 24 hours of notification.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- For other family-caused deficiencies, the family must take all steps permissible under the lease and state and local law to ensure the deficiency is corrected within 30 calendar days of notification (or any PHA-approved extension).

If the family has caused a breach of the HQS, the PHA must take prompt and vigorous action to enforce the family obligations. The PHA may terminate assistance for the family in accordance with 24 CFR 982.552.

8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL [24 CFR 35.1225; FR Notice 1/13/17; Notice PIH 2017-13]

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than six years of age, living in an HCV-assisted unit has been identified as having an elevated blood lead level, the PHA must complete an environmental investigation of the dwelling unit within 15 calendar days after being notified by a public health department or other medical health care provider. The environmental investigation must be completed in accordance with program requirements, and the result of the environmental investigation must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the environmental investigation report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330; 40 CFR 745.227]. If the owner does not complete the "hazard reduction" as required, the dwelling unit is in violation of HQS and the PHA will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an elevated blood lead level are discussed in Chapter 16.

8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.401, 24 CFR 982.403]

A dwelling unit must:

- Provide adequate space and security for the family
- Have at least one bedroom or living/sleeping room for each two persons

A unit that does not meet these HQS space standards is defined as *overcrowded*.

A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space [HCV GB p. 10-6]. A bedroom or living/sleeping room must have at least:

- One window
- Two electrical outlets in proper operating condition (permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets)

If the PHA determines that a unit is overcrowded because of an increase in family size or a change in family composition, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms.

PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

The PHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections*. The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program.
- ~~*Annual/Biennial*~~ *Periodic Inspections*. HUD requires the PHA to inspect each unit under lease at least annually or biennially, depending on PHA policy, to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
- ~~*Special*~~ *Interim Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.
- *Supervisory Quality Control Inspections.* HUD requires that a sample of units be inspected by a supervisor or other qualified individual to evaluate the work of the inspector(s) and to ensure that inspections are performed in compliance with the HQS.

Inspection of PHA-Owned Units [24 CFR 982.352(b)]

The PHA must obtain the services of an independent entity to perform all HQS inspections in cases where an HCV family is receiving assistance in a PHA-owned unit as defined in 24 CFR 982.4. ~~A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA).~~ The independent entity ~~agency~~ must communicate the results of each inspection to the family and the PHA. The independent agency must be approved by HUD and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government). The PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease. PHA-owned unit is freely selected by the family, without PHA pressure or steering.

For information on the inspection of PHA-owned units in the PBV program, see Chapters 17 and 18.

Unlimited copies may be made for internal use.

Inspection Costs [Notice PIH 2016-05; 24 CFR5.705(h)]

The PHA may not charge the family for unit inspections or reinspections [24 CFR 982.405(ge)]. In the case of inspections of PHA-owned units, the PHA may compensate the independent agency from ongoing administrative fees (including fees credited to the administrative fee reserve) for inspections performed. The PHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

The PHA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, the PHA may charge a reasonable fee to owners for reinspections if an owner notifies the PHA that a repair has been made or the allotted time for repairs has elapsed and a reinspection reveals that any deficiency cited in the previous inspection that the owner is responsible for repairing, pursuant to 24 CFR 982.404(a), was not corrected. ~~in two situations: when the owner notifies the PHA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected.~~ Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to the PHA's administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

SEMMCHRA Policy

The PHA will not charge a fee for failed reinspections.

Remote Video Inspections (RVIs) [Notice PIH 2020-31]

As an alternative to some or all on-site inspections, the PHA may, but is not required to, perform HQS inspections from a remote location using video streaming technology and a proxy at the inspection site. Since there may be some circumstances in which the application of technology provides insufficient information or evidence to allow the PHA to make appropriate determinations about whether a condition violates HQS, Notice PIH 2020-31 requires that if a PHA chooses to implement RVIs, the PHA should have policies and procedures in place to address such limitations.

SEMMCHRA Policy

The PHA conducts remote/virtual HQS inspections.

Notice and Scheduling

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

SEMMCHRA Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life-threatening emergency, reasonable notice is considered to be not less

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

than 48 hours. Inspections are scheduled during normal business hours. Generally, inspections will be conducted on business days only. In the case of a life-threatening emergency, the PHA will give as much notice as possible, given the nature of the emergency.

Owner and Family Inspection Attendance

HUD permits the PHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

SEMMCHRA Policy

When a family occupies the unit at the time of inspection an authorized adult must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, the PHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted but is not required.

8-II.B. INITIAL HQS INSPECTION [24 CFR 982.405~~1~~(a)]

HUD regulations require that units assisted under the HCV program be inspected to determine that the units meet housing quality standards before the PHA approves assisted tenancy. However, PHAs have two options for bringing units under HAP contract (or, in the case of PBV, approving occupancy and the execution of a lease) more quickly. The PHA may but is not required to approved assisted tenancy and start HAP if the unit:

- Fails the initial inspection, but only if no life-threatening deficiencies are identified; and/or
- Passed an alternative inspection in the last 24 months.

SEMMCHRA Policy

The unit must pass the HQS inspection on or before the effective date of the HAP contract.

The PHA will not rely on alternative inspections and will conduct an HQS inspection for each unit prior to executing a HAP contract with the owner.

If the PHA adopts the alternative inspection option in combination with the non-life-threatening deficiencies option, the PHA must follow family and owner notification requirements listed at 24 CFR 982.406(f). Otherwise, if neither of the above provisions are adopted, the PHA must determine that the unit the family selects meets NSPIRE standards prior to approving tenancy.

Approving Units with Non-Life-Threatening Deficiencies [FR Notice 1/18/17; Notice PIH 2017-20; FR Notice 5/7/24; and 24 CFR 982.405 (j)]

The PHA may approve assisted tenancy, execute a HAP contract, and begin paying HAP if a unit fails an initial inspection, but only if the deficiencies identified are non-life threatening. This is known as the "NLT option" A PHA that implements the NLT option may apply the option to all

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

of the PHA's initial inspections or may limit it to certain units. If the NLT option is adopted, the PHA must follow requirements listed at 24 CFR 982.405 (j) for family and owner notification.

The PHA's administrative plan must specify the circumstances under which the PHA will exercise the NLT option, if any.

SEMMCHRA Policy

The PHA will not use the NLT option. All units must pass the initial inspection on or before the effective date of the HAP contract.

Approving Units Using Alternative Inspections [FR Notice 1/18/17; Notice PIH 2017-20; FR Notice 5/7/24; and 24 CFR 982.406]

The PHA may approve assisted tenancy, execute a HAP contract, and begin paying HAP if a unit passed an alternative inspection (i.e., an inspection conducted for another housing program) conducted in the last 24 months provided the PHA is able to obtain the results of the alternative inspection, the property received a "pass" score (if applicable), and the inspection meets the requirements at 24 CFR 982.406 (c) and (d). The PHA may implement the use of alternative inspections for both initial and periodic inspections or may limit the use of alternative inspections to either initial or periodic inspections. If alternative inspections are used, the PHA must follow requirements listed at 24 CFR 982.406(e)(2) for family and owner notification.

The PHA relying on an alternative inspections must identify the alternative inspection method being used in the PHA's administrative plan.

SEMMCHRA Policy

The unit must pass the initial inspection on or before the effective date of the HAP contract.

The PHA will not rely on alternative inspections and will conduct an initial inspection for each unit prior to executing a HAP contract with the owner.

Timing of Initial Inspections [24 CFR 982.305(b)(2)(i)]

Unless the PHA relies on alternative inspections, HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

SEMMCHRA Policy

The PHA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).

Inspection Results and Reinspections

SEMMCHRA Policy

If any HQS violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If request by the owner, the time frame for correcting the deficiencies may be extended by the PHA for good cause. The PHA will reinspect the unit within five business days of the date the owner notifies the PHA that the required corrections have been made.

If the time period for correcting the deficiencies (or any PHA-approved extension) has elapsed, or the unit fails HQS at the time of the reinspection, the PHA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. The PHA may agree to conduct a second reinspection, for good cause, at the request of the family and owner.

Following a failed reinspection, the family may submit a new Request for Tenancy Approval for the same unit after the owner has made repairs, if they are unable to locate another suitable unit.

Utilities

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

SEMMCHRA Policy

If utility service is not available for testing at the time of the initial inspection, the PHA will allow the utilities to be placed in service after the unit has met all other HQS requirements. The PHA will reinspect the unit to confirm that utilities are operational before the HAP contract is executed by the PHA.

Appliances [Form HUD-52580]

SEMMCHRA Policy

If the family is responsible for supplying the stove and/or refrigerator, the PHA will allow the stove and refrigerator to be placed in the unit after the unit has met all other HQS requirements. The required appliances must be in place before the HAP contract is executed by the PHA. The PHA will execute the HAP contract based upon a certification from the family that the appliances have been installed and are working. A confirmatory inspection will be scheduled within 30 days of HAP contract approval.

8-II.C. ~~ANNUAL/BIENNIAL~~ PERIODIC HQS INSPECTIONS [24 CFR 982.405(b) and ~~982.406~~; Notice PIH 2016-05]

SEMMCHRA Policy

Each unit under HAP contract must be inspected biennially within 24 months of the last full HQS inspection. The PHA reserves the right to require annual inspections of any unit or owner at any time.

The PHA will not rely on alternative inspection standards.

Scheduling the Inspection

SEMMCHRA Policy

If an adult cannot be present on the scheduled date, the family should request that the PHA reschedule the inspection. The PHA and family will agree on a new inspection date that generally should take place within five business days of the originally scheduled date. The PHA may schedule an inspection more than five business days after the original date for good cause.

If the family misses the first scheduled appointment without requesting a new inspection date, the PHA will automatically schedule a second inspection. If the family misses two scheduled inspections without PHA approval, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

8-II.D. ~~SPECIAL~~ INTERIM INSPECTIONS [24 CFR 982.405(~~d~~g)]

If a participant or government official notifies the PHA of a potential deficiency, the following applies:

- If the reported deficiency is life-threatening, the PHA must, within 24 hours of notification, both inspect the housing unit and notify the owner if the life-threatening deficiency is confirmed. The owner must then make the repairs within 24 hours of PHA notification.
- If the reported deficiency is non-life threatening, the PHA must, within 15 days of notification, both inspect the unit and notify the owner if the deficiency is confirmed. The owner must then make the repairs within 30 days of notification from the PHA or within any PHA-approved extension ~~reports a life-threatening condition which the owner would be required to repair within 24 hours, the PHA must inspect the unit within 24 hours of notification. If the reported condition is not life-threatening, the PHA must inspect the unit within 15 days of notification.~~

SEMMCHRA Policy

During an interim ~~special~~ inspection, the PHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the ~~annual/biennial~~ periodic inspection has been scheduled or is due within 90 days of the date the ~~special~~ interim inspection is scheduled the PHA may elect to conduct a full ~~annual/biennial~~ inspection.

8-II.E. SUPERVISORY QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); 24 CFR 985.3(e); HCV GB, p. 10-32]

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding three months. The selected sample should be drawn to represent a cross section of neighborhoods and the work of a cross section of inspectors.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

The following is applicable to HAP contracts executed or renewed June 5, 2024, or earlier;

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, the PHA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

SEMMCHRA Policy

When life-threatening conditions are identified, the PHA will immediately notify both parties by telephone or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the PHA's notice.

When failures that are not life-threatening are identified, the PHA will send the owner and the family a written notification of the inspection results within five business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected

within the specified time frame (or any PHA-approved extension), the owner's HAP will be abated in accordance with PHA policy (see 8-II.G.).

Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extension, if applicable) the family's assistance will be terminated in accordance with PHA policy (see Chapter 12).

The following is applicable to HAP contract executed or renewed June 6, 2024, or later:

Notification of Correction Actions [24 CFR 982.404 (d)(1)]

The owner must maintain the unit in accordance with housing quality standards. The unit is in noncompliance with housing quality standards if:

- The PHA or authorized inspector determines the unit has housing quality standards deficiencies based upon an inspection
- The PHA notified the owner in writing of the unit housing quality standards deficiencies; and
- The unit's housing quality standards deficiencies are not corrected within the required timeframes.

A PHA may withhold assistance payments for units that have deficiencies once the owner has been notified in writing of the deficiencies. The PHA's administrative plan must identify the conditions under which the PHA will withhold HAP. In this case, if the unit is brought into compliance during the applicable cure period, the PHA must resume assistance payments and provide payments to cover the time period for which the payments were withheld.

The PHA must abate the HAP, including amounts that had been withheld, if the owner fails to make the repairs within the applicable cure period. In is case, the PHA must notify the family and the owner that it is abating payments and, if the unit does not meet housing quality standards within 60 days (or reasonable longer period established by the PHA), the PHA will terminate the HAP contract for the unit and the family will have to move to receive continue assistance. In this case, the PHA must issue the family its voucher to move at lease 30 days prior to the termination of the HAP contract.

SEMMCHRA Policy

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies housing quality standards failures, the PHA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

The PHA will not withhold assistance payments upon notification of the deficiencies to the owner.

When life-threatening conditions are identified, the PHA will immediately notify both parties by telephone or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the PHA's notice.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

When failures that are not life-threatening are identified, the PHA will send the owner and the family a written notification of the inspection results within five business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction.

If the owner is responsible for correcting the deficiency, the notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life-threatening conditions are not corrected with the specified time frame (or any PHA-approved extension), the owner's HAP will be abated in accordance with PHA policy (see 8-II.G.)

Likewise, if the family is responsible for correcting the deficiency, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extensions, if applicable) the family's assistance will be terminated in accordance with PHA policy (see Chapter 12).

Extensions

For conditions that are life-threatening, the PHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, the PHA may grant an exception to the required time frames for correcting the violation, if the PHA determines that an extension is appropriate [24 CFR 982.404].

SEMMCHRA Policy

Extensions will be granted in cases where the PHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

A repair cannot be completed because required parts or services are not available.

A repair cannot be completed because of weather conditions.

A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case-by-case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

Reinspections [24 CFR 982.405(i)]

When a PHA must verify correction of a deficiency, the PHA may use verification methods other than another on-site inspection. The PHA may establish different verification methods for initial and non-initial inspections or for different deficiencies. Upon either an inspection for initial occupancy or a reinspection, the PHA may accept photographic evidence or other reliable evidence from the owner to verify that a deficiency has been corrected.

Unlimited copies may be made for internal use.

SEMMCHRA Policy

The PHA will conduct a reinspection immediately following the end of the corrective period, or any PHA approved extension.

The family and owner will be given reasonable notice of the reinspection appointment. If the deficiencies have not been corrected by the time of the reinspection, the PHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with PHA policies. If the PHA is unable to gain entry to the unit in order to conduct the scheduled reinspection, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

Self-certification will be in writing, although an initial self-certification may be accepted verbally and confirmed in writing by the owner, manager, or the occupant. The PHA may perform a reinspection at any time at its discretion to verify that required work has been completed.

8-II.G. ENFORCING OWNER COMPLIANCE

If the owner fails to maintain the dwelling unit in accordance with HQS, the PHA must take prompt and vigorous action to enforce the owner obligations.

The following is applicable to HAP contracts executed or renewed June 5, 2024, or earlier;

HAP Abatement

If an owner fails to correct HQS deficiencies by the time specified by the PHA, HUD requires the PHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.

SEMMCHRA Policy

The PHA will make all HAP abatements effective the first of the month following the expiration of the PHA specified correction period (including any extension).

The PHA will inspect abated units within five business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

HAP Contract Termination

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit,

provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

SEMMCHRA Policy

The maximum length of time that HAP may be abated is 90 days. However, if the owner completes corrections and notifies the PHA before the termination date of the HAP contract, the PHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the PHA is one calendar month.

The following is applicable to HAP contracts executed or renewed June 6, 2024, or later:

HAP Withholding [24 CFR 982.404(d)(1)]

A PHA may withhold assistance payments for units that have housing quality standards deficiencies once the PHA has notified the owner in writing of the deficiencies. The PHA's administrative plan must identify the conditions under which the PHA will withhold HAP. IN this case, if the unit is brought into compliance during the applicable cure period, the PHA resumes assistance payments and provides assistance payments to cover the time period for which the payments were withheld.

SEMMCHRA Policy

The PHA will not withhold assistance payments upon notification to the owner of the deficiencies.

HAP Abatement [24 CFR 982.404(d)(2)]

The PHA must abate the HAP, including amounts that had been withheld, if the owner fails to make the repairs within the applicable cure period. IN this case, the PHA must notify the family and the owner that it is abating payments and, if the unit does not meet housing quality standards within 60 days (or a reasonable longer period established by the PHA), the PHA will terminate the HAP contract for the unit and the family will have to move to receive continued assistance. In this case, the PHA must issue the family its voucher to move at least 30 days prior to the termination of the HAP contract.

The owner may not terminate the tenant of any family due to the withholding or abatement of assistance.

SEMMCHRA Policy

The PHA will make all HAP abatements effective the first of the month following the expiration of the PHA-specified correction period (including any extension).

The PHA will inspect abated units within five business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspections.

During any abatement period the family continues to be responsible for its share of the rent.

Unlimited copies may be made for internal use.

For PHA policies on family moves when units are in abatement and termination of the HAP contract when a family moves due to deficiencies, see Section 10-I.B.

HAP Contract Termination

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

SEMMCHRA Policy

The maximum length of time that HAP may be abated is 60 days. However, if the owner completes corrections and notifies the PHA before the termination date of the HAP contract, the PHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the PHA is 30 days. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]

The following is applicable to HAP contracts executed or renewed June 5, 2024, or earlier:

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

The following is applicable to HAP contracts executed or renewed June 6, 2024, or later:

If the PHA waived the landlord responsibility for housing quality standards deficiencies that have been determined to have been caused by the tenant, any member of the household, or any guest or other person under the tenant's control (see section 8-I.D), the family is responsible for correcting any housing quality standards violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair and may enter into a repayment agreement with the family.

PART III: RENT REASONABLENESS [24 CFR 982.507]

8-III.A. OVERVIEW

Except in the case of certain LIHTC- and HOME-assisted units, no HAP contract can be approved until the PHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit's rent is reasonable.

PHA-Owned Units [24 CFR 982.352(b)]

In cases where an HCV family is receiving assistance in a PHA-owned unit, the PHA must obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements, and to assist the family in negotiating the contract rent when the family requests assistance. A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of the rent reasonableness determination to the family and the PHA. The independent agency must be approved by HUD, and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

Unlimited copies may be made for internal use.

8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

Owner-Initiated Rent Determinations

The PHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. The PHA (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy the PHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

SEMMCHRA Policy

After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner's lease. For rent increase requests after initial lease-up, the PHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises the PHA will consider unit size and length of tenancy in the other units.

The PHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

All rent adjustments will be effective the first of the month following 60 days after the PHA's receipt of the owner's request or on the date specified by the owner, whichever is later.

PHA and HUD-Initiated Rent Reasonableness Determinations

HUD requires the PHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the fair market rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the PHA to make a determination at any other time. The PHA may decide that a new determination of rent reasonableness is needed at any time.

SEMMCHRA Policy

In addition to the instances described above, the PHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) the PHA determines that the initial rent reasonableness determination was in error or (2) the PHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

LIHTC and HOME-Assisted Units [24 CFR 982.507(c)]

For units receiving low-income housing tax credits (LIHTCs) or units assisted under HUD's HOME Investment Partnerships (HOME) Program, a rent comparison with unassisted units is not required if the voucher rent does not exceed the rent for other LIHTC- or HOME-assisted units in the project that are not occupied by families with tenant-based assistance.

For LIHTCs, if the rent requested by the owner does exceed the LIHTC rents for non-voucher families, the PHA must perform a rent comparability study in accordance with program regulations. In such cases, the rent shall not exceed the lesser of: (1) the reasonable rent as determined from the rent comparability study; or (2) the payment standard established by the PHA for the unit size involved.

8-III.C. HOW COMPARABILITY IS ESTABLISHED

Factors to Consider

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made
- Amenities, services, and utilities included in the rent

Units that Must Not Be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance [Notice PIH 2002-22, Notice PIH 2005-20, and Notice PIH 2020-19].

Note: Notice PIH 2020-19, issued August 21, 2020, provides further guidance on the issue of what constitutes an assisted unit.

Rents Charged for Other Units on the Premises

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting the PHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give the PHA information regarding rents charged for other units on the premises.

8-III.D. PHA RENT REASONABLENESS METHODOLOGY

How Market Data Is Collected

SEMMCHRA Policy

The PHA will collect and maintain data on market rents in the PHA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes, census tract, neighborhood, and identifiable natural or man-made boundaries. The data will be updated on an ongoing basis and rent information that is more than 12 months old will be eliminated from the database.

How Rents Are Determined

SEMMCHRA Policy

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area. The PHA will develop a range of prices for comparable units by bedroom size within defined market areas. Units proposed for HCV assistance will be compared to the units within this rent range. Because units may be similar, but not exactly like the unit proposed for HCV assistance, the PHA may make adjustments to the range of prices to account for these differences.

The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).

The adjustment must reflect the rental value of the difference—not its construction costs (e.g., it might cost $20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rental units are presumed to have functioning roofs).

When a comparable project offers rent concessions (e.g., first month rent-free, or reduced rent) reported monthly rents will be adjusted accordingly. For example, if a comparable project reports rents of $500/month but new tenants receive the first month's rent free, the

actual rent for the unit would be calculated as follows: $500 x 11 months = 5500/12 months = actual monthly rent of $488.

The PHA will notify the owner of the rent the PHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. The PHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within five business days of the PHA's request for information or the owner's request to submit information.

EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS

Note: This document provides an overview of HQS. For more detailed information see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Sanitary Facilities

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

Food Preparation and Refuse Disposal

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

Space and Security

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

Thermal Environment

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

Illumination and Electricity

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

Structure and Materials

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

Interior Air Quality

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

Water Supply

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

Lead-Based Paint

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities within 30 days when identified by the PHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint
- Maintain covered housing without deteriorated paint if there is child under six in the family

For units occupied by elevated blood lead level (lead poisoned) children under six years of age, an environmental investigation must be conducted (paid for by the PHA). If lead hazards are identified during the environmental investigation, the owner must complete hazard reduction activities within 30 days.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

Access

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

Site and Neighborhood

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.

Sanitary Condition

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

Smoke Detectors

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

Hazards and Heath/Safety

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- *Sanitary Facilities*. The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
- *Food Preparation and Refuse Disposal*. The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.
- *Space and Security*. The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.
- *Energy conservation items*. The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.
- *Illumination and Electricity*. The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- *Structure and Materials.* Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.
- *Indoor Air.* Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.
- *Sanitary Conditions.* The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.
- *Neighborhood conditions.* Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke ~~detectors.~~

Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and pass applicable housing quality standards [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager or their rights and obligations under the Violence against Women Act (VAWA) [24 CFR 5.2005(a)(2)].

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records) and the name and address (if known to the PHA) of the landlord at the family's current and prior address [24 CFR 982.307(b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the tenancy history or drug trafficking of family members [24 CFR 982.307(b)(2)].

The PHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

The PHA may not disclose to the owner any confidential information provided by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking, except at the written request or with the written consent of the individual providing the documentation [see 24 CFR 5.2007(b)(4)].

SEMMCHRA Policy

The PHA will not screen applicants for family behavior or suitability for tenancy.

The PHA will not provide additional screening information to the owner.

9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

© Copyright ~~20222024~~ 2025Nan McKay & Associates, Inc
Unlimited copies may be made for internal use.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

The PHA must identify in the administrative plan whether the family will be permitted to submit more than on RTA at a atime [24 CFR 982.54(d)(25)].

SEMMCHRA Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease) must be submitted as hard copies, in-person, by mail, by email, or by fax.

The family may not submit, and the PHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the PHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RTA, the PHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, by mail, by email, by phone, or by fax.

When the family submits the RTA and proposed lease, the PHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

If the terms of the RTA are not consistent with the terms of the proposed lease, the PHA will notify the family and the owner of the discrepancies.

Corrections to the terms of the RTA and/or the proposed lease will only be accepted as hard copies, in-person, by mail, by email, or by fax. The PHA will not accept corrections by phone.

Because of the time sensitive nature of the tenancy approval process, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties cannot be reached by phone, fax, or email.

9-I.C. OWNER PARTICIPATION

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which the PHA must disapprove an owner. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the PHA's jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

PHA-Owned Units [24 CFR 982.352(b)]

PHA-owned units as defined in 24 CFR 982.4 ~~Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher~~ may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA. The PHA must obtain the services of an independent entity to perform certain functions as described in 24 CFR 982.352(b)(v)(A).

SEMMCHRA Policy

The PHA has eligible PHA-owned units available for leasing under the voucher program. The PHA will inform the family at the briefing that the PHA has available units for rent that do accept Section 8. The PHA will inform the family of their right to select any available unit for lease and does not try to steer the family toward PHA owned units.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(c)]

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

~~Housing Quality Standards (HQS)~~ ~~NSPIRE Standards [24 CFR 982.305 and 24 CFR 982.401Notice PIH 2023-28]~~ Initial Inspection

In order to be eligible, the dwelling unit must be in safe and habitable condition and pass applicable housing quality standards. ~~This determination is made using HUD's Housing Quality Standards (HQS) National Standards for the Physical Inspection of Real Estate (NSPIRE)and/or equivalent state or local standards approved by HUD~~. See Chapter 8 for a full discussion of ~~the HQS NSPIRE~~ inspection standards, as well as the process for ~~HQS~~ inspection at initial lease-up.

Unit Size

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable ~~HQS~~ space requirements [24 CFR ~~982.402(d)~~ 5.703(d)(5)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of

© Copyright ~~20222024~~ 2025Nan McKay & Associates, Inc
Unlimited copies may be made for internal use.

rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

Rent Burden [24 CFR 982.508]

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family's adjusted monthly income. The term "family share" refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner's lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

SEMMCHRA Policy

The PHA will have a model lease available for owners who do not use a standard lease form for their unassisted tenants. The PHA's model lease includes the HUD tenancy addendum.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

Term of Assisted Tenancy

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

SEMMCHRA Policy

The PHA will not approve an initial lease term of less than one (1) year, unless requested as a reasonable accommodation for a person with a disability.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

Security Deposit [24 CFR 982.313 (a) and (b)]

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

SEMMCHRA Policy

The PHA will allow the owner to collect a security deposit amount from the tenant that the owner determines is appropriate. Therefore, no modifications to the HAP contract will be necessary.

Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by the PHA minus the PHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

SEMMCHRA Policy

The PHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

PHA Review of Lease

The PHA will review the dwelling lease for compliance with all applicable requirements.

SEMMCHRA Policy

If the dwelling lease is incomplete or incorrect, the PHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, by email, or by fax. The PHA will not accept missing and corrected information over the phone.

Because the initial leasing process is time-sensitive, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties can't be reached by phone, fax, or email.

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

SEMMCHRA Policy

The PHA will not review the owner's lease for compliance with state/local law.

9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets ~~NSPIRE~~ housing quality standards; the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must is reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

SEMMCHRA Policy

The PHA will complete its determination within 15 business days of receiving all required information.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the PHA, the PHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.

Corrections to the RTA will only be accepted as hard copies, in-person, by mail, by email, by phone or by fax.

The PHA will not accept corrections over the phone for the proposed lease. If the proposed lease requires correction, the family and the owner will be notified and the lease will be returned to the owner to make necessary corrections.

If the PHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for disapproval. The PHA will instruct the owner and family of the steps that are necessary to obtain approval of the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability or rent reasonableness, the PHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract form is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The PHA must make the best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term. Any HAP contract executed after the 60-day period is void, and the PHA may not pay any housing assistance payment to the owner, unless there are extenuating circumstances that prevent or prevented the PHA from meeting the 60-day deadline—then the PHA may submit to the HUD field office a request for an extension no later than two weeks after the 60-day deadline.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60-day period is void, and the PHA may not pay any housing assistance payment to the owner.

SEMMCHRA Policy

The PHA will reach out to owners who have not previously participated in the HCV program to go over program basics, by phone or virtual meeting for a new owner orientation. The PHA may waive this requirement on a case-by-case basis, if it determines that the owner is sufficiently familiar with the requirements and responsibilities under the HCV program.

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the PHA. The PHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The owner and the PHA will execute the HAP contract. The PHA will not execute the HAP contract until the owner has submitted IRS form W-9. The PHA will ensure that the owner receives a copy of the executed HAP contract.

As required under VAWA, once the HAP contract and lease have been executed and the family has been admitted to the program, the PHA will notify families of their rights under VAWA by providing all families with a copy of the domestic violence certification form (HUD-5382) as well as the VAWA notice of occupancy rights (form HUD-5380).

9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of the rent to owner, the owner must notify the PHA at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

SEMMCHRA Policy

Where the owner is requesting a rent increase, the PHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60 day period after the owner notifies the PHA of the rent change or on the date specified by the owner, whichever is later.

Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA's HCV program, whether the family moves to another unit within the PHA's jurisdiction or to a unit outside the PHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA's jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.354(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

  SEMMCHRA Policy

  If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give the PHA a copy of the termination agreement.

Unlimited copies may be made for internal use.

- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].
- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the move is needed to protect the health or safety of the family or family member [see 24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to the PHA, if the family or family member who is the victim reasonably believed that they were imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)]. The PHA must adopt an emergency transfer plan as required by regulations at 24 CFR 5.2007(e).

  SEMMCHRA Policy

  If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the PHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request that the resident request the emergency transfer using form HUD-5383, and the PHA will request documentation in accordance with section 16-IX.D of this plan.

  The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.

  The PHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

  Before granting an emergency transfer, the PHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

  The PHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.
- The PHA has terminated the HAP contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- The PHA determines that the family's current unit does not meet space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

10-I.B. FAMILY MOVES DUE TO UNIT DEFICIENCES

Units in Abatement [24CFR 982.404(d)(3)

An owner may not terminate the tenancy of a family due to the PHA withholding or abating HAP for housing quality standards deficiencies that are not repaired timely. During the period that assistance is abated, the family may terminate tenancy by notifying the owner and the PHA. If the family chooses to terminate tenancy, the HAP contract will automatically terminate on the effective date of tenancy termination or the date the family vacates the unit, whichever is earlier. The PHA must promptly issue the family its voucher to move.

SEMMCHRA Policy

Upon receipt of a family's written notification that it wishes to move, the PHA will issue a voucher within 10 business days of the PHA's written approval to move. No briefing is required for these families. The PHA will follow the policies set in Chapter 5 on voucher term, extension, and expiration.

Termination of HAP Contract and Family Moves [24 CFR 982.404(e)

For HAP contracts executed or renewed on or after June 6, 2024, if an owner fails to make required repairs within 60 days (or reasonable longer period established by the PHA) of the notice of abatement, the PHA must terminate the HAP contract. In this case, the PHA must issue the family its voucher at least 30 days prior to the termination of the HAP contract. The family must be provided at least 90 days following the termination of the HAP contract to lease a new unit, although the PHA may provide a longer period as the PHA determines is reasonably necessary.

SEMMCHRA Policy

The PHA will issue a family whose HAP contract is being terminated due to an owner failing to make required repairs within the required time frame a voucher no later than 30 days prior to the termination of the HAP contract. The initial term of the voucher will be 60 calendar days. No briefing is required for these families.

To continue under the tenant-based HCV program, the family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an extension. The PHA will follow the policies set forth in Chapter 5 on voucher extension and expiration.

Offer of Public Housing [24 CFR 982.404(e)(2)]

If the family is unable to lease a new unit with the term of the voucher, and the PHA owns or operates public housing, the PHA must offer, and if accepted, provide the family a selection preference for an appropriate-sized public housing unit that first becomes available for occupancy after the time period expires.

Unlimited copies may be made for internal use.

SEMMCHRA Policy
The PHA does operate a public housing program and will provide a preference for HCV families whose HAP contract is being terminated due to an owner failing to make required repairs within the required time frame, and who was unable to lease a new unit within the term of the voucher.

Relocation Assistance [24 CFR 982.404(e)(3)]

PHAs may assist families relocating due to the HAP contract being terminated as a result of the owner failing to make required repairs within the required time frame in finding a new unit, including using up to two months of the withheld and abated assistance payments for costs directly associated with relocating to a new unit, such as security deposits, temporary housing costs, or other reasonable moving costs as determined by the PHA based on their locality.

The PHA must assist families with disabilities with locating available accessible units in accordance with 24 CFR 8.28(a)(3).

SEMMCHRA Policy
The PHA will assist families with disabilities with locating available accessible units in accordance with 24 CFR 8.28(a)(3).

10-I.~~B~~C. RESTRICTIONS ON MOVES

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

Denial of Moves

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

Insufficient Funding

The PHA may deny a family permission to move either within or outside the PHA's jurisdiction if the PHA does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

SEMMCHRA Policy

The PHA will deny a family permission to move on grounds that the PHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the PHA; (b) the PHA can demonstrate that the move will, in fact, result in higher subsidy costs (c) the PHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher.

If the PHA does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed inspection), the family may move to a higher

Unlimited copies may be made for internal use.

cost unit if the move is within the PHA's jurisdiction. The PHA, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

For both moves within the PHA's jurisdiction and outside under portability, the PHA will not deny a move due to insufficient funding if the PHA previously approved the move and subsequently experienced a funding shortfall if the family cannot remain in their current unit. The PHA will rescind the voucher in this situation if the family will be allowed to remain in their current unit.

The PHA will create a list of families whose moves have been denied due to insufficient funding. The PHA will keep the family's request open indefinitely, and when funds become available, the families on this list will take precedence over families on the waiting list. The PHA will use the same procedures for notifying families with open requests to move when funds become available as it uses for notifying families on the waiting list (see section 4-III.D).

The PHA will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.

Grounds for Denial or Termination of Assistance

The PHA may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

SEMMECHRA Policy

If the PHA has grounds for denying or terminating a family's assistance, the PHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively. In general, it will not deny a family permission to move for this reason; however, it retains the discretion to do so under special circumstances.

Restrictions on Elective Moves [24 CFR 982.354(c)]

HUD regulations permit the PHA to prohibit any elective move by a participant family during the family's initial lease term. They also permit the PHA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the move is needed to protect the health or safety of the family or family member. (For the policy on documentation of abuse, see section 10-I.A.) In addition, the PHA may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

SEMMCHRA Policy

The PHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within the PHA's jurisdiction or outside it under portability.

The PHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in the PHA's jurisdiction.

The PHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the PHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

10-I.D~~C~~. MOVING PROCESS

Notification

If a family wishes to move to a new unit, the family must notify the PHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside the PHA's jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

Approval

SEMMCHRA Policy

Upon receipt of a family's notification that it wishes to move, the PHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. The PHA will notify the family in writing of its determination within 10 business days following receipt of the family's notification.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days.

The family is required to give the PHA a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the PHA will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

The PHA will issue the family a new voucher if the family does not owe the PHA or any other PHA money, has not violated the Family Obligations, has not moved or been issued a voucher within the last 12 months, and if the PHA has sufficient funding for continued assistance.

Reexamination of Family Income and Composition

SEMMCHRA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

SEMMCHRA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move. No briefing is required for these families. The PHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its

current unit with continued voucher assistance if the owner agrees and the PHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

For families moving due to an owner failing to make required repairs timely, resulting in the PHA terminating the HAP contract, the PHA will follow the policies set forth earlier in this section and in Chapter 8, Part II.

Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

Zero HAP Families Who Wish to Move [24 CFR 982.455]

A participant who is not receiving any subsidy, but whose HAP contract is still in force, may request a voucher to move to a different unit. The PHA must issue a voucher to move unless it has grounds to deny assistance under the program regulations. However, if the PHA determines no subsidy would be paid at the new unit, the PHA may refuse to enter into a HAP contract on behalf of the family.

SEMMCHRA Policy

If a zero HAP family requests to move to a new unit, the family may request a voucher to move. However, if no subsidy will be paid at the unit to which the family requests to move, the PHA will not enter into a HAP contract on behalf of the family for the new unit.

PART II: PORTABILITY

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the **initial PHA.** The PHA that has jurisdiction in the area to which the family wants to move is called the **receiving PHA.**

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA's voucher. Based on the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which receiving PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family [24 CFR 982.255(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside the PHA's jurisdiction under portability. However, HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

SEMMCHRA Policy

In determining whether or not to deny an applicant family permission to move under portability because the PHA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter. If the PHA does deny the move due to insufficient funding, the PHA will notify HUD in writing within 10 business days of the PHA's determination to deny the move.

In addition, the initial PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

SEMMCHRA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the initial PHA's jurisdiction at the time that the family's initial application for assistance was submitted, the family must lease a unit within the initial PHA's jurisdiction for at least 12 months before requesting portability.

The PHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking.

© Copyright ~~2022 2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Participant Families

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [see 24 CFR 982.353(b)].

SEMMCHRA Policy

The PHA will determine whether a participant family may move out of the PHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The PHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

Determining Income Eligibility

Applicant Families

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [24 CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

Participant Families

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

Reexamination of Family Income and Composition

No new reexamination of family income and composition is required for an applicant family.

SEMMCHRA Policy

For a participant family approved to move out of its jurisdiction under portability, the PHA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.

The PHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

SEMMCHRA Policy

No formal briefing will be required for a participant family wishing to move outside the PHA's jurisdiction under portability. However, the PHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5).

The PHA requires the family to complete a port out request form that provides the PHA name, address, email if available, and phone number of the contact for the PHA in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, the family must select a PHA and provide the contact information to SEMMCHRA.

The PHA will advise the family that they will be under the receiving PHA's policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

SEMMCHRA Policy

For participating families approved to move under portability, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move.

The initial term of the voucher will be 60 days.

However, if the move is due to the HAP contract being terminated due to an owner failing to make required repairs within the required time frame, the PHA will issue the family a voucher no later than 30 days prior to the termination of the HAP contract. The initial term of the voucher will be 60 calendar days.

Unlimited copies may be made for internal use.

Voucher Extensions and Expiration

SEMMCHRA Policy

The PHA generally does not approve extensions for outgoing portability. The PHA will not approve extensions or process outgoing portability unless the family has at least 30 days remaining on their voucher. The family is advised regarding the PHA's portability process and requirements before the PHA accepts their request to port.

The PHA will make an exception to this policy if requested as a reasonable accommodation for a person or family with disabilities or in cases where the family is claiming VAWA or:

The family decides to return to the initial PHA's jurisdiction and search for a unit there.

In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

Preapproval Contact with the Receiving PHA

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family's voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

SEMMCHRA Policy

The PHA will use email, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.

Initial Notification to the Receiving PHA

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

SEMMCHRA Policy

Because the portability process is time-sensitive, the PHA will contact the receiving PHA on the family's behalf with 10 business days. The PHA will pass this information along to the family.

Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family's voucher [Notice PIH 2016-09]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family's current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

SEMMCHRA Policy

In addition to these documents, the PHA will provide the following information

Copies of Social Security cards for all household members

Copies of photo I.D.s for adult household members

Birth certificates if available

Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system

Documentation of citizenship or eligible immigration status

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

If applicable, information related to the family's health and medical care and disability assistance expense phased-in hardship exemption, including what stage the family is in and how many months remain in that phase-in stage.

The PHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

Initial Billing Deadline [Notice PIH 2016-09]

The deadline for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the receiving PHA in writing. The initial PHA may report to HUD the receiving PHA's failure to comply with the deadline.

If the initial PHA will honor the late billing, no action is required.

SEMMCHRA Policy

The initial PHA's decision as to whether to accept late billing will be based on internal PHA factors, including the initial PHA's leasing or funding status. If the PHA has not received an initial billing notice from the receiving PHA within the billing deadline and does not intend to honor the late billing, it will contact the receiving PHA to inform them that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. In this case, the PHA will send the receiving PHA a written confirmation of its decision by mail.

Among other considerations as to whether to accept late billing will be if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]

If the receiving PHA is administering the family's voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

SEMMCHRA Policy

The initial PHA will utilize direct deposit to ensure that the payment is received by the deadline unless the receiving PHA notifies the initial PHA that direct deposit is not acceptable to them. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Annual Updates of Form HUD-50058

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09.

Denial or Termination of Assistance [24 CFR 982.355(c)(17)]

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the receiving PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

Responding to Initial PHA's Request [24 CFR 982.355(c)]

The receiving PHA must respond via email or other confirmed delivery method to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA (24 CFR 982.355(c)(4).

SEMMCHRA Policy

The PHA will use email, when possible, to notify the initial PHA whether it will administer or absorb the family's voucher.

Initial Contact with Family

When a family moves into the PHA's jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA's procedures for incoming portable families. The family's failure to comply may result in denial or termination of the receiving PHA's voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under "Denial or Termination of Assistance.")

Briefing

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2016-09].

SEMMCHRA Policy

The PHA will require the family to attend a briefing. The PHA will provide the family with a briefing packet (as described in Chapter 5) and, in an individual briefing, will orally inform the family about the PHA's payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process.

Income Eligibility and Reexamination

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(9)]. If the receiving PHA opts to conduct a new reexamination for a current participant family, the receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

SEMMCHRA Policy

For any family moving into its jurisdiction under portability, the PHA will conduct a new reexamination of family income and composition. However, the PHA will not delay issuing the family a voucher for this reason. Nor will the PHA delay approving a unit for the family until the reexamination process is complete unless the family is an applicant and the PHA cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.

In conducting its own reexamination, the PHA will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.

Voucher Issuance

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(15)].

Timing of Voucher Issuance

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2016-09].

SEMMCHRA Policy

When a family ports into its jurisdiction, the PHA will update the family's information.

Voucher Term

The term of the receiving PHA's voucher may not expire before 30 calendar days from the expiration of the initial PHA's voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the term of the voucher, the receiving PHA's voucher may not expire before 30 days from the new expiration date of the initial PHA's voucher [Notice PIH 2016-09].

SEMMCHRA Policy

The receiving PHA's voucher will expire 30 calendars days from the expiration date of the initial PHA's voucher. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Voucher Extensions [24 CFR 982.355(c)(14), Notice 2016-09]

Once the receiving PHA issues the portable family a voucher, the receiving PHA's policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

SEMMCHRA Policy

The PHA generally will not extend the term of the voucher that it issues to an incoming portable family unless the PHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

The PHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]

If the family submits a request for tenancy approval during the term of the receiving PHA's voucher, the PHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-II.E).

Notifying the Initial PHA

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2016-09].

Administering a Portable Family's Voucher

Portability Billing [24 CFR 982.355(e)]

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA's program is determined in the same manner as for other families in the receiving PHA's program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA's ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee).

If both PHAs agree, the PHAs may negotiate a different amount of reimbursement.

SEMMCHRA Policy

Unless the PHA negotiates a different amount of reimbursement with the initial PHA, the PHA will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.

Initial Billing Deadline

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be **received** no later than 90 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher's term (see Initial Billing Section). A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or email.

SEMMCHRA Policy

The PHA will send its initial billing notice by fax or email, if necessary, to meet the billing deadline.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2016-09].

Ongoing Notification Responsibilities [Notice PIH 2016-09, HUD-52665]

Annual Reexamination. The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

SEMMCHRA Policy

The PHA will send a copy of the updated HUD-50058 by email or fax no later than 10 business days after the effective date of the reexamination.

Change in Billing Amount. The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

© Copyright ~~2022 2024~~ 2025 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

Late Payments [Notice PIH 2016-09]

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

Overpayments [Notice PIH 2016-09]

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.

Unlimited copies may be made for internal use.

Denial or Termination of Assistance

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [HUD-52665; Notice PIH 2016-09].

SEMMCHRA Policy

If the PHA elects to deny or terminate assistance for a portable family, the PHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. The PHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

Absorbing a Portable Family

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that the PHA has funding available under its annual contributions contract (ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2016-09].

SEMMCHRA Policy

If the PHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, the PHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If the PHA decides to absorb a family after that, it will provide the initial PHA with 30 days' advance notice, but no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].

Chapter 11

REEXAMINATIONS

INTRODUCTION

The PHA is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Part IV: Non-Interim Reexamination Transaction. This part describes transactions that do not entail changes to the family's adjusted income.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]

11-I.A. OVERVIEW

The PHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates. ~~Unlike when performing an interim reexamination or at intake, at annual reexamination, the PHA must determine the income of the family for the previous 12-month period, except where the PHA uses a streamlined income determination. Income from assets, however, is always anticipated, irrespective of the income examination type [Notice PIH 2023-27].~~ PHAs also have the option of using a Safe Harbor income verification from another federal means-tested program to verify gross annual income. Chapter 7 contains the PHA's policies related to ~~streamlined income determinations and the~~ use of ~~sSafe hH~~arbor income verifications.

11-I.B. STREAMLINED ANNUAL REEXAMINATIONS [24 CFR 982.516(b); New HCV GB, Reexaminations]

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years the PHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or rate of interest. The PHA may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the PHA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources. If at least 90 percent of the family's income is from fixed sources, the PHA may streamline the verification of fixed income but is not required to verify non-fixed income amounts. If the family receives less than 90 percent of its income from fixed sources, the PHA may streamline the verification of fixed income and must verify non-fixed income annually.

SEMMCHRA Policy

The PHA will streamline the annual reexamination process by applying the verified COLA or interest rate to fixed-income sources. The PHA will document in the file how the determination that a source of income was fixed was made.

If a family member with a fixed source of income is added, the PHA will use third-party verification of all income amounts for that family member.

If verification of the COLA or rate of interest is not available, the PHA will obtain third-party verification of income amounts.

Third-party verification of fixed sources of income will be obtained during the intake process and at least once every three years thereafter.

Third-party verification of non-fixed income will be obtained annually regardless of the percentage of family income received from fixed sources.

11-I.C. SCHEDULING ANNUAL REEXAMINATIONS

The PHA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period and may require reexaminations more frequently [HCV GB p. 12-1].

SEMMCHRA Policy

The PHA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, the PHA will schedule annual reexamination effective dates to coincide with the family's anniversary date.

Anniversary date is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

If the family moves to a new unit, the PHA will perform a new annual reexamination.

The PHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

Notification of and Participation in the Annual Reexamination Process

The PHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

SEMMHRA Policy

The PHA will send a notification letter via email to the family advising them that it is time for their annual re-examination and to log into the resident portal to complete the annual re-examination. The resident portal will include the forms necessary for the family to complete the re-examination.

The email notification letter will include the deadline for providing the necessary documentation and how the family may return the information/documents. The notification will advise the family how to contact the PHA if they need assistance with the resident portal or help in completing the re-examination process.

If the family fails to respond to the initial notification letter, the PHA will make reasonable efforts to contact the family to get the annual reexamination paperwork and verifications necessary to complete the family's annual reexamination. A family's failure to complete the annual reexamination process will result in the PHA's termination of the family's assistance effective on the last day of the month prior to the annual reexamination effective date.

The PHA will follow the termination procedures outlined in Chapter 12.

Unlimited copies may be made for internal use.

An advocate, interpreter, or other assistant may assist the family in the annual re-examination process. The family must provide a written and signed statement attesting to the role and the assistance provided by any such third party including the assistance of a family member outside of the assisted household.

11-I.D. CONDUCTING ANNUAL REEXAMINATIONS

As part of the annual reexamination process, families are required to provide updated information to the PHA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

SEMMCHRA Policy

The PHA requires that families provide the necessary verifications regarding income, assets, expenses, and any other information necessary to complete the Annual Reexamination.

Each family member 18 years of age or older is required to complete and/or sign the following forms/documents:

- Application for Eligibility
- Statement of Income
- HUD release form – form HUD-9886
- SEMMCHRA release form
- Privacy Notice – Head of Household only
- RHIIP brochure – Head of Household only
- The HUD debts owed – Form HUD-52675

Families may be required to complete additional documents or forms as necessary for verification of income, assets, expenses and composition per the PHA's request.

The PHA will notify the family in writing by email and the resident portal of any other documentation or information needed to complete the Annual Reexamination and the date by which the documentation needs to be returned. The PHA will also notify the family that if the documentation is not returned the family will not receive a 30-day notice of any changes in rent amount.

Annual Reexaminations must be completed by the PHA at least 30-days before the effective date to give the family reasonable notice of any changes in rent amount. If missing documentation is not received 30-days before the effective date, the PHA will still complete the Annual Reexamination; however, the family will not receive a 30-day notice of any change in rent amounts.

At the end of the month prior to the effective date of the Annual Reexamination, if all of the needed verifications/documentation has not been received the PHA will send a notice of proposed termination as outlined in Chapter 12.

© Copyright ~~20222024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

The PHA will make all reasonable efforts to assist a family in completing an Annual Reexamination.

Additionally, HUD recommends that at annual reexaminations PHAs ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state [Notice PIH 2012-28].

SEMMCHRA Policy

At the annual reexamination, the PHA will ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state. The PHA will use the Dru Sjodin National Sex Offender database to verify the information provided by the tenant.

If the PHA proposes to terminate assistance based on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination. [24 CFR 5.903(f) and 5.905(d)]. (See Chapter 12.)

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the PHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the housing quality standards (HQS) (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

11-I.E. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents or is considered a *vulnerable youth* in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

SEMMCHRA Policy

During the annual reexamination process, the PHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from their parents or is considered a *vulnerable youth* based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on their own income or the income of their parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on their own income and the income of their parents (if applicable), the PHA will process a reexamination in accordance with the policies in this chapter.

11-I.F. EFFECTIVE DATES

The PHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

SEMMCHRA Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

© Copyright ~~20222024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516; Notice PIH 2023-27]

11-II.A. OVERVIEW

Family circumstances may change between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes. HUD regulations also permit the PHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. The PHA must complete the interim reexamination within a reasonable time after the family's request.

This part includes HUD and PHA policies describing what changes families are required to report, what changes families may choose to report, and how the PHA will process both PHA- and family-initiated interim reexaminations.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

The family is required to report all changes in family composition. The PHA must adopt policies prescribing when and under what conditions the family must report changes in income and family composition However, due to family obligations under the program, the PHA has limited discretion in this area.

SEMMCHRA Policy

The PHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

New Family Members Not Requiring PHA Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

SEMMCHRA Policy

The family must inform the PHA of the birth, adoption, or court-awarded custody of a child within 10 business days.

New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

Although the PHA must verify aspects of program eligibility when any new family member is added, the Streamlining Final Rule removed the requirement that PHAs conduct a reexamination of income whenever a new family member is added. The PHA may state in policy that an income reexamination will be conducted.

Unlimited copies may be made for internal use.

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

SEMMCHRA Policy

Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days or 90 cumulative days within a 12-month period and therefore no longer qualifies as a "guest." Requests must be made in writing using the resident portal and approved by the PHA prior to the individual moving into the unit.

The PHA will not approve the addition of a new family or household member unless the individual meets the PHA's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

The PHA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards.

If the PHA determines an individual meets the PHA's eligibility criteria and documentation requirements, the PHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to HQS space standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If the PHA determines that an individual does not meet the PHA's eligibility criteria or documentation requirements, the PHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The PHA will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

Departure of a Family or Household Member

Families must promptly notify the PHA if any family member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the PHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

SEMMCHRA Policy

If a household member ceases to reside in the unit, the family must inform the PHA within 10 business days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent or will not return.

Changes in Family Unit Size (Voucher Size) [24 CFR 982.505(c)(6)]

Changes effective 12/2/24 and earlier: Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

Changes effective 12/3/24 and later: Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size may be used to determine the payment standard immediately or at the family's first regular reexamination following the change in family unit size.

PHA Policy

If the family unit size (voucher size) changes during the term of a HAP contract, the new family unit size will be used to determine the payment standard at the family's first regular reexamination following the change in family unit size.

11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Interim reexaminations can be scheduled either because the PHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, the PHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

PHA-Initiated Interim Reexaminations

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by the PHA. They are not scheduled because of changes reported by the family.

SEMMCHRA Policy

The PHA will conduct interim reexaminations in each of the following instances:

~~For families receiving the Earned Income Disallowance (EID), the PHA will conduct an interim reexamination at the start and conclusion of the 24-month eligibility period.~~

If at the time of the annual reexamination, the family's income cannot be projected with reasonable accuracy due to its temporary or sporadic nature, the PHA may schedule an interim reexamination to redetermine family income.

Families with a pattern of seasonal income have two options:

- At the time of their annual re-examination, they may choose to have their rent based on a year-round average, using records of recent year's income patterns; or,
- They may choose to have their rent based upon their lower monthly income during the off-season and have their rent adjusted during the period of seasonal employment.

If at the time of the annual reexamination, tenant declarations were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the PHA will conduct an interim reexamination.

The PHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

Family-Initiated Interim Reexaminations

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

Required Reporting

HUD regulations give the PHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

SEMMCHRA Policy

The PHA requires that all changes in income or expenses be reported in writing using the resident portal within 10 business days of the change occurring.

The PHA must process the interim reexamination if the family reports a change that will result in a decrease of the families share of the rent amount [HCV GB, p. 129].

- If the change reported will be an increase in the families rent portion and the family is determined to have a steady source of income, the PHA will not conduct an interim reexamination. A steady source is considered to be annual income of more than $5000 that will continue long-term. The PHA will notify the family in writing that a change will not occur at this time.

- Families or adult household members that have reported having zero income must report any increases in their income within 10 business days of the change occurring. The PHA will process an interim and give the family a 30-day notice of change in tenant portion.

The PHA will conduct interim reexamination for families that qualify for the earned income disallowance (EID), and only when the EID family's share of rent will change as a result of the increase.

In all other cases, the PHA will note the information in the tenant file but will not conduct an interim reexamination.

Optional Reporting

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. The PHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

SEMMCHRA Policy

The PHA requires that all changes in income or expenses be reported within 10 business days. If a family reports a change the PHA will note the information in the tenant file and follow its policy under required reporting.

If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, the PHA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.

11-II.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

SEMMCHRA Policy

The family must notify the PHA of changes in writing using the resident portal, unless the PHA receives a request as a reasonable accommodation.

Based on the type of change reported, the PHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 business days of receiving a request from the PHA. This time frame may be extended for good cause with PHA approval. The PHA will accept required documentation by mail, by email, by fax, or in person.

Effective Dates

The PHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

SEMMCHRA Policy

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to *decrease*:

Unlimited copies may be made for internal use.

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively. Delays in verification caused by the family or if the family did not respond to requests for information in a timely manner, the change will be made effective the first of the month following the receipt of the verification of the change.

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, the PHA must recalculate the family share of the rent and the subsidy amount and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the PHA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505 and FR Notice 5/7/24]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard when the PHA changes its payment standard or when there is a chang in family composition.

~~When the PHA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:~~

- ~~If the PHA's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:~~
  - ~~If the payment standard amount has *increased,* the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.~~
  - ~~If the payment standard amount has *decreased*, during the term of a HAP contract, the PHA is not required to reduce the payment standard as the HAP contract remains in effect. At the family's *second annual* reexamination, the PHA may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for the PHA's policy on decreases in the payment standard).~~
- ~~If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.~~

© Copyright ~~20222024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Subsidy Standards [24 CFR 982.505(c)(4)]

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the PHA's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family's *first annual* reexamination following the change in family unit size.

Utility Allowances [24 CFR 982.517(d)]

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in the PHA's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the PHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the PHA must use the PHA current utility allowance schedule [HCV GB, p. 18-8].

SEMMCHRA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT

The PHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the PHA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

SEMMCHRA Policy

The PHA will notify the family and owner in writing of any changes in the HAP payment, family share of rent and tenant rent to owner and the effective date of the change.

The notice will state the family has the right to request an explanation of how the assistance was calculated and if the family disagrees, they have the right to informal hearing. The notice will include the procedures for requesting an informal hearing.

11-III.D. DISCREPANCIES

During an annual or interim reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, the PHA may discover errors made by the PHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 13.

Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family's assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the PHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that the PHA will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA will use when deciding what action to take, and the steps the PHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner's right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the PHA to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits the PHA to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the PHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family's income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by the PHA is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

SEMMCHRA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

If no change is reported before the expiration of the 180-day period, the HAP contract will terminate. The PHA will provide the family and the owner with at least a 30-day notification of the termination and an opportunity to request an informal hearing.

Unlimited copies may be made for internal use.

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE

The family may request that the PHA terminate housing assistance payments on behalf of the family at any time.

SEMMCHRA Policy

The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires the PHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

SEMMCHRA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the PHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the PHA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

Upon the PHA's HOTMA 102/104 compliance date, the below policy on failure to provide consent is added:

SEMMCHRA Policy

The PHA will also terminate assistance if the family revokes consent for the PHA to collect information from financial institutions.

Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, the PHA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

SEMMCHRA Policy

The PHA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

Lifetime Registered Sex Offenders [Notice PIH 2012-28]

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the PHA must immediately terminate assistance for the household member.

In this situation, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must terminate assistance for the household.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with their parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must the terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]

The PHA must immediately terminate program assistance for deceased single member households.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

Use of Illegal Drugs and Alcohol Abuse

SEMMCHRA Policy

The PHA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The PHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

> *Currently engaged in* is defined as any use of illegal drugs during the previous six months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

SEMMCHRA Policy

The PHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The PHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Other Authorized Reasons for Termination of Assistance
[24 CFR 982.552(c), 24 CFR 5.2005(c), 24 CFR 984.101(d)]

HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per 24 CFR 984.101(d), PHAs are no longer permitted to terminate assistance to a family due to the family's failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation.

SEMMCHRA Policy

The PHA **will** terminate a family's assistance if:

The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related PHA policies.

Any family member has been evicted from federally assisted housing in the last five years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with the PHA.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

SEMMCHRA Policy

If the family is absent from the unit for more than 30 consecutive calendar days, without notifying the PHA, the family's assistance will be terminated. Notice of proposed termination will be sent in accordance with Section 12-II.F.

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.F.

Upon the PHA's HOTMA 102/104 compliance date, the below section on the asset limitation is added:

Asset Limitation [24 CFR 5.618; Notice PIH 2023-27]

The PHA has discretion with respect to the application of the asset limitation at annual and interim reexamination. The PHA may adopt a written policy of total nonenforcement, enforcement, or limited enforcement as well as adopting exception policies.

SEMMCHRA Policy

The PHA has adopted a policy of total nonenforcement of the asset limitation for all program participant. The asset limitation only applies to initial eligibility determinations for new admissions to the PHAs HCV program.

Insufficient Funding [24 CFR 982.454]

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

SEMMCHRA Policy

The PHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the PHA determines there is a shortage of funding, prior to terminating any HAP contracts, the PHA will determine if any other actions can be taken to reduce program costs.

In the event that the PHA decides to stop issuing vouchers as a result of a funding shortfall, and the PHA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when the PHA resumes issuing vouchers, the PHA will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the PHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, the PHA will inform the local HUD field office. The PHA will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA's annual budget authority.

If the PHA must terminate HAP contracts due to insufficient funding, the PHA will do so in accordance with the following criteria and instructions:

Families who have been assisted in the HCV program the longest will be the first to be terminated, excluding families that include elderly or disabled family members.

Families comprising the required number of special purpose vouchers, including nonelderly disabled (NED), HUD-Veteran's Affairs Supportive Housing (HUD-VASH), and family unification program (FUP) will be the last to be terminated.

The PHA will terminate HAP contracts starting with Category 1 families. The PHA will only move to the next category when there no families remaining in the current category and more HAP contract terminations are necessary.

Category 1: Families who have committed program fraud or abuse within the past 6 months.

Within each group below, the PHA will terminate HAP contracts according to the date the PHA first notified the family of the debt, starting with the most recent. If more than one family received notice on the same day, the PHA will rank the notices for that date using a random method.

First, the PHA will terminate families who owe the PHA money but are not yet under repayment agreement.

Second, the PHA will terminate families who owe the PHA money, are under repayment agreement, but have made at least one late payment.

PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

The PHA is required by regulation to terminate a family's assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give the PHA the authority to either terminate the family's assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion, and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the PHA's intent to terminate assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

SEMMCHRA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon PHA request.

Repayment of Family Debts

SEMMCHRA Policy

If a family owes amounts to the PHA, as a condition of continued assistance, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

SEMMCHRA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Use of Criminal Conviction Records after Admission [24 CFR 5.903]

The regulation at 24 CFR 5.903 governs a PHA's access to and use of criminal conviction records obtained from a "law enforcement agency" such as the National Crime Information Center (NCIC), police departments, and other law enforcement agencies that hold criminal conviction records. While the regulatory listing of permitted uses for these records includes PHA screening of applicants for admission to the HCV program, it specifically excludes the use of records for lease enforcement and eviction of HCV participants and excludes by omission a PHA's use of records to terminate assistance for participants. While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose. The limitations, however, do not apply to criminal conviction information searches from non-federal sources (i.e., sources other than the "law enforcement agencies" defined in 24 CFR 5.902(b)). There is no prohibition that bars a PHA from using non-federal sources to conduct criminal background checks of program participants.

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

SEMMCHRA Policy

The PHA will consider the following facts and circumstances when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record or records of arrest will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

Any statements made by witnesses or the participant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

SEMMCHRA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family's request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, OR HUMAN TRAFFICKING

This section describes the protections against termination of assistance that the Violence against Women Act (VAWA) provides for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault stalking, or human trafficking, and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [see 24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [see 24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, sexual assault, stalking, or human trafficking [see 24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

PHAs and owners may not coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWA [FR Notice 1/4/23].

Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault, stalking, or human trafficking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat" [24 CFR 5.2005(d)(3)].

SEMMCHRA Policy

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault, stalking or human trafficking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within an immediate time frame

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA's determination that they are an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

Documentation of Abuse [24 CFR 5.2007]

SEMMCHRA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual's file.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others" without terminating assistance to "or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant" [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [FR Notice 3/16/07].

If the perpetrator remains in the unit, the PHA continues to pay the owner until the PHA terminates the perpetrator from the program. The PHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The PHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the PHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.

SEMMCHRA Policy

The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and section 16-IX.D. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

12-II.F. TERMINATION NOTICE

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family's HAP contract and lease will also terminate when the family's assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

SEMMCHRA Policy

Whenever a family's assistance will be terminated, the PHA will send a written notice of termination to the family and to the owner. The PHA will also send a form HUD-5382 and form HUD-5380 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other PHA policies, or the circumstances surrounding the termination require.

When the PHA notifies an owner that a family's assistance will be terminated, the PHA will, if appropriate, advise the owner of their right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. VAWA requires PHAs to provide notice of VAWA rights and the HUD 5382 form when a PHA terminates a household's housing benefits.

SEMMCHRA Policy

Whenever the PHA decides to terminate a family's assistance because of the family's action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382 and form HUD-5380. The PHA will request in writing that a family member wishing to claim protection under VAWA notify the PHA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family's termination, the PHA must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].
- If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, and human trafficking and the victim is protected from eviction by the Violence against Women Act of 2013 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises
- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault, stalking, or human trafficking if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, stalking, or human trafficking.

Other Good Cause

During the initial lease term, the owner may not terminate the tenancy for "other good cause" unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, "other good cause" for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision
- The owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

If a property is subject to foreclosure, during the term of the lease, the new owner of the property does not have good cause to terminate the tenant's lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. See Section 13-II.G for a discussion of PHA policies relating to units in foreclosure.

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

SEMMCHRA Policy

If the eviction action is finalized in court, the owner must provide the PHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault, stalking, or human trafficking is limited by the Violence against Women Act (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family ~~is responsible for any Housing Quality Standards (HQS) breach deficiencies under the National Standards for the Physical Inspection of Real Estate (NSPIRE)by the family~~ may be responsible for a breach of housing quality standards caused by the family's failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond ~~normal~~ ordinary wear and tear caused by any member of the household or guest.

  SEMMCHRA Policy

  Damages beyond ordinary ~~normal~~ wear and tear will be considered to be damages which could be assessed against the security deposit under state law or in court practice.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

  SEMMCHRA Policy

  The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

  Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be construed as serious or repeated lease violations by the victim [see 24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

  SEMMCHRA Policy

  The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the PHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

  SEMMCHRA Policy

  All changes in family composition must be reported in writing within 10 business days of the change using the resident portal. The request to add a family member must be approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.
- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

  SEMMCHRA Policy

  Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.
- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

  SEMMCHRA Policy

  Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.
- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. SPECIAL PURPOSE VOUCHERS

The PHA Does Not Have This Program

INTRODUCTION

Special purpose vouchers are specifically funded by Congress in separate appropriations from regular HCV program funding in order to target specific populations. Special purpose vouchers include vouchers for the following programs:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)
- Stability Voucher program

PHA Policy

The PHA will administer the following types of special purpose vouchers: **[List special purpose vouchers administered by the PHA]**

This chapter describes HUD regulations and PHA policies for administering special purpose vouchers. The policies outlined in this chapter are organized into five sections, as follows:

Part I: Family Unification Program (FUP)

Part II: Foster Youth to Independence (FYI) program

Part III: Veterans Affairs Supportive Housing (VASH)

Part IV: Mainstream voucher program

Part V: Non-Elderly Disabled (NED) vouchers

Part VI: Stability Voucher program

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to special purpose vouchers.

PART I: FAMILY UNIFICATION PROGRAM (FUP)

19-I.A. PROGRAM OVERVIEW [Fact Sheet, Housing Choice Voucher Program Family Unification Program (FUP)]

Overview

The Family Unification Program (FUP) was authorized by Congress in 1990 to help preserve and reunify families. PHAs that administer the program provide vouchers to two different populations—FUP families and FUP youth.

Families eligible for FUP are families for whom the lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care; or
- The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers, and the family retains their voucher as long as they are HCV-eligible. There is no requirement for the provision of supportive services for FUP family vouchers.

Youth eligible for FUP are those who:

- Are at least 18 years old and not more than 24 years of age;
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 and older; and
- Are homeless or at risk of becoming homeless.

FUP youth vouchers are limited by statute to a period between 36 and 60 months of housing assistance. Supportive services must also be provided to FUP-eligible youth by the Public Child Welfare Agency (PCWA) or by another agency or organization under contract with the PCWA for the period of time defined in the notice or Notice of Funding Availability/Opportunity (NOFA/O) for which funding was made available.

PHAs that wish to administer FUP vouchers must apply to HUD by submitting an application under an active Notice of Funding Opportunity (NOFO). While the FUP program is administered in accordance with HCV regulations, the FUP NOFOs issued by HUD provide specific program information and requirements.

In order to administer the program, the PHA must also form a partnership with a local PCWA who is responsible for determining the family or youth meets FUP eligibility requirements and referring them to the PHA. Once the referral is received, the PHA is responsible for placing the FUP family or youth on the PHA's waiting list and determining whether they are eligible to receive assistance under the PHA's HCV program.

Assigning Vouchers [FUP FAQs]

The PHA may, but is not required to, assign a specific number or percentage of FUP vouchers for FUP youths and FUP families. Unless the PHA assigns a specific number or percentage of FUP vouchers to a designated FUP population, the PHA must serve any referrals (youths or families) that meet all program eligibility requirements up to the PHA's designated FUP program size.

PHA Policy

The PHA has not designated any specific number or percentage of FUP vouchers for youths or families. The PHA will serve all referrals that meet program eligibility requirements, up to the PHA's FUP voucher allocation.

19-I.B. PUBLIC CHILD WELFARE AGENCY (PCWA)

Families and youth do not apply directly to the PHA for FUP vouchers. They are instead referred by a PCWA with whom the PHA has entered into a Memorandum of Understanding (MOU). The partnering PCWA initially determines whether the family or youth meets the FUP program eligibility requirements listed in 19-I.C. and 19-I.D. and then refers those families or youths to the PHA.

HUD strongly encourages PHAs and PCWAs to make decisions collaboratively on the administration of the program and to maintain open and continuous communication. The PCWA must have a system for identifying FUP-eligible youth within the agency's caseload and for reviewing referrals from a Continuum of Care (COC) if applicable.

PHA Policy

The PHA has entered into an MOU with the following partnering organizations ***[insert names of public child welfare agency (PCWA), continuum of care, and any other partnering organizations].***

Supportive Services

The PCWA must provide supportive services for the period of time defined in the notice or NOFA/O for which the funding was made available to all FUP-eligible youth regardless of their age. The MOU between the PHA and the PCWA should identify the period of time in which supportive services will be provided.

PHA Policy

The PCWA will provide supportive services for all FUP youth for a period of 36 months.

Supportive services may be provided to FUP-eligible youth by the PCWA or by another agency or organization under agreement or contract with the PCWA, including the PHA. The organization providing the services and resources must be identified in the MOU. The following services must be offered:

- Basic life skills information or counseling on money management, use of credit, housekeeping, proper nutrition or meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance or referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FUP voucher;
- Job preparation and attainment counseling (where to look and how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED), or attendance or financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

PHA Policy

Additional supportive services will not be offered.

A FUP-eligible youth cannot be required to participate in these services as condition of receipt of the FUP voucher.

19-I.C. FUP FAMILY VOUCHER ELIGIBILITY CRITERIA

FUP family assistance is reserved for eligible families that the PCWA has certified are a family for whom a lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care, or
- The delay in the discharge of the child or children to the family from out-of-home care.

Lack of adequate housing means the family meets any one of the following conditions:

- Living in substandard housing, which refers to a unit that meets any one of the following conditions:
  - Does not have operable indoor plumbing
  - Does not have a usable flush toilet inside the unit for the exclusive use of a family or youth
  - Does not have a usable bathtub or shower inside the unit for the exclusive use of a family or youth
  - Does not have electricity, or has inadequate or unsafe electrical service
  - Does not have a safe or adequate source of heat
  - Should, but does not, have a kitchen
  - Has been declared unfit for habitation by an agency or unit of government, or in its present condition otherwise endangers the health, safety, or well-being of the family or youth
  - Has one or more critical defects, or a combination of intermediate defects in sufficient number or to the extent that it requires considerable repair or rebuilding. The defects may result from original construction, from continued neglect or lack of repair, or from serious damage to the structure
- Being homeless as defined in 24 CFR 578.3
- Living in a unit where the presence of a household member with certain characteristics (i.e., conviction for certain criminal activities) would result in the imminent placement of the family's child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care
- Living in housing not accessible to the family's disabled child or children due to the nature of the disability

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- Living in an overcrowded unit, which is defined as living in a unit where one of the following conditions has been met:
  - The family is separated from its child or children and the parents are living in an otherwise standard housing unit, but, after the family is reunited, the parents' housing unit would be overcrowded for the entire family and would be considered substandard; or
  - The family is living with its child or children in a unit that is overcrowded for the entire family and this overcrowded condition may result, in addition to other factors, in the imminent placement of its child or children in out-of-home care.
  - For purposes of this definition, the determination as to whether the unit is overcrowded is made in accordance with the PHA subsidy standards in Chapter 5, Part III of this policy.

Since HUD does not define *imminent placement*, the partnering PCWA may use its discretion to determine whether the potential out of home placement of the family's child or children is imminent [FUP FAQs].

19-I.D. FUP YOUTH VOUCHER ELIGIBILITY CRITERIA

While FUP family vouchers operate as regular HCVs after the family is referred from the PCWA, there are several aspects of the FUP youth vouchers that make them distinct from the FUP family vouchers and from regular HCVs.

Eligibility Criteria

A FUP-eligible youth is a youth the PCWA has certified:

- Is at least 18 years old and not more than 24 years of age (has not yet reached their 25th birthday);
  - The FUP youth must be no more than 24 years old at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Has left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
  - Foster care placement can include, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576.
- Is homeless or at risk of becoming homeless at age 16 or older;
  - *At risk of being homeless* is fully defined at 24 CFR 576.2.
    - This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution).
    - Therefore, youth being discharged from an institution may be eligible for a FUP voucher [FUP FAQs].
- Has an annual income at or below 30 percent of area median income; and
- Does not have sufficient resources or support networks (e.g., family, friends, faith-based or other social networks) immediately available to prevent them from moving to a supervised publicly or privately operated shelter designed to provide temporary living arrangements.

19-I.E. ASSISTANCE PERIOD [FR Notice 1/24/22]

Maximum Assistance Period

Although there is no time limit on FUP family vouchers, FUP youth vouchers are limited by statute. Unless the FUP youth meets an exception outlined below, after 36 months of assistance, the FUP youth voucher must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the 36-month limitation.

If the FUP youth does meet the requirements outlined below, the statutory limit on FUP assistance is a total of 60 months of FUP voucher assistance [FR Notice 1/24/22].

Extension of Assistance

FUP youth who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FUP youth cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FUP youth must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

A FUP youth will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the PHA's FSS program if they certify that they meet one of the exceptions below:

- The FUP youth is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

  PHA Policy

  The PHA defines *incapacitated person* as **[insert definition under state and local law]**.

  The PHA will apply this exception in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements.

  The FUP youth will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FUP youth must submit.

  The child or incapacitated person is not required to reside in the household in order for the youth to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part-time may qualify the youth for this exception.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

- The FUP youth is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

  PHA Policy

  The PHA will define *regular and active participation* in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements.

  The FUP youth will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FUP youth must submit.

- The FUP youth is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

  PHA Policy

  The PHA will apply this requirement in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with statutory requirements.

  The FUP youth will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FUP youth must submit.

A FUP youth that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FUP youth. A FUP youth may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FUP youth an FSS slot during their first 36 months of receiving FUP youth assistance, the youth is considered to have been "unable to enroll" in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The youth was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

  PHA Policy

  The PHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate's degree, bachelor's degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The youth was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

  PHA Policy

  Youth must be enrolled in education activities on at least a half-time basis, as defined by the institution that they attend. However, the PHA may make exceptions to this requirement if the youth is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where the youth is enrolled.

Unlimited copies may be made for internal use.

- The youth was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102). The term *career pathway* means a combination of rigorous and high-quality education, training, and other services that:
  - Aligns with the skill needs of industries in the economy of the state or regional economy involved;
  - Prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the "National Apprenticeship Act"; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an *apprenticeship*, except in section 3226 of this title);
  - Includes counseling to support an individual in achieving the individual's education and career goals;
  - Includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster;
  - Organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;
  - Enables an individual to attain a secondary school diploma or its recognized equivalent, and at least one recognized postsecondary credential; and
  - Helps an individual enter or advance within a specific occupation or occupational cluster.
- The youth was employed.

  PHA Policy

  The PHA will consider the youth to be employed if they work a minimum of 20 hours per week. The PHA may make exceptions to this requirement if the youth's hours are reduced due to circumstances beyond their control or the youth must temporarily reduce their work hours due to a verified family emergency.

FSS Enrollment at 24 Months

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, HUD encourages the PHA to remind the youth at the 24-month reexamination of the education, workforce development, and employment requirements described above so that the youth has enough time to meet these requirements prior to the expiration of the 36-month time period for FUP assistance.

PHA Policy

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, the PHA will remind the youth at their second regular reexam of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to a FUP youth who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the youth previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the youth to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the youth is engaged in and any statutory exceptions that apply to the youth, as well as the remaining time on their voucher.
- If the FUP youth accepts the FSS slot, the PHA must work with the youth to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FUP youth is offered an FSS slot prior to the 36-month mark, the youth:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been "unable to enroll" in the FSS program as described above, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required to, offer a FUP youth an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the youth will have already received their second and final extension.

PHA Policy

If an FSS slot becomes available between the 48 and 60-month marks, the PHA will not offer the FSS slot to a FUP youth.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FUP youth assistance if the youth is participating in and in compliance with the FSS program as long as the youth is still eligible for the HCV program.

In any case, the FUP youth cannot receive more than a total of 60 months of FUP youth voucher assistance, even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FUP youth has been unable to enroll in the program during the first 36 months of receiving FUP assistance, the FUP youth is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the youth engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the youth may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FUP youth written notification informing them that they may receive an extension of their FUP assistance and providing instructions on how the youth may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FUP youth to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FUP assistance.

PHA Policy

The PHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FUP youth's scheduled annual reexamination. The PHA will not verify compliance at the end of the 60-month time period.

The PHA will provide each FUP youth on the PHA's program with a written notification informing them that they may receive an extension of their FUP assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual ~~reexam~~ reexamination date. When necessary, the PHA will provide this notification in a format accessible to FUP youth with disabilities and in a translated format for FUP youth with limited English proficiency in accordance with Chapter 2.

The PHA will use the following verification methods to verify a FUP youth's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the PHA will examine its records to confirm, or obtain confirmation from the PHA's FSS program staff, that the FUP youth participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the PHA will verify that the FUP youth was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of 36-month or 48-month time period, as applicable.

Due to the timing of when the PHA verifies compliance and conducts the annual reexamination, the FUP youth may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FUP/FYI youth will still be considered to have met the requirements.

In order for the FUP youth to meet one of the statutory exceptions described above, the youth must submit a certification to the PHA that they meet one of these exceptions. This certification is the only documentation that the FUP youth must submit in order to demonstrate that they meet one of the statutory exceptions.

A FUP youth who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FUP youth may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the youth meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the youth is still eligible for the HCV program, the PHA must provide the FUP youth the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FUP youth to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FUP assistance prior to the annual reexam.

If the FUP youth does not meet any of the conditions described in in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FUP youth voucher must be terminated once the youth reaches this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the youth entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the youth, not the number of months that the youth is in the FUP youth program. Prior to termination, the PHA must offer the FUP youth the opportunity to request an informal hearing, in accordance with Chapter 16.

19-I.F. REFERRALS AND WAITING LIST MANAGEMENT

Referrals

The PCWA must establish and implement a system to identify FUP-eligible families and youths within the agency's caseload and make referrals to the PHA. The PCWA must certify that the FUP applicants they refer to the PHA meet FUP eligibility requirements. The PHA is not required to maintain full documentation that demonstrates the family's or youth's FUP eligibility as determined by the PCWA but should keep the referral or certification from the PCWA.

PHA Policy

As part of the MOU, the PHA and PCWA have identified staff positions to serve as lead FUP liaisons. These positions will be responsible for transmission and acceptance of FUP referrals. The PCWA must commit sufficient staff and resources to ensure eligible families and youths are identified and determined eligible in a timely manner.

When FUP vouchers are available, the PHA liaison responsible for acceptance of referrals will contact the PCWA FUP liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison will provide the PHA with a list of eligible referrals include the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating the youth or family is FUP-eligible.

The PHA will maintain a copy of the referral or certification from the PCWA in the participant's file along with other eligibility paperwork.

A PHA must serve any referrals (youths or families) that meet all program eligibility requirements. If a PHA determines that it has received a sufficient number of referrals from the PCWA so that the PHA will be able to lease all FUP vouchers awarded, the PHA may request that the PCWA suspend transmission of referrals. If the PHA determines that additional referrals will be needed after it has made such a request, the PHA may request that the PCWA resume transmission of referrals [Notice PIH 2011-52].

Waiting List Placement

A family that is already participating in the regular HCV program cannot be transferred to a FUP voucher.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new FUP applicants. If necessary, the PHA may open its waiting list solely for FUP applicants, but this information must be included in the PHA's notice of opening its waiting list (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

PHA Policy

Within 10 business days of receiving the referral from the PCWA, the PHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the family or youth is FUP-eligible.

For those referrals not already on the waiting list, the PHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the PHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FUP-eligible.

Waiting List Selection

The PHA selects FUP-eligible families or youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

19-I.G. PHA HCV ELIGIBILITY DETERMINATION

Once a FUP-eligible family or youth is selected from the HCV waiting list, the PHA must determine whether the family or youth meets HCV program eligibility requirements. Applicants must be eligible under both FUP family or youth eligibility requirements, as applicable, and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the family's criminal history.

PHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant's criminal history to the PHA.

The PHA will consider the information in making its eligibility determination in accordance with the PHA's policies in Chapter 3, Part III.

Additional FUP Eligibility Factors [FUP FAQs]

For FUP family vouchers, the family must remain FUP-eligible thorough lease-up.

- If, after a family is referred by the PCWA but prior to issuing a family FUP voucher, the PHA discovers that the lack of adequate housing is no longer a primary factor for the family not reunifying, the FUP voucher may not be issued to the family.
- Similarly, if the FUP voucher has already been issued before the PHA discovers that the reunification will not happen, but the family has not yet leased up under the voucher, the PHA must not execute the HAP contract, as the family is no longer FUP-eligible.

FUP-eligible youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a FUP youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FUP youth voucher.

PHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the PHA in writing following policies in Section 3-III.F., including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

19.I.H. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the family or youth will be issued a FUP voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FUP youth of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- Supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FUP youth assistance.

  PHA Policy

  Eligible applicants will be notified by the PHA in writing following policies in Section 3-III.F. of this administrative plan. FUP families will attend a standard HCV briefing in accordance with PHA policies in Part I of Chapter 5 of this administrative plan. FUP youth will be briefed individually. The PHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5 but will also provide an explanation of the required items listed above, as well as discussing supportive services offered by the PCWA.

  For both FUP youth and FUP families, vouchers will be issued in accordance with PHA policies in Chapter 5 Part II, except that the PHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the family or youth locate a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA's policies (including, but not limited to: ~~NSPIREHQS~~ inspection, determination of rent reasonableness, etc.).

19-I.I. TERMINATION OF ASSISTANCE

General Requirements

With the exception of terminations of assistance for FUP youth after the statutorily required time period, terminations of FUP assistance are handled in the same way as the regular HCV program. Termination of a FUP voucher must be consistent with regulations for termination in 24 CFR Part 982, Subpart L and be in compliance with PHA policies (Chapter 12).

If the person who qualifies for the FUP voucher passes away, the family retains the FUP voucher. In the case of a FUP-youth voucher, assistance will terminate after the statutorily required time period, even if the FUP-eligible youth is no longer included in the household.

If the person who qualifies for the FUP voucher moves, the remaining family members may keep the FUP voucher based on PHA policy (see administrative plan, Section 3-I.C., Family Breakup and Remaining Member of Tenant Family).

FUP Family Vouchers

If parents lose their parental rights or are separated from their children after voucher lease-up (or their children reach adulthood), the family is still eligible to keep their FUP assistance, as the regulations do not permit HCV termination for a family losing parental rights or the children reaching adulthood. However, the PHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household.

PHA Policy

The PHA will transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household and there is no prospect of any minor child being returned to the household.

If the PHA has no regular HCV vouchers available at the time this determination is made, including if no vouchers are available due to lack of funding, the PHA will issue the family the next available regular HCV voucher after those being issued to families residing in PBV units claiming Choice Mobility.

Unlimited copies may be made for internal use.

FUP Youth Vouchers

A PHA cannot terminate a FUP youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FUP youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of a FUP youth voucher holder to regular HCV assistance upon the expiration of the statutorily required time period. However, the PHA may issue a regular HCV to FUP youth if they were selected from the waiting list in accordance with PHA policies and may also adopt a preference for FUP youth voucher holders who are being terminated for this reason.

PHA Policy

The PHA will not provide a selection preference on the PHA's HCV waiting list for FUP youth who are terminated due to the time limit on assistance.

Upon the expiration of the statutorily required time period, a FUP youth voucher holder who has children and who lacks adequate housing may qualify for a FUP family voucher provided they are referred by the PCWA as an eligible family and meet the eligibility requirements for the PHA's HCV program.

9-I.J. FUP PORTABILITY

Portability for a FUP family or youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for a FUP family or youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

A FUP family or youth does not have to port to a jurisdiction that administers FUP.

If the receiving PHA administers the FUP voucher on behalf of the initial PHA, the voucher is still considered a FUP voucher regardless of whether the receiving PHA has a FUP program.

If the receiving PHA absorbs the voucher, the receiving PHA may absorb the incoming port into its FUP program (if it has one) or into its regular HCV program (if the receiving PHA has vouchers available to do so) and the family or youth become regular HCV participants. In either case, when the receiving PHA absorbs the voucher, a FUP voucher becomes available to the initial PHA.

Considerations for FUP Youth Vouchers

If the voucher is a FUP youth voucher and remains such upon lease-up in the receiving PHA's jurisdiction, termination of assistance must still take place once the youth has received assistance for the statutorily required time period. If the receiving PHA is administering the FUP youth voucher on behalf of the initial PHA, the two PHAs must work together to initiate termination upon expiration of the statutorily required time period.

19-I.K. PROJECT-BASING FUP VOUCHERS [Notice PIH 2017-21; FR Notice 5/7/24; 24 CFR 983.6(d)(2); 983.54(c); 983.262(c) and (e); and FR Notice 1/24/22]

The PHA may project-base FUP vouchers without HUD approval in accordance with ~~Notice PIH 2017-21, FR Notice 1/24/22, and~~ all statutory and regulatory requirements for the PBV program. See Chapter 17 for PHA policies related to project-basing FUP vouchers.

~~Project-based FUP vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.~~

~~The PHA may limit PBVs to one category of FUP-eligible participants (families or youth) or a combination of the two.~~

~~While FUP vouchers can be used for either families or youth, a PBV unit may only be counted towards the PHA's 10 percent exception authority under the program cap and the project's income-mixing requirement if the FUP PBV assistance is provided on behalf of an eligible youth. The PHA must amend its administrative plan to include the limitation of these FUP PBV units to eligible youth.~~

~~PHA Policy~~

~~The PHA will not project-base FUP vouchers. All FUP vouchers will be used to provide tenant-based assistance.~~

PART II: FOSTER YOUTH TO INDEPENDENCE INITIATIVE

19-II.A. PROGRAM OVERVIEW [Notice PIH 2020-28; Notice PIH 2023-04; FR Notice 1/24/22]

The Foster Youth to Independence (FYI) initiative was announced in 2019. The FYI initiative allows PHAs who partner with a Public Child Welfare Agency (PCWA) to request targeted HCVs to serve eligible youth with a history of child welfare involvement that are homeless or at risk of being homeless. Rental assistance and supportive services are provided to qualified youth for a period of between 36 and 60 months. The PHA must have an existing ACC with HUD for HCVs.

Funding is available either competitively though an FYI NOFA or noncompetitively on a rolling basis in accordance with the application requirements outlined in Notice PIH 2020-28, Notice PIH 2021-26, or Notice PIH 2023-04, as applicable. Under the noncompetitive process, PHAs are limited to 25 vouchers in a fiscal year with the ability to request additional vouchers. Where the PHA has a combined FYI and/or FUP size of no more than 10 vouchers, the PHA may request FYI vouchers with at least 50 percent utilization of its FUP and/or FYI vouchers. Where the PHA has a combined FYI and/or FUP size of 11 or more vouchers, the PHA may request FYI vouchers with 90 percent or greater utilization of its FUP and/or FYI vouchers.PHAs may be eligible for an exception to the utilization criteria with the submission to HUD of a narrative that explains why the PHA does not meet the utilization criteria and requires the award of FYI vouchers. ~~For competitive awards, the number of vouchers is dependent on PHA program size and need.~~

19-II.B. PARTNERING AGENCIES [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar]

Public Child Welfare Agency (PCWA)

The PHA must enter into a partnership agreement with a PCWA in the PHA's jurisdiction in the form of a Memorandum of Understanding (MOU) or letter of intent. The minimum contents of the partnership agreement are outlined in Notice PIH 2023-04. The PCWA is responsible for identifying and referring eligible youth to the PHA and providing or securing a commitment for the provision of supportive services once youth are admitted to the program.

PHA Policy

The PHA will implement a Foster Youth to Independence (FYI) program in partnership with ***[insert name(s) of PCWA(s)].***

The PCWA is responsible for:

- Identifying FYI-eligible youth;
- Developing a system of prioritization based on the level of need of the youth and the appropriateness of intervention;
- Providing a written certification to the PHA that the youth is eligible; and
- ~~Providing or securing supportive services for 36 months.~~ The PCWA must provide or secure a commitment for the provision of supportive services that are required to be offered.

Continuum of Care (CoC) and Other Partners

HUD strongly encourages PHAs to add other partners into the partnership agreement with the PCWA such as state, local, philanthropic, faith-based organizations, and the CoC, or a CoC recipient it designates. The CoC plays a role in identifying eligible youth in the community at risk of or experiencing homelessness that are no longer part of the child welfare system. Through the CoC's coordinated entry process, referrals of eligible youth to the PCWA are made based on prioritization of need and appropriateness of the intervention. Further, CoC recipients may provide supportive services using CoC program funds to youth who qualify for CoC program assistance. Youth who are part of the PCWA's active caseload do not have to be added to the CoC's coordinated entry process.

PHA Policy

In addition to the PCWA, the PHA will implement the FYI program in partnership with ***[insert names of any other partners the PHA designates in the partnership agreement].***

19-II.C. YOUTH ELIGIBILITY CRITERIA [Notice PIH 2023-04; FYI Q&As; FYI FAQs]

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. As determined by the PCWA, eligible youth:

- Are at least 18 years of age and not more than 24 years of age (have not yet reached their 25th birthday);
  - Youth must be no more than 24 years of age at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
  - Placements can include, but are not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576;
- Are homeless or at risk of becoming homeless at age 16 and older;
  - *At risk of being homeless* is fully defined at 24 CFR 576.2.
    - This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution). Therefore, youth being discharged from an institution may be eligible for an FYI voucher [FYI FAQs].

Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance assuming they otherwise meet eligibility requirements.PHAs may not exclude pregnant or parenting youth from service.

19-II.D. SUPPORTIVE SERVICES [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar; FYI Q&As]

Supportive services may be provided by the PHA, PCWA, or a third party. The PCWA must provide or secure a commitment to provide supportive services for participating youth for the period of time defined in the NOFA/O for which the funding was made available. At a minimum, the following supportive services must be offered:

- Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist eligible youth to rent a unit with a voucher;
- Job preparation and attainment counseling (where to look/how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED) or attendance/financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

PHA Policy

Additional supportive services will not be offered.

Since participation in supportive services is optional, but strongly encouraged, an FYI participant may decline supportive services.

Administrative fees reserves may be used to cover costs for the supportive services listed above with HUD approval in accordance with Notice PIH 2022-14 and Notice PIH 2022-18.

19-II.E. REFERRALS AND WAITING LIST MANAGEMENT [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar FYI FAQs]

Referrals

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. Once the PCWA sends the PHA the referral certifying the youth is program-eligible, the PHA determines HCV eligibility.

The PCWA must have a system for identifying eligible youth within the agency's caseload and reviewing referrals from other partners, as applicable. The PCWA must also have a system for prioritization of referrals to ensure that youth are prioritized for an FYI voucher based upon their level of need and appropriateness of the intervention. For youth still involved in the child welfare system, the permanency goals of the young person should be taken into account. Prioritziation must be designed in a way that is consistent with fair housing and civil rights requirements.

Referrals may come from other organizations in the community who work with the population, but the PCWA must certify that the youth meets eligibility requirements, unless the PCWA has vested another organization with this authority.

The PHA is not required to maintain full documentation that demonstrates the youth's eligibility as determined by the PCWA but should keep the referral or certification from the PCWA. The PCWA is not required to provide the PHA with HCV eligibility documents.

PHA Policy

The PHA and PCWA have identified staff positions to serve as lead FYI liaisons. These positions will be responsible for transmission and acceptance of referrals. The PCWA must commit sufficient staff and resources to ensure eligible youths are identified, prioritized, and determined eligible in a timely manner.

When vouchers are available, the PHA liaison responsible for acceptance of referrals will contact the PCWA liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison must provide the PHA with a list of eligible referrals, a completed release form, and a written certification for each referral indicating the referral is eligible. The list will include the name, address, and contact phone number for each adult individual who is being referred.

The PHA will maintain a copy of each certification from the PCWA in the participant's file along with other eligibility paperwork.

Unlimited copies may be made for internal use.

Waiting List Placement [Notice PIH 2023-04 and FYI FAQs]

The PHA must use the HCV waiting list for the FYI program. Youth already on the HCV program may not be transferred to an FYI voucher since they are not homeless or at-risk of homelessness.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new referrals. The PHA may reopen the waiting list to accept an FYI eligible youth without opening the waiting list for other applicants; however, the requirements at 24 CFR 982.206 for giving public notice when opening and closing the waiting list apply (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

PHA Policy

Within 10 business days of receiving the referral from the PCWA, the PHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the applicant is FYI-eligible.

For those referrals not already on the waiting list, the PHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the PHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FYI-eligible.

Waiting List Selection

The PHA selects eligible youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

19-II.F. PHA HCV ELIGIBILITY DETERMINATION [FYI FAQs]

Once an eligible youth is selected from the HCV waiting list, the PHA must determine whether the youth meets HCV program eligibility requirements. Applicants must be eligible under both FYI eligibility requirements and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the youth's criminal history.

PHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant's criminal history to the PHA.

The PHA will consider the information in making its eligibility determination in accordance with the PHA's policies in Chapter 3, Part III.

Additional Eligibility Factors

Youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FYI voucher.

PHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the PHA in writing following policies in Section 3-III.F, including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

19-II.G. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the youth will be issued an FYI voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FYI voucher holder of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- The supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FYI assistance.

  PHA Policy

  Eligible applicants will be notified by the PHA in writing following policies in Section 3-III.F. of this policy. FYI youth will be briefed individually. The PHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5.

  Vouchers will be issued in accordance with PHA policies in Chapter 5, Part II, except that the PHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the youth locates a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA policy in Chapter 9.

Should a youth fail to use the voucher, the PHA may issue the voucher to another eligible youth if one has been identified [Notice PIH 2023-04].

When providing education or counseling on renting housing that may include pre-1978 housing, the PHA must inform participating youth of their rights under the Lead Disclosure Rule (24 CFR part 34, subpart A) and the Lead Safe Housing Rule (subparts B, R, and, as applicable, F-M).

Turnover ~~[Notice PIH 2023-04]~~

Awards of FYI Tenant Protection Vouchers (TPVs) continue to be administered under the requirements of Notice PIH 2019-20. This includes turnover requirements and the requirement to inform HUD should a youth not use a voucher or leave the program. For example, FYI TPVs awarded under Notice PIH 2019-20 "sunset" when a youth leaves the program. This means that the PHA cannot reissue FYI TPV assistance issued under that notice to another youth when an initial youth exits the HCV program. HUD does not have the authority to allow the voucher to be used for a youth other than the one identified in the request.

For awards under Notice PIH 2023-04, if another eligible youth is not available, the PHA must notify HUD before the end of the calendar year, and HUD will reduce the PHA's HCV assistance to account for the removal of the FYI assistance from the PHA's HCV baseline.

19-II.H. MAXIMUM ASSISTANCE PERIOD [Notice PIH 2023-04 and FYI FAQs; FR Notice 1/24/22]

Vouchers are limited by statute to a total of between 36 months and 60 months of housing assistance. At the end of the statutory time period, assistance must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the limitation. It is not permissible to reissue another FYI TPV to the same youth upon expiration of their FYI assistance.

Participants do not "age out" of the program. A participant may continue with the program until they have received the period of assistance for which they are eligible. Age limits are only applied for entry into the program.

Extension of Assistance

FYI voucher holders who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FYI voucher holders cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FYI voucher holders must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

FYI voucher holders will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the PHA's FSS program if they certify that they meet one of the exceptions below:

- The FYI voucher holder is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

  PHA Policy

  The PHA defines *incapacitated person* as **[insert definition under state and local law]**. The PHA will apply this exception in a manner that provides extensions of FYI assistance to the broadest population possible consistent with the statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

  The child or incapacitated person is not required to reside in the household in order for the FYI voucher holder to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part time may qualify the FYI voucher holder for this exception.

- The FYI voucher holder is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

  PHA Policy

  The PHA will define *regular and active participation* in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with the statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

- The FYI voucher holder is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

  PHA Policy

  The PHA will apply this requirement in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

An FYI voucher holder that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FYI voucher holders. An FYI voucher holder may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FYI voucher holder an FSS slot during their first 36 months of receiving FYI assistance, the FYI voucher holder is considered to have been "unable to enroll" in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The FYI voucher holder was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

  PHA Policy

  The PHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate's degree, bachelor's degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The FYI voucher holder was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

  PHA Policy

  The FYI voucher holder must be enrolled in education activities on at least a half-time basis, as defined by the institution which they attend. However, the PHA may make exceptions to this requirement if the FYI voucher holder is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where they are enrolled.

- The FYI voucher holder was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).
- The FYI voucher holder was employed.

PHA Policy

The PHA will consider the FYI voucher holder to be employed if they work a minimum of 20 hours per week. The PHA may make exceptions to this requirement if the FYI voucher holder's hours are reduced due to circumstances beyond their control or the FYI voucher holder must temporarily reduce their work hours due to a verified family emergency.

FSS Enrollment at 24 Months

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, HUD encourages the PHA to remind the FYI voucher holder at the 24-month reexamination of the education, workforce development, and employment requirements described above so that they have enough time to meet these requirements prior to the expiration of the 36-month time period for FYI assistance.

PHA Policy

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, the PHA will remind the FYI voucher holder at their second regular ~~reexam~~ reexamination of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to an FYI voucher holder who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the FYI voucher holder previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the FYI voucher holder to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the FYI voucher holder is engaged in and any statutory exceptions that apply to the FYI voucher holder, as well as the remaining time on their voucher.
- If the FYI voucher holder accepts the FSS slot, the PHA must work with them to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FYI voucher holder is offered an FSS slot prior to the 36-month mark, the FYI voucher holder:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been "unable to enroll" in the FSS program, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required, to offer an FYI voucher holder an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the FYI voucher holder will have already received their second and final extension.

PHA Policy

If an FSS slot becomes available between the 48 and 60-month marks, the PHA will not offer the FSS slot to an FYI voucher holder.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FYI assistance if the FYI voucher holder is participating in and in compliance with the FSS program as long as the FYI voucher holder is still eligible for the HCV program.

In any case, the FYI voucher holder cannot receive more than a total of 60 months of FYI assistance even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FYI voucher holder has been unable to enroll in the program during the first 36 months of receiving FYI assistance, the FYI voucher holder is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the FYI voucher holder engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the FYI voucher holder may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FYI voucher holder written notification informing them that they may receive an extension of their FYI assistance and providing instructions on how the FYI voucher holder may demonstrate that they meet one of

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.

these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FYI voucher holder to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FYI assistance.

PHA Policy

The PHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FYI voucher holder's scheduled annual reexamination. The PHA will not verify compliance at the end of the 60-month time period.

The PHA will provide each FYI voucher holder on the PHA's program with a written notification informing them that they may receive an extension of their FYI assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual ~~reexam~~ reexamination date. When necessary, the PHA will provide this notification in a format accessible to FYI voucher holders with disabilities and in a translated format for FYI voucher holders with limited English proficiency in accordance with Chapter 2.

The PHA will use the following verification methods to verify an FYI voucher holder's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the PHA will examine its records to confirm, or obtain confirmation from the PHA's FSS program staff, that the FYI participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the PHA will verify that the FYI voucher holder was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of the 36-month or 48-month time period, as applicable.

Due to the timing of when the PHA verifies compliance and conducts the annual reexamination, the FYI voucher holder may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FYI voucher holder will still be considered to have met the requirements.

In order for the FYI voucher holder to meet one of the statutory exceptions described above, the FYI voucher holder must submit a certification to the PHA that they meet one of these exceptions. This certification is the only documentation that the FYI voucher holder must submit in order to demonstrate that they meet one of the statutory exceptions.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

An FYI voucher holder who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FYI voucher holder may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the FYI voucher holder meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the FYI voucher holder is still eligible for the HCV program, the PHA must provide the FYI voucher holder the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FYI voucher holder to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FYI assistance prior to the annual reexam.

If the FYI voucher holder does not meet any of the statutory conditions described in in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FYI voucher must be terminated once they reach this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the FYI voucher holder entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the FYI voucher holder, not the number of months that they are in the FYI program. Prior to termination, the PHA must offer the FYI voucher holder the opportunity to request an informal hearing, in accordance with Chapter 16.

19-II.I. TERMINATION OF ASSISTANCE [FYI FAQs]

Termination of a FYI voucher is handled in the same way as with any HCV; therefore, termination of a FYI voucher must be consistent with HCV regulations at 24 CFR Part 982, Subpart L and PHA policies in Chapter 12. Given the statutory time limit that requires FYI vouchers to sunset, a PHA must terminate the youth's assistance once the limit on assistance has expired.

A PHA cannot terminate a FYI youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FYI youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of FYI voucher holders to regular HCV assistance upon the expiration of the limit on assistance. However, the PHA may issue a regular HCV to FYI voucher holders if they were selected from the waiting list in accordance with PHA policies. The PHA may also adopt a waiting list preference for FYI voucher holders who are being terminated for this reason.

PHA Policy

The PHA will not provide a selection preference on the PHA's HCV waiting list for FYI voucher holders who are terminated due to the time limit on assistance.

19-II.J. PORTABILITY [FYI FAQs]

Portability for an FYI youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for an FYI youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

An FYI youth does not have to port to a jurisdiction that administers FYI vouchers.

If the receiving PHA absorbs the voucher, the PHA may absorb the youth into its regular HCV program if it has vouchers available to do so. If the receiving PHA absorbs the youth into its regular HCV program, that youth becomes a regular HCV participant with none of the limitations of an FYI voucher.

The initial and receiving PHA must work together to initiate termination of assistance upon expiration of the time limit on assistance.

19-II.K. PROJECT-BASING FYI VOUCHERS [FYI FAQs; FR Notice 1/24/22; Notice PIH 2024-03]

PHAs that have initiated the selection process to project-base FYI and/or FUP vouchers may be eligible to project-base FYI and FUP units formally identified for project basing in accordance with all applicable PBV regulations and PHA policies in Chapter 17. This includes FYI vouchers awarded under Notices PIH 2020-28, PIH 2021-26, and PIH 2023-04. Assistance awarded under Notice PIH 2019-20 is prohibited from being project-based.

PHA Policy

The PHA will not project-base FYI vouchers. All FYI vouchers will be used to provide tenant-based assistance.

PART III: VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

19-III.A. PROGRAM OVERVIEW

Since 2008, HCV program funding has provided rental assistance under a supportive housing program for homeless veterans. The Veterans Affairs Supportive Housing (VASH) program combines HCV rental assistance with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA medical centers (VAMCs) and Community-Based Outpatient Clinics (CBOCs), or through a designated service provider (DSP) as approved by the VA Secretary. Eligible families are homeless veterans and their families that agree to participate in VA case management and are referred to the VAMC's partner PHA for HCV assistance. The VAMC or DSP's responsibilities include:

- Screening homeless veterans to determine whether they meet VASH program participation criteria;
- Referring homeless veterans to the PHA;
  - The term *homeless veteran* means a veteran who is homeless (as that term is defined in subsection (a) or (b) of Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302)). See 38 U.S.C. 2002.
- Providing appropriate treatment and supportive services to potential VASH participants, if needed, prior to PHA issuance of a voucher;
- Providing housing search assistance to VASH participants;
- Identifying the social service and medical needs of VASH participants, and providing or ensuring the provision of regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout the veterans' participation period; and
- Maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

VASH vouchers are awarded noncompetitively based on geographic need and PHA administrative performance. Eligible PHAs must be located within the jurisdiction of a VAMC and in an area of high need based on data compiled by HUD and the VA. When Congress funds a new allocation of VASH vouchers, HUD invites eligible PHAs to apply for a specified number of vouchers.

Generally, the HUD-VASH program is administered in accordance with regular HCV program requirements. However, HUD is authorized to waive or specify alternative requirements to allow PHAs to effectively deliver and administer VASH assistance. Alternative requirements are established in the HUD-VASH Operating Requirements, which were originally published in the Federal Register on May 6, 2008, and updated September 27, 2021, and then again in 2024. Unless expressly waived by HUD, all regulatory requirements and HUD directives regarding the HCV program requirements are applicable to VASH vouchers, including the use of all HUD-required contracts and other forms, and all civil rights and fair housing requirements. In addition,

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

the PHA may request additional statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The VASH program is administered in accordance with applicable Fair Housing requirements since civil rights requirements cannot be waived under the program. These include applicable authorities under 24 CFR 5.105(a) and 24 CFR 982.53 including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Age Discrimination Act and all PHA policies as outlined in Chapter 2 of this document.

When HUD-VASH recipients include veterans with disabilities or family members with disabilities, reasonable accommodation requirements in Part II of Chapter 2 of this policy apply.

19-III.B. REFERRALS [FR Notice 8/13/24 ~~FR Notice 9/27/21~~ and HUD-VASH Qs and As]

VAMC case managers will screen all families in accordance with VA screening criteria and refer eligible families to the PHA for determination of program eligibility and voucher issuance. The PHA has no role in determining or verifying the veteran's eligibility under VA screening criteria, including determining the veteran's homelessness status. The PHA must accept referrals from the partnering VAMC and must maintain written documentation of referrals in VASH tenant files. Upon turnover, VASH vouchers must be issued to eligible veteran families as identified by the VAMC.

PHA Policy

In order to expedite the screening process, the PHA will provide all forms and a list of documents required for the VASH application to the VAMC. Case managers will work with veterans to fill out the forms and compile all documents prior to meeting with the PHA and submitting an application. When feasible, the VAMC case manager should email ~~or fax~~ copies of all documents to the PHA prior to the meeting in order to allow the PHA time to review them and start a file for the veteran.

After the VAMC has given the PHA a complete referral, the PHA will perform an eligibility screening within five business days of receipt of a VAMC referral.

19-III.C. HCV PROGRAM ELIGIBILITY [FR Notice 8/13/24 ~~FR Notice 9/27/21~~]

Eligible participants are homeless veterans and their families who agree to participate in case management from the VAMC.

- A *VASH Veteran* or *veteran family* refers to either a single veteran or a veteran with a household composed of two or more related persons. It also includes one or more eligible persons living with the veteran who are determined to be important to the veteran's care or well-being.
- A veteran for the purpose of VASH is a person whose length of service meets statutory requirements, and who served in the active military, naval, or air service, was discharged or released under conditions other than dishonorable, and is eligible for VA health care.

Under VASH, PHAs do not have authority to determine family eligibility in accordance with HCV program rules and PHA policies. The only reasons for denial of assistance by the PHA are failure to meet the income eligibility requirements and/or that a family member is subject to a lifetime registration requirement under a state sex offender registration program. Under portability, the receiving PHA must also comply with these VASH screening requirements.

Social Security Numbers

When verifying Social Security numbers (SSNs) for homeless veterans and their family members, PHAs must use available flexibilities in accordance with 24 CFR 5.216(g)(1)(iii) to accept self-certification of SSNs and at least one third-party document, such as a bank statement, utility or cell phone bill, or benefit letter that contains the name of the individual in the absence of other documentation ~~an original document issued by a federal or state government agency, which contains the name and SSN of the individual along with other identifying information of the individual, is acceptable in accordance with Section 7-II.B. of this policy~~.

In the case of the homeless veteran, the PHA must accept the Certificate of Release or Discharge from Active Duty (DD-214) or the VA-verified Application for Health Benefits (10-10EZ) as verification of SSN if these forms are available and cannot require the veteran to provide a Social Security card. A VA-issued identification card may also be used to verify the SSN of a homeless veteran.

Proof of Age

The DD-214 or 10-10EZ must be accepted as proof of age in lieu of birth certificates or other PHA-required documentation as outlined in Section 7-II.C. of this policy. A VA-issued identification card may also be used to verify the age of a homeless veteran.

Photo Identification

A VA-issued identification card must be accepted in lieu of another type of government-issued photo identification. These cards also serve as verification of SSNs and date of birth.

Income Eligibility [FR Notice 8/13/24]

With some exceptions, the ~~The~~ PHA must determine income eligibility for VASH families in accordance with 24 CFR 982.201 and policies in Section 3-II.A. Low-income families (80 percent of AMI) are eligible for assistance under VASH, and PHAs may not condition eligibility based on additional eligibility criteria specified in its administrative plan. If the family is over-income based on the most recently published income limits for the family size, the family will be ineligible for ~~HCV~~ assistance.

The following alternative requirements related to income apply to VASH families.

- The PHA must determine the applicant's annual income for purposes of income eligibility by excluding all VA service-connected benefits received by the applicant. This special income exclusion only applies to the definition of *annual income* for purposes of determining income eligibility. If the HUD-VASH applicant qualifies as a low-income family under the alternative requirement, the VA service-connected benefits (with the exception of the normally excluded deferred VA disability payments under 24 CFR 5.609(b)(16) and the payments related to aid and attendance under 24 CFR 5.609(b)(17)) must still be included as annual income when calculating the family's adjusted income. In other words, the VA service-connected disability benefits are excluded for purposes of determining income eligibility but included for purposes of calculating the family's total tenant payment (TTP), housing assistance payment (HAP), and family share.
- When a veteran family reports that they have zero income, the PHA must accept a self-certification of zero income from the family at admission and at reexamination without taking any additional teps to verify the family is indeed zero income. The self-certification does not need to be notarized. The PHA mut verify families' income in the Enterprise Income Verification (EIV) system within 120 days after admission. The PHA may not deny zero income families.
- Regardless of PHA policy, in determining compliance with the asset limitation at admission, for the VASH program, the PHA must accept a self-certification by the family that the family's total assets are equal to or less than the HUD-published asset limitation amount (adjusted annually) and that the family does not have any present ownership interest in real property, without taking additional steps to verify the accuracy of the declaration.
- The PHA must not enforce the asset limitation for VAS families at reexamination.
- In addition, because there needs to be a monthly housing assistance payment (HAP) in order to enter into a HAP contract on behalf of a tenant-based voucher family, the utilization of tenant-based VASH assistance by families determined income-eligible is limited to those areas where the family's (TTP) is less than the applicable payment standard or exception payment standard (including any VASH-specific exception payment standard established by the PHA). The family must select a unit with a gross rent that is above the family's TTP in order to lease a unit with the tenant-based VASH voucher.

While income-targeting does not apply to VASH vouchers, the PHA may include the admission of extremely low-income VASH families in its income targeting numbers for the fiscal year in which these families are admitted.

PHA Policy

While income-targeting requirements will not be considered by the PHA when families are referred by the partnering VAMC, the PHA will include any extremely low-income VASH families that are admitted in its income targeting numbers for the fiscal year in which these families are admitted.

Minimum Rent [FR Notice 8/13/24]

PHAs must consider hardship circumstances before charging a minimum rent in accordance with 24 CFR 5.630(b). The PHA may choose to charge a lower minimum rent (including a minimum rent of $0) specifically for their VASH program regardless of the minimum rent policies established in their administrative plan for other HCV families.

PHA Policy

The PHA will establish a minimum rent of $0 for VASH families.

Screening [FR Notice 8/13/24]

The PHA may not screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR 982.552 and 982.553 with one exception: the PHAs is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. Accordingly, with the exception of denial for registration as a lifetime sex offender under state law and PHA policies on how sex offender screenings will be conducted, PHA policy in Sections 3-III.B. through 3-III.E. do not apply to VASH. The prohibition against screening families for anything other than lifetime sex offender status applies to all family members, not just the veteran.

If a family member is subject to lifetime registration under a state sex offender registration program, the remaining family members may be served if the family agrees to remove the sex offender from its family composition. This is true unless the family member subject to lifetime registration under a state sex offender registration program is the homeless veteran, in which case the family would be denied admission to the program [~~New HCV GB, *HUD-VASH,* p. 6~~FR Notice 8/13/24].

Denial of Assistance [Notice PIH 2008-37]

Once a veteran is referred by the VAMC, the PHA must either issue a voucher or deny assistance. If the PHA denies assistance, it must provide the family with prompt notice of the decision and a brief statement of the reason for denial in accordance with Section 3-III.F. Like in the standard HCV program, the family must be provided with the opportunity for an informal review in accordance with policies in Section 3-III.F. In addition, a copy of the denial notice must be sent to the VAMC case manager.

19-III.D. CHANGES IN FAMILY COMPOSITION

Adding Family Members [~~FR Notice 9/27/21~~FR Notice 8/13/24]

When adding a family member after the family has been admitted to the program, PHA policies in Section 3-II.B. apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and will apply its regular screening criteria in doing so.

Remaining Family Members [HUD-VASH Qs and As]

If the homeless veteran dies while the family is being assisted, the voucher would remain with the remaining members of the tenant family. The PHA may use one of its own regular vouchers, if available, to continue assisting this family and free up a VASH voucher for another VASH-eligible family. If a regular voucher is not available, the family would continue utilizing the VASH voucher. Once the VASH voucher turns over, however, it must go to a homeless veteran family.

Family Break Up [HUD-VASH Qs and As]

In the case of divorce or separation, since the set-aside of VASH vouchers is for veterans, the voucher must remain with the veteran. This overrides the PHA's policies in Section 3-I.C. on how to determine who remains in the program if a family breaks up.

19-III.E. LEASING [~~FR Notice 9/27/21~~FR Notice 8/13/24]

Waiting List

The PHA does not have the authority to maintain a waiting list or apply local preferences for HUD–VASH vouchers. Policies in Chapter 4 relating to applicant selection from the waiting list, local preferences, special admissions, cross-listing, and opening and closing the waiting list do not apply to VASH vouchers.

Exception Payment Standards [FR Notice 8/13/24]

To assist VASH participants in finding affordable housing, especially in competitive markets, HUD allows PHAs to establish a HUD-VASH exception payment standard. PHAs may go up to but no higher than 120 percent of the published metropolitan area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent are allowed but must still request a waiver from HUD through the regular waiver process outlined in Notice PIH 2018-16 or any successor notices.

Exception payment standards implemented by the PHA under this section also apply in determining rents under 24 CFR 983.301(b) for PBV projects only when the project is comprised solely of units exclusively made available to VASH families.

The PHA may also establish an exception payment standard up to 140 percent of the published FMR or SAFMR only to be applied if required as a reasonable accommodation for a family that includes a person with a disability. Any unit approved under an exception payment standard must still meet reasonable rent requirements. The PHA may use a payment standard that is greater than 140 percent of FMR as a reasonable accommodation for a person with a disability, but only with HUD approval.

Voucher Issuance [FR Notice 8/13/24]

Unlike the standard HCV program which requires an initial voucher term of at least 60 days, VASH vouchers must have ~~an initial~~ a search term of at least 120 days. This applies both to the initial search term and moves. PHA policies on extensions as outlined in Section 5-II.E. will apply.

PHA Policy

All VASH vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

The PHA must track issuance of HCVs for families referred by the VAMC or DSP in HUD systems ~~PIC~~ as required in FR Notice 8/13/24~~Notice PIH 2011-53~~.

Special Housing Types [FR Notice 8/13/24]

The PHA must permit VASH clients to use the following special housing types for tenant-based VASH assistance, regardless of whether these types are permitted in their administrative plan for other families:

- Single room occupancy (SRO):
- Congregate housing;
- Group home;
- Shared housing; and
- Cooperative housing.

Initial Lease Term [FR Notice 8/13/24]

Unlike in the standard the HCV program, VASH voucher holders may enter into an initial lease that is for less than 12 months. Accordingly, PHA policy in Section 9-I.E., Term of Assisted Tenancy, does not apply.

Ineligible Housing [FR Notice 8/13/24~~FR Notice 6/18/14~~]

Unlike in the standard HCV program, VASH families are permitted to live on the grounds of a VA facility in units developed to house homeless veterans. This applies to both tenant-based assistance and PBV. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, do not apply to VASH for this purpose only. Accordingly, PHA policy in 9-I.D., Ineligible Units, does not apply for this purpose only.

~~HQS~~ Pre-Inspections [FR Notice 8/13/24]

To expedite the leasing process, PHAs may pre-inspect available units that veterans may be interested in leasing in order to maintain a pool of eligible units. If a VASH family selects a unit that passed an ~~NSPIREHQS~~ inspection (without intervening occupancy) within ~~45~~90 days of the date of the Request for Tenancy Approval (Form HUD-52517), the unit may be approved if it meets all other conditions under 24 CFR 982.305. However, the veteran must be free to select their unit and cannot be steered to these units. All regulatory requirements pertaining to housing quality standards found at 24 CFR 5.703 apply to HUD-VASH.

PHA Policy

To expedite the leasing process, the PHA may pre-inspect available units that veterans may be interested in leasing to maintain a pool of eligible units. If a VASH family selects a unit that passed a HQS pre-inspection (without intervening occupancy) within 45 days of the date of the RTA, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305. The veteran will be free to select their unit.

When a pre-inspected unit is not selected, the PHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for both initial and any required reinspections.

19-III.F. PORTABILITY [~~FR Notice 9/27/21 and~~ Notice PIH 2011-53 and FR Notice 8/13/24]

General Requirements

Portability policies under VASH depend on whether the family wants to move within or outside of the initial VA facility's catchment area (the area in which the VAMC or DSP operates). In all cases, the initial VA facility must be consulted prior to the move and provide written confirmation that case management will continue to be provided in the family's new location. VASH participant families may only reside in jurisdictions that are accessible to case management services, as determined by case managers at the partnering VAMC or DSP.

Under VASH, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied. As a result, PHA policies in Section 10-II.B. about nonresident applicants do not apply. A family that moves under the portability procedures must not be subject to rescreening by the receiving PHA.

If the family no longer requires case management, there are no portability restrictions. Normal portability rules apply.

Portability within the Initial VAMC or DSP's Catchment Area

A VASH family can move within the VAMC's catchment area as long as case management can still be provided, as determined by the VA. If the initial PHA's partnering VAMC will still provide the case management services, the receiving PHA must process the move in accordance with portability procedures:

- If the receiving PHA has been awarded VASH vouchers, it can choose to either bill the initial PHA or absorb the family if it has a VASH voucher available to do so.
  - If the PHA absorbs the family, the VAMC or DSP providing the initial case management must agree to the absorption and the transfer of case management.
- If the receiving PHA does not administer a VASH program, it must always bill the initial PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area

If a family wants to move to another jurisdiction where it will not be possible for the initial PHA's partnering VAMC or DSP to provide case management services, the initial VAMC or DSP must first determine that the VASH family could be served by another VAMC or DSP that is participating in the VASH program, and the receiving PHA has an available VASH voucher.

In these cases, the family must be absorbed by the receiving PHA either as a new admission or as a portability move-in, as applicable. Upon absorption, the initial PHA's VASH voucher will be available to lease to a new VASH-eligible family, and the absorbed family will count toward the number of VASH slots awarded to the receiving PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area under VAWA

Veterans who request to port beyond the catchment area of the VAMC or DSP where they are receiving case management to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believes they are threatened with imminent harm from further violence by remaining in the unit may port prior to receiving approval from the receiving VAMC or DSP. The initial PHA must follow its emergency transfer plan (see Exhibit 16-3). PHAs may require verbal self-certification or a written request from a participant seeking a move beyond the catchment area of the VAMC or DSP.

The verbal self-certification or written request must include either a statement expressing why the participant reasonably believes that there is a threat of imminent harm from further violence if they were to remain in the same unit or a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the participants request for the move.

The participant must still port to a PHA that has a VASH program. If the receiving PHA does not have a VASH voucher available to lease, they may bill the initial PHA until a VASH voucher is available, at which point the porting veteran must be absorbed into the receiving PHA's program.

19-III.G. TERMINATION OF ASSISTANCE [~~FR Notice 9/27/21~~ FR Notice 8/13/24]

~~With the exception of terminations for failure to receive case management, HUD has not established any alternative requirements for termination of assistance for VASH participants. However, p~~Prior to terminating VASH participants, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) as outlined in Section 12-II.D. of this policy and consider all relevant circumstances of the specific case. This includes granting reasonable accommodations for persons with disabilities, as well as considering the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination.

VASH participant families may not be terminated after admission for a circumstance or activities that occurred prior to admission and were known to the PHA but could not be considered at the time of admission due to VASH program requirements. The PHA may terminate the family's assistance only for program violations that occur after the family's admission to the program.

There are two alternative requirements for termination of assistance for VASH participants.

Cessation of Case Management

As a condition of receiving HCV rental assistance, a HUD-VASH-eligible family must receive case management services from the VAMC or DSP. A VASH participant family's assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or DSP. However, the PHA may offer the family continued assistance through one of its regular vouchers or a PBV unit not exclusively made available for HUD-VASH.

However, a VAMC or DSP determination that the participant family no longer requires case management is not grounds for termination of voucher or PBV assistance. In such a case, at its option, the PHA may offer the family continued assistance through one of its regular vouchers. The decision to transfer assistance to a regular voucher must consider veteran preference and must be communicated to the VA prior to occurring. If the PHA has no voucher to offer, the family will retain its VASH voucher, or PBV unit, until such time as the PHA has an available voucher (or PBV unit not exclusively made available for VASH) for the family. If the PHA has no voucher to offer, the family will retain its VASH voucher or PBV unit until such time as the PHA has an available voucher for the family.

Serious Violation of the Lease

The regulation at 24 CFR 982.552(b)(2) states that the PHA must terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease. HUD waived this provision, and establishing the alternative requirement that the PHA may terminate program assistance in this case. Prior to terminating VASH participants for this reason, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) and consider all relevant circumstances of the specific case, as well as including the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination, prior to determining whether to terminate assistance.

VAWA [~~FR Notice 9/27/21~~ FR Notice 8/13/24]

When a veteran's family member is receiving protection under VAWA because the veteran is the perpetrator of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the victim must continue to be assisted. Upon termination of the perpetrator's VASH assistance, the victim must be given a regular HCV if one is available, and the perpetrator's VASH voucher must be used to serve another eligible veteran family. If a regular HCV is not available, the perpetrator must be terminated from assistance and the victim will continue to use the VASH voucher.

19-III.H. PROJECT-BASING VASH VOUCHERS

General Requirements [Notice PIH 2017-21 and ~~FR Notice 9/27/21~~ FR Notice 8/13/24]

PHAs are authorized to project-base their tenant-based VASH vouchers without additional HUD review or approval in accordance with Notice PIH 2017-21 and all PBV program requirements provided that the VAMC will continue to make supportive services available. In addition, since 2010, HUD has awarded VASH vouchers specifically for project-based assistance in the form of PBV HUD-VASH set-aside vouchers. While these vouchers are excluded from the PBV program cap as long as they remain under PBV HAP contract at the designated project, all other VASH vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A. Note that VASH supportive services only need to be provided to VASH families receiving PBV assistance in the project, not all families receiving PBV assistance in the project. If a VASH family does not require or no longer requires case management, the unit continues to count as an excepted PBV unit as long as the family resides in the unit. In the description of units in Exhibit A of the HAP contract, PHAs must indicate the number of units that will be exclusively made available to VASH families. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a VASH PBV set-aside award.

If the PHA project-bases VASH vouchers, the PHA must consult with the partnering VAMC or DSP to ensure approval of the project or projects. PHAs may project-base VASH vouchers in projects alongside other PBV units and may execute a single HAP contract covering both the VASH PBVs and the other PBVs. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a HUD set-aside award.

If a VASH family is referred to the PHA and there is an available PBV unit that is not exclusively made available to VASH families, the PHA may offer to refer the family to the owner if allowable under the selection policy for that project, and the owner and PHA may amend the HAP contract to designate the PBV unit as a VASH PBV unit.

The PHA and owner may agree to amend a PBV HAP contract to redesignate a regular PBV unit as a unit specifically designated for VASH families so long as the PHA first consults with the VAMC or DSP. Additionally, the PHA and owner may agree to amend a PBV HAP contract to redesignate a unit specifically designated for VASH families as a regular PBV unit, so long as the unit is not funded through a VASH PBV set-aside award and is eligible for regular PBV (i.e.,

the unit is not on the grounds of a medical facility and the unit is eligible under the PHA's program and project caps).

Policies for VASH PBV units will generally follow PHA policies for the standard PBV program as listed in Chapter 17, with the exception of the policies listed below.

Ineligible Units

Unlike in the regular PBV program, the PHA may opt to select an occupied unit or admit a family to a unit if such unit is made exclusively available to VASH families if the PBV project tis either on the grounds of a VA facility or there are VASH supportive services provided on-site at the project.

- Substitute the family's unit on the PBV HAP contract for another unit (the PHA may, in conjunction with such substitution, add the original unit to the PBV HAP contract with a non-VASH voucher if it is possible to do so;
- Remove the unit from the PBV HAP contract so the family may remain with tenant-based assistance, if the family and the owner agree to use the tenant-based voucher in the unit; or
- Change the unit's status in the PBV HAP contract from a unit exclusively made available for VASH to a regular PBV unit, if doing so it is allowable under program rules.

If the PHA will not allow the veteran to receive a regular (non-VASH) tenant-based voucher or PBV unit instead of the family's assistance being terminated, then upon notification by the VA of the family's failure to participate in VA-required case management, the PHA must provide the family a reasonable period of time (as established by the PHA) to vacate the unit.

PHA Policy

If the family fails to participate in case management when required by the VA, the PHA will terminate the family's assistance. The family will have 120 days to vacate the unit. The PHA will terminate assistance to the family at the earlier of (1) the time the family vacates or (2) the expiration of the 120-day period. If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the PHA will remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The PHA may add the removed unit back onto the HAP contract after the ineligible family vacates the property.

Moves

If a VASH family is eligible to move from its PBV unit after a year of PBV assistance, the PHA will generally follow policies in Chapter 17. However, if there is no VASH tenant-based voucher available at the time the family requests to move, the PHA's actions depend on whether the family still requires case management.

- The PHA may require a family that still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days. If a HUD-VASH tenant-based voucher is still not available after 180 days, the family must be allowed to move using its

VASH voucher as a tenant-based assistance. Alternatively, the PHA may allow the family to move using its VASH voucher as tenant-based assistance without having to meet this 180-day waiting period. In either case, the PHA may either amend the PBV HAP contract to replace the assistance in the PBV unit with one of its regular voucher if the unit is eligible for a regular PBV or the PHA and owner may agree to temporarily remove the unit from the HAP contract.

- If a VASH veteran has been determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher. If no VASH voucher is immediately available, the PHA may not require the family to wait for a VASH voucher to become available.

Wrong-Sized or Accessible Units

If the PHA determines that a VASH family is occupying a wrong-size PBV or a PBV unit with accessibility features that the family does not require and the PBV unit is needed by a family that requires the accessibility features, the PHA must notify the family and the owner within 30 days of the PHA's determination. The PHA's offer of continued hosing assistance (that must be made within 60 days of the PHA's determination) must be in the form of either a VASH tenant-based voucher or another BASH PBV unit. If no VASH assistance is available for the PHA to offer within 60 days of the PHA's determination, the PHA must remove the wrong-sized or accessible unit from the HAP contract to make VASH voucher assistance available to the family.

Contract Terminations

The regulation at 24 CFR 983.206(b), which covers the required provision of tenant-based assistance and requires that the family may elect to sue its tenant-based assistance to remain in the same project when a PBV HAP contract terminates or expires, does not apply to families issued a HUD-VASH tenant-based voucher under this circumstance. The PHA may use another voucher to add the unit removed under this alternative requirement to the HAP contract after the family vacates the property, in accordance with 24 CFR 983.207(b).

Rents

Contract rents may be different based on whether the unit is a VAS PBV unit or a non-VASH PBV unit. In determining the rent ot owner for the PBV project, if the cap on the amount of rent to owner under 24 CFR 983.301(b)(1) is lower for non-HUD-VASH units than it is for the HUD-VASH units (e.g., the PHA has established a HUD-VASH exception payment standard and there is either no exception payment standard or a lower exception payment standard for the regular HCV program for the area in question), that lower cap is applicable when setting the rent to owner for the PBV units in the project, including the HUD-VASH units.

Removing Units from the HAP Contract for Ineligible Families

The PHA and owner may also agree to temporarily remove a unit from the HAP contract in cases where a HUDVASH eligible veteran has been identified by the VA as appropriate for a VASH PBV unit, but the veteran is not income eligible to receive voucher assistance or may not be selected for the PBV unit because the family's TTP exceeds the gross rent of the unit. Although the family would not be a program participant in the housing portion of the VASH program in such a case, the family would still benefit from the project's location on the grounds of a VA

Unlimited copies may be made for internal use.

facility or from the VASH supportive services on-site at the project, while the VASH voucher would be available to assist another VASH family. The PHA and owner may agree to add a VASH voucher back onto the PBV HAP contract if the family's income subsequently decreased to the point that there would be a HAP or when the family vacates the unit.

Zero HAP Families

Under normal PBV requirements, the PHA may select an occupied unit to be included under a PBV HAP contract only if the unit's occupants are eligible for assistance under 24 CFR 982.201, and the TTP for the family is less than gross rent for the unit. Furthermore, in selecting a family for an available PBV unit, typically the PHA must determine the TTP for the family is less than the gross rent, meaning that the unit will be eligible for a monthly HAP. However, if the PBV project is either on the grounds of a VA facility or there are HUD-VASH supportive services provided onsite at the project, the PHA may opt to select a unit occupied by a zero HAP VASH eligible family or admit a zero HAP VASH family to a unit if such unit is made exclusively available to VASH families. Until such time that the VASH family's TTP falls below the gross rent, the family is responsible for paying the entire rent to owner in addition to being responsible for paying all tenant-supplied utilities. During any period that the family's TTP falls below the gross rent, normal PBV requirements apply.

Further, under normally applicable rules, units occupied by families whose incomes have increased during their tenancy resulting in their TTP equaling the gross rent (zero HAP) must be removed from the HAP contract 180 days following the last housing assistance payment to the owner on the family's behalf. These regulations do not apply to zero HAP families admitted to the PBV project under this waiver and alternative requirement because there is no last housing assistance payment that would trigger the unit removal date of 180 days. As an alternative requirement, PHAs have the option of removing the unit in which the zero HAP family resides from the HAP contract, but no earlier than 180 days from the start of the family PBV tenancy. If the PHA exercises this option, the family may not be required to move from the unit as a consequence and continues to receive the VASH supportive services. If the project is fully assisted, the PHAY may reinstate the unit removed to the HAP contract after the family either vacates the unit or their income decreases to the point that there would be HAP. If the project is partially assisted, the PHA may substitute a different unit for the unit removed from the HAP contract when the first eligible substitute unit becomes available. Alternatively, the PHA may choose to simply leave the unit on the HAP contract while the zero HAP family continues to reside there.

Proposal/Project Selection

PBV proposal and/or project selection for VASH must follow all regular proposal and/or project selection regulations, with one exception. HUD permits noncompetitive selection of one or more PBV projects with units made exclusively available to VASH families on the site of a VA facility. Note that the method of project selection must comply with all other requirements under 24 CFR 983.51, including that the PHA must notify the public of its intent to noncompetitively select one ore more projects for PBV assistance through its 5-Year Plan and to ensure any project selection is consistent with the PHA administrative plan.

Failure to Participate in Case Management [~~FR Notice 9/27/21~~ FR Notice 8/13/24]

Upon notification by the VAMC or DSP of the family's failure to participate, without good cause, in case management, the PHA must provide the family a reasonable time period to vacate the unit. The PHA must terminate assistance to the family at the earlier of either the time the family vacates or the expiration of the reasonable time period given to vacate.

PHA Policy

Upon notification by the VAMC or DSP that a VASH PBV family has failed to participate in case management without good cause, the PHA will provide written notice of termination of assistance to the family and the owner within 10 business days. The family will be given 60 days from the date of the notice to move out of the unit.

The PHA may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the PHA must remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The PHA may add the removed unit to the HAP contract after the ineligible family vacates the property.

Moves [HUD-VASH Qs and As, FR Notice 8/13/24 ~~FR Notice 9/27/21~~]

When a VASH PBV family is eligible to move from its PBV unit in accordance with Section 17-VIII.C. of this policy, but there is no other comparable tenant-based rental assistance, the following procedures must be implemented:

- If a VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the PHA may require a family who still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days;
- If a VASH tenant-based voucher is still not available after that period, the family must be allowed to move with its VASH voucher. Alternatively, the PHA may allow the family to move with its VASH voucher without having to meet this 180-day period. In either case, the PHA is required to replace the assistance in the PBV unit with one of its regular vouchers, unless the PHA and owner agree to temporarily remove the unit from the HAP contract; and
- If a VASH veteran is determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher if no VASH voucher is immediately available and cannot require the family to wait for a VASH voucher to become available.

PART IV: MAINSTREAM VOUCHER PROGRAM

19-IV.A. PROGRAM OVERVIEW [Notice PIH 2020-01 and Notice PIH 2024-30]

Mainstream vouchers assist non-elderly persons with disabilities and their families (particularly those transitioning out of institutions or at serious risk of institutionalization) in the form of either project-based or tenant-based voucher assistance.

~~Aside from separate funding appropriations and serving a specific population, Mainstream vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a Mainstream voucher differently from other applicants and participants. For example, the PHA cannot apply different payment standards, establish conditions for allowing portability, or apply different screening criteria to Mainstream families.~~

The Mainstream voucher program, (previously referred to as the Mainstream 5-Year program or the Section 811 voucher program) was originally authorized under the National Affordable Housing Act of 1990. Mainstream vouchers operated separately from the regular HCV program until the passage of the Frank Melville Supportive Housing Investment Act of 2010. Funding for Mainstream voucher renewals and administrative fees was first made available in 2012. In 2017 and 2019, incremental vouchers were made available for the first time since the Melville Act (in addition to renewals and administrative fees), and PHAs were invited to apply for a competitive award of Mainstream vouchers under the FY17 and FY19 NOFAs. In 2020, Notice PIH 2020-22 provided an opportunity for any PHA administering an HCV program to apply for Mainstream vouchers noncompetitively, while Notice PIH 2020-09 authorized an increase in Mainstream voucher units and budget authority for those PHAs already awarded Mainstream vouchers under the FY17 and FY19 NOFAs.

Funding and reporting for Mainstream vouchers is separate from the HCV program. Funds for Mainstream vouchers may be recaptured and reallocated if the PHA does not comply with all program requirements or fails to maintain a utilization rate of 80 percent for the PHA's Mainstream vouchers.

The Consolidated Appropriations Act, 2024 (Public Law 118-42) authorized HUD to establish waivers and alternative requirements for Mainstream Vouchers related to the administration of waiting lists, local preferences, and the initial term and extensions of tenant-based vouchers. HUD is not permitted to waive requirements related to tenant rights and protection, rent setting, fair housing, nondiscrimination, labor standards, and the environment. Prior to this, Mainstream vouchers follow the same program requirements as standard vouchers.

19-IV.B. ELIGIBLE POPULATION [Notice PIH 2020-01 and Notice PIH 2020-22]

All Mainstream vouchers must be used to serve non-elderly persons with disabilities and their families, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old as of the effective date of the initial HAP contract. The eligible disabled household member does not need to be the head of household.

The definition of person with disabilities for purposes of Mainstream vouchers is the statutory definition under section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

Existing families receiving Mainstream vouchers, where the eligible family member is now age 62 or older, will not "age out" of the program as long as the family was eligible on the day it was first assisted under a HAP contract.

The PHA may not implement eligibility screening criteria for Mainstream vouchers that is different from that of the regular HCV program.

19-IV.C. PARTNERSHIP AND SUPPORTIVE SERVICES [Notice PIH 2020-01]

PHAs are encouraged but not required to establish formal and informal partnerships with a variety of organizations that assist persons with disabilities to help ensure eligible participants find and maintain stable housing.

PHA Policy

The PHA will implement a Mainstream program, in partnership with ***[insert names of any groups with which the PHA has formed partnerships].***

19-IV.D. WAITING LIST ADMINISTRATION [Notice PIH 2024-30]

General Waiting List Requirements [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

~~PHAs must not have a separate waiting list for Mainstream voucher assistance since the PHA is required by the regulations to maintain one waiting list for tenant-based assistance [24 CFR 982.204(f)]. All PHA policies on opening, closing, and updating the waiting list, as well as waiting list preferences in Chapter 4, apply to the Mainstream program.~~

~~When the PHA is awarded Mainstream vouchers, these vouchers must be used for new admissions to the PHA's program from the waiting list. The PHA must lease these vouchers by pulling the first Mainstream-eligible family from its tenant-based waiting list. PHAs are not permitted to reassign existing participants to the program in order to make regular tenant-based vouchers available. Further, the PHA may not skip over Mainstream-eligible families on the waiting list because the PHA is serving the required number of Mainstream families.~~

Upon turnover, vouchers must be provided to Mainstream-eligible families. ~~If a Mainstream turnover voucher becomes available, the PHA must determine if the families at the top of the waiting list qualify under program requirements.~~

PHA Policy

The PHA will establish a separate waiting list for the Mainstream program.

All PHA policies on opening, closing, and updating the waiting list in Chapter 4 will also apply to the Mainstream waiting list.

19-IV.E. PREFERENCES [Notice PIH 2024-30]

While PHAs may establish local preferences based on local housing needs and priorities in accordance with 24 CFR 982.207(a), HCV regulations do not permit PHAs to establish separate preferences for Mainstream voucher applicants. HUD waived 24 CFR 982.207(a)(1) and allows PHAs to establish separate preferences for Mainstream voucher applicants. However, PHAs may not apply a residency preference to Mainstream voucher applicants.

PHAs with outstanding Olmsted-related litigation or enforcement activities, as well as those undertaking affirmative Olmsted planning and implementation efforts, who wish to establish preferences that target individuals with specific disabilities must request HUD approval. The process for requesting approval for a remedial preference targeting individuals with specific disabilities is outlines in Notice PIH 2012-31.

~~Admission Preferences [Notice PIH 2020-01; FY17 Mainstream NOFA; FY19 Mainstream NOFA]~~

Regardless of whether a PHA chooses to adopt separate Mainstream voucher preferences, ~~I~~if the PHA claimed points for a preference in a NOFO~~A~~ application for Mainstream vouchers, the PHA must adopt a preference for at least one of the targeted groups identified in the NOFO~~A~~. PHAs may choose to apply NOFO preferences to the entire HCV waiting list or only to Mainstream voucher applicants as a separate Mainstream voucher preference.

PHAs may use either date and time of application or a drawing or other random choice techniques in selecting families from the Mainstream waiting list among applicants with the same preference status in accordance with the PHA's administrative plan.

PHA Policy

The PHA claimed a preference for a targeted group as part of an application for Mainstream vouchers under a NOFA. The PHA will offer the following preference:

[Insert the PHA's preference here and in Section 4-III.C.]

Otherwise, the PHA will not offer any preferences on it's Mainstream waiting list.

19-IV.F. VOUCHER ISSUANCE

Initial Search Term [Notice PIH 2024-30]

For Mainstream vouchers, HUD waived 24 CFR 982.303(a), which requires an initial search term of at least 60 days, and established an alternative requirement that th einitail search term for a Mainstream voucher be at least 120 days. The initial 120-day term also applies when a family chooses to move to a new unit with continued assistance inside or outside the PHA's jurisdiction. When issuing a Mainstream voucher, the PHA also must provide a current listing of available

accessible units known to the PHA and, if necessary, otherwise assist the family in identifying an accessible unit.

PHA Policy

The initial voucher term for all Mainstream vouchers, including those issues when a family wishes to exercise portability, will be 120 days.

Voucher Extension [Notice PIH 2024-30]

The PHA's administrative plan must describe the PHA's policies for granting extensions to the initial 120-day voucher term and provide clear instructions to families on the procedures for requesting an extension. If a family requires additional time, the PHA is required to provide an extension as a reasonable accommodation.

PHAs must adopt an extension policy for Mainstream vouchers that includes the following:

Each extension must be for a minimum of 90 days;

The PHA must approve the first extension request, regardless of how the request is made (written or verbal) or when it is made, as long as the request is made on or before the expiration date of the voucher and is consistent with applicable requirements (subsequent requests should be processed in accordance with the PHA's administrative plan); and

The PHA must, on at least one occasion after voucher issuance, notify the family prior to the expiration of the initial term to remind them of the expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

As part of its search extension policy, the PHA may not restrict a first extension approval to certain circumstances or require documentation from applicants. For all extension requests, a written or verbal request is sufficient. In providing notice to families of the expiration date and extension request process, PHAs must ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities. PHAs must approve all extensions made as a reasonable accommodation, and PHAs must provide this information during the family briefing.

PHA Policy

At least 30 days prior to the expiration of the initial term of the voucher, the PHA will contact the family to remind them of the expiration date of their voucher, the process for requesting an extension, and to inquire if the family needs assistance with their housing search. Depending on the family's preferred method of communication, the PHA may contact the family via telephone, text message, email, or other accessible communication method. The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities.

Families may request an extension, either orally or in writing, at any time prior to the expiration of the family's voucher. All requests for extensions will automatically be granted without the requirement for the family to provide documentation. The initial extension period will be for 90 days. If the family requires additional extensions beyond 90 days, the family may request additional extensions, either orally or in writing, at any time prior to the expiration of the extended voucher term. All subsequent extensions will also be for a period of 90 days and will not require the family to meet certain circumstances or provide documentation. Each time the family requests an extension, the PHA will inquire if the family needs assistance with their housing search and will provide a current listing of available accessible units known to the PHA.

19-IV.GE. PORTABILITY [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

Mainstream voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to Mainstream families.

The following special considerations for Mainstream vouchers apply under portability:

- If the receiving PHA has a Mainstream voucher available, the participant may remain a Mainstream participant.
  - If the receiving PHA chooses to bill the initial PHA, then the voucher will remain a Mainstream voucher.
  - If the receiving PHA chooses to absorb the voucher, the voucher will be considered a regular voucher, or a Mainstream voucher if the receiving PHA has a Mainstream voucher available, and the Mainstream voucher at the initial PHA will be freed up to lease to another Mainstream-eligible family.
- If the receiving PHA does not have a Mainstream voucher available, the participant may receive a regular voucher.

19-IV.HF. PROJECT-BASING MAINSTREAM VOUCHERS [FY19 Mainstream Voucher NOFA Q&A]

The PHA may project-base Mainstream vouchers in accordance with all applicable PBV regulations and PHA policies in Chapter 17. PHAs are responsible for ensuring that, in addition to complying with project-based voucher program requirements, the project complies with all applicable federal nondiscrimination and civil rights statutes and requirements. This includes, but is not limited to, Section 504 of the Rehabilitation Act (Section 504), Titles II or III of the Americans with Disabilities (ADA), and the Fair Housing Act and their implementing regulations at 24 CFR Part 8; 28 CFR Parts 35 and 36; and 24 CFR Part 100. Mainstream vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

PART IV: NON-ELDERLY DISABLED (NED) VOUCHERS

19-V.A. PROGRAM OVERVIEW [Notice PIH 2013-19]

NED vouchers help non-elderly disabled families lease suitable, accessible, and affordable housing in the private market. Aside from separate funding appropriations and serving a specific population, NED vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a NED voucher differently from other applicants and participants.

Some NED vouchers are awarded to PHAs through competitive NOFAs. The NOFA for FY2009 Rental Assistance for NED made incremental funding available for two categories of NED families:

- **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market.
- **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. PHAs with NED Category 2 vouchers were required to partner with a state Medicaid or health agency or the state Money Follows the Person (MFP) Demonstration agency.

Since 1997, HCVs for NED families have been also awarded under various special purpose HCV programs: Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans (Designated Housing), Rental Assistance for Non-Elderly Persons with Disabilities Related to Certain Types of Section 8 Project-Based Developments (Certain Developments), One-Year Mainstream Housing Opportunities for Persons with Disabilities, and the Project Access Pilot Program (formerly Access Housing 2000).

- **Designated Housing** vouchers enable non-elderly disabled families, who would have been eligible for a public housing unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan, to receive rental assistance. These vouchers may also assist non-elderly disabled families living in a designated unit/project/building to move from that project if they so choose. The family does not have to be listed on the PHA's voucher waiting list. Instead, they may be admitted to the program as a special admission. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.

Unlimited copies may be made for internal use.

- **Certain Developments** vouchers enable non-elderly families having a person with disabilities, who do not currently receive housing assistance in certain developments where owners establish preferences for, or restrict occupancy to, elderly families, to obtain affordable housing. These non-elderly families with a disabled person do not need to be listed on the PHA's HCV waiting list in order to be offered and receive housing choice voucher rental assistance. It is sufficient that these families' names are on the waiting list for a covered development at the time their names are provided to the PHA by the owner. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.
- **One-Year Mainstream Housing Opportunities for Persons with Disabilities (One-Year Mainstream) vouchers** enable non-elderly disabled families on the PHA's waiting list to receive a voucher. After initial leasing, turnover vouchers must be issued to non-elderly disabled families from the PHA's voucher waiting list.

19-V.B. ELIGIBLE POPULATION

General Requirements [Notice PIH 2013-19]

Only eligible families whose head of household, spouse, or cohead is non-elderly (under age 62) and disabled may receive a NED voucher. Families with only a minor child with a disability are not eligible.

In cases where the qualifying household member now qualifies as elderly due to the passage of time since the family received the NED voucher, existing NED participant families do not "age out," as the family was eligible on the day it was first assisted under a housing assistance payments (HAP) contract.

The definition of person with disabilities for purposes of NED vouchers is the statutory definition under Section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

The PHA may not implement eligibility screening criteria for NED vouchers that is different from that of the regular HCV program.

NED Category 2 [Notice PIH 2013-19 and NED Category 2 FAQs]

In addition to being eligible for the PHA's regular HCV program and a non-elderly person with a disability, in order to receive a Category 2 voucher, the family's head, spouse, cohead, or sole member must be transitioning from a nursing home or other healthcare institution and provided services needed to live independently in the community.

Nursing homes or other healthcare institutions may include intermediate care facilities and specialized institutions that care for those with intellectual disabilities, developmentally disabled, or mentally ill, but do not include board and care facilities (e.g., adult homes, adult day care, adult congregate living).

The PHA cannot limit who can apply to just those persons referred or approved by a Money Follows the Person (MFP) Demonstration agency or state health agency. Other individuals could be placed on the waiting list if they can show, with confirmation by an independent agency or organization that routinely provides such services (this can be the MFP or partnering agency, but need not be), that the transitioning individual will be provided with all necessary services, including care or case management.

For each Category 2 family, there must be documentation (e.g., a copy of a referral letter from the partnering or referring agency) in the tenant file identifying the institution where the family lived at the time of voucher issuance.

19-V.C. WAITING LIST

General Requirements [Notice PIH 2013-19]

Families must be selected for NED vouchers from the PHA's waiting list in accordance with all applicable regulations and PHA policies in Chapter 4.

Regardless of the number of NED families the PHA is required to serve, the next family on the waiting list must be served. Further, the PHA may not skip over NED-eligible families on the waiting list because the PHA is serving the required number of NED families.

NED Category 2 Referrals [NED Category 2 FAQs]

For NED Category 2 families, the partnering agency may make referrals of eligible families to the PHA for placement on the waiting list. The PHA will then select these families from the waiting list for voucher issuance. Because language in the NOFA established that vouchers awarded under the NOFA must only serve non-elderly disabled families transitioning from institutions, the PHA does not need to establish a preference in order to serve these families ahead of other families on the PHA's waiting list.

PHAs must accept applications from people living outside their jurisdictions or from people being referred from other Medicaid or MFP service agencies in their state.

If the PHA's waiting list is closed, the PHA must reopen its waiting list to accept referrals from its partnering agency. When opening the waiting list, PHAs must advertise in accordance with 24 CFR 982.206 and PHA policies in Section 4-II.C. In addition, the PHA must ensure that individuals living in eligible institutions are aware when the PHA opens its waiting list by reaching out to social service agencies, nursing homes, intermediate care facilities and specialized institutions in the local service area.

Reissuance of Turnover Vouchers [Notice PIH 2013-19]

All NED turnover vouchers must be reissued to the next NED family on the PHA's waiting list with the following exception: A Category 2 voucher must be issued to another Category 2 family upon turnover if a Category 2 family is on the PHA's waiting list. If there are no Category 2 families on the PHA's waiting list, the PHA must contact its partnering agency as well as conduct outreach through appropriate social service agencies and qualifying institutions to identify potentially eligible individuals. Only after all means of outreach have been taken to reach Category 2 families can the PHA reissue the voucher to another Category 2 NED family on the PHA's waiting list. Any subsequent turnover of that voucher must again be used for a Category 2 family on the PHA's waiting list, and the PHA is under the same obligation to conduct outreach to Category 2 families if no such families are on the PHA's waiting list.

For PHAs that received both Category 1 and Category 2 vouchers, if at any time the PHA is serving fewer Category 2 families than the number of Category 2 HCVs awarded under the NOFA, when a Category 2 family applies to the waiting list and is found eligible, the PHA must issue the next NED voucher to that family. HUD monitors the initial leasing and reissuance of Category 2 HCVs. These vouchers may be recaptured and reassigned if not leased properly and in a timely manner.

All NED vouchers should be affirmatively marketed to a diverse population of NED-eligible families to attract protected classes least likely to apply. If at any time following the turnover of a NED HCV a PHA believes it is not practicable to assist NED families, the PHA must contact HUD.

19-V.D. LEASE UP [Notice PIH 2013-19]

Briefings

In addition to providing families with a disabled person a list of accessible units known to the PHA, HUD encourages, but does not require, PHAs to provide additional resources to NED families as part of the briefing.

PHA Policy

In addition to providing families with a disabled person a list of accessible units known to the PHA, the PHA will provide a list of local supportive service and disability organizations that may provide such assistance as counseling services and funding for moving expenses or security deposits in the briefing packet. These organizations include state protection and advocacy agencies, Centers for Independent Living, state Medicaid agencies, and disability advocacy groups that represent individuals with a variety of disabilities.

Further, if other governmental or non-governmental agencies provide available resources such as housing search counseling, moving expenses, security deposits, and utility deposits, the PHA will include this information in the briefing packet.

The PHA will also offer specialized housing search assistance to families with a disabled person to locate accessible units if requested. Trained PHA staff or a local supportive service or disability organization may be able to provide this service.

Voucher Term

While the PHA is not required to establish different policies for the initial term of the voucher for NED vouchers, HUD has encouraged PHAs with NED vouchers to be generous in establishing reasonable initial search terms and subsequent extensions for families with a disabled person.

PHA Policy

All NED vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

All other PHA policies on extensions and suspension of vouchers in Section 5-II.E. will apply.

Special Housing Types [Notice PIH 2013-19 and NED Category 2 FAQs]

In general, a PHA is not required to permit families to use any of the special housing types and may limit the number of families using such housing. However, the PHA must permit the use of a special housing type if doing so provides a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities.

Such special housing types include single room occupancy housing, congregate housing, group homes, shared housing, cooperative housing, and manufactured homes when the family owns the home and leases the manufactured home space.

Persons with disabilities transitioning out of institutional settings may choose housing in the community that is in a group or shared environment or where some additional assistance for daily living is provided for them on site. Under HUD regulations, group homes and shared housing are considered special housing types and are not excluded as an eligible housing type in the HCV program. Assisted living facilities are also considered eligible housing under the normal HCV program rules, as long as the costs for meals and other supportive services are not included in the housing assistance payments (HAP) made by the PHA to the owner, and as long as the person does not need continual medical or nursing care.

19-V.E. PORTABILITY [NED Category 2 FAQs]

NED voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to NED families. However, the PHA may, but is not required to, allow applicant NED families to move under portability, even if the family did not have legal residency in the initial PHA's jurisdiction when they applied.

PHA Policy

If neither the head of household nor the spouse or cohead of a NED applicant family had a domicile (legal residence) in the PHA's jurisdiction at the time that the family's initial application for assistance was submitted, the family must lease a unit within the initial PHA's jurisdiction for at least 12 months before requesting portability.

The PHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking.

PART VI: STABILITY VOUCHER PROGRAM

19-VI.A. PROGRAM OVERVIEW [Notice PIH 2022-24]

The Consolidated Appropriations Act, 2021 (Public Law 116-260) (2021 Act) provided new incremental funding for voucher assistance through Stability Vouchers (SVs) for households who are:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a));
- At-risk of homelessness;
- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and
- Veterans and families that include a veteran family member that meet one of the above criteria.

HUD may waive certain statutory and regulatory provisions to administer the SVs (except for requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards and the environment) upon a finding that any such waivers or alternative requirements are necessary to facilitate the use of funds made available for SVs. Unless expressly waived below, all statutory and regulatory requirements and HUD directives regarding the HCV program are applicable to SVs, including the use of all HUD required contracts and other forms. A PHA may request additional good cause regulatory waivers as established in Notice PIH 2018-16 in connection with the use of the SVs, which HUD will consider and assess upon the request of the PHA.

19-VI.B. PARTNERING ORGANIZATION [Notice PIH 2022-24]

SV funding is only awarded to PHAs that partner with eligible Continuums of Care (CoCs) or other entities that serve the targeted population, such as Victim Service Providers (VSPs) and Veteran Service Organizations (VSOs) serving the targeted population in the PHA's jurisdiction to implement coordinated approaches to reduce the prevalence of homelessness, improve service engagement, and promote housing stability while ensuring geographical need of assistance.

The PHA must enter into a Memorandum of Understanding (MOU) with the CoC to establish a partnership with the CoC to pair SVs with CoC-funded supportive services, and to collaborate with the CoC and other stakeholders to develop a prioritization plan for these vouchers.

PHA Policy

The PHA has entered into an MOU with the following partnering organization ***[insert names of CoC, VSP, and/or VSO].*** See Exhibit 19-3 for a copy of the MOU.

© Copyright ~~2022~~ ~~2024~~ 2025Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.

19-VI.C. REFERRALS [Notice PIH 2022-24]

In general, families are issued SVs as the result of either:

- The direct referral process from the CoC or other partnering organizations; or
- A situation where the PHA makes an SV available in order to facilitate an emergency transfer for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking.

CoC Referrals

The primary responsibility of the CoC under the MOU is to make direct referrals of qualifying individuals and families to the PHA and to identify any CoC-funded available supportive services that may be paired with SVs.

The CoC or other partnering agency must certify that the SV applicants they refer to the PHA meet the definition of a qualifying individual or family for SV assistance.

The referring agency must provide documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for SV assistance. The PHA must retain this documentation as part of the family's file.

PHA Policy

The CoC or partnering agency must establish and implement a system to identify SV-eligible individuals and families within the agency's caseload and make referrals to the PHA.

The CoC or other partnering agency must certify that the SV applicants they refer to the PHA meet SV eligibility criteria. The PHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant's file along with other eligibility paperwork. Homeless service providers may, but are not required to, use the certification form found in Exhibit 19-1 of this chapter. Victim services providers may, but are not required to, use the certification form found in Exhibit 19-2 of this chapter when identifying eligible families who qualify as victims of human trafficking.

As part of the MOU, the PHA and CoC or other partnering agency will identify staff positions to serve as lead SV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The PHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the PHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a

Unlimited copies may be made for internal use.

completed release form for each adult family member; and a written certification for each referral indicating they are SV-eligible.

Referrals from Outside the CoC

The PHA must also take direct referrals from outside the CoC process if:

- The CoC does not have a sufficient number of eligible families to refer to the PHA; or
- The CoC does not identify families that may be eligible for SV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking.

If a direct referral is taken from outside of the CoC, the PHA must enter into a partnership to receive direct referrals from another entity, assuming there are such additional organizations that can certify that an individual or family is eligible for an SV.

The PHA must enter into an MOU with a partnering referral agency or may add the partnering referral agency to the MOU between the PHA and CoC.

19-VI.D. WAITING LIST [Notice PIH 2022-24]

HCV Waiting List

The regulation that requires the PHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the SV program. Direct referrals are not added to the PHA's HCV waiting list.

The PHA must inform families on the HCV waiting list of the availability of SVs by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2022-24.

PHA Policy

The PHA will post information about the SV program for families on the PHA's HCV waiting list on their website. The notice will:

Describe the eligible populations to which SVs are limited.

Clearly state that the availability of these SVs is managed through a direct referral process.

Advise the family to contact the CoC (or any other PHA referral partner, if applicable) if the family believes they may be eligible for SV assistance.

The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance with Chapter 2. The PHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

Unlimited copies may be made for internal use.

SV Waiting List

The HCV regulations requiring the PHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the SV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the SVs available, the PHA must maintain a separate waiting list for SV referrals. Upon turnover, SV vouchers must continue to remain available for eligible families.

Further, the SV waiting list is not subject to PHA policies in Chapter 4 regarding opening and closing the HCV waiting list. The PHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the SV waiting list.

HCV Waiting List Preferences

If local preferences are established by the PHA for HCV in Chapter 4, they do not apply to SVs. However, if the PHA has a homelessness preference or a preference for survivors of domestic violence, dating violence, sexual assault, stalking, or human trafficking for the regular HCV program, the PHA must refer any applicant on the waiting list that indicated they qualified for this preference to the CoC, or the applicable partnering referral agency.

PHA Policy

The PHA does not offer either a homelessness or VAWA preference for the HCV waiting list.

SV Waiting List Preferences

With the exception of a residency preference, which may not be applied to the PHA's SV waiting list, the PHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for SVs, or may simply choose to not establish any local preferences for the SV waiting list. The preference system may not prohibit SV admissions from any of the four qualifying categories of eligibility.

PHA Policy

No local preferences have been established for the SV waiting list.

19-VI.E. FAMILY ELIGIBILITY [Notice PIH 2022-24]

Referring Agency Determination of Eligibility

The CoC or referring agency determines whether the individual or family meets any one of the eligibility criteria described in Notice PIH 2022-24 and then refers the family to the PHA. The PHA determines that the family meets other eligibility criteria for the HCV program, as modified for the SV program and outlined below.

In order to be eligible for an SV, a household must meet one of four eligibility criteria:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a)) and 24 CFR 578.3;
- At-risk of homelessness as defined in 24 CFR 5.78.3;
- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and
- Veterans [as defined in 38 U.S.C. 101(2); 38 CFR 3.1(d)] and families that include a veteran family member that meet one of the above criteria.

Mandatory Denials

HUD waived 24 CFR 982.552 and 982.553 in part for the SV applicants and established alternative requirements for mandatory and permissive prohibitions of admissions. Except where applicable, PHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an SV. Instead, the SV alternative requirement listed in this section will apply to all SV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2022-24 and in this chapter, however, apply only when screening the individual or family for eligibility for an SV. When adding a family member after the family has been placed under a HAP contract with SV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Under alternative requirements for the SV program, mandatory denials for SV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

Unlimited copies may be made for internal use.

The PHA will also deny assistance to household members already receiving assistance from another program.

The PHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited SV grounds for denial of admission first.

PHA Policy

While the PHA will deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the PHA will first notify the family of the limited SV grounds for denial of admission as part of the notice of denial that will be mailed to the family.

Permissive Denial

Notice PIH 2022-24 lists permissive prohibitions for which the PHA may, but is not required to, deny admission to SV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for SV families.

If the PHA intends to establish permissive prohibition policies for SV applicants, the PHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC's recommendations into consideration.

PHA Policy

In consultation with the CoC, the PHA will apply permissive prohibition to the screening of SV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E. of the administrative plan.

The PHA will establish the following permissive prohibitions:

If the PHA determines that any household member is currently engaged in, or has engaged in within the previous 12 months:

Violent criminal activity

Other criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity

If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program within the previous 12 months.

If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

Prohibitions based on criminal activity for the eligible SV populations regarding drug possession will be considered apart from criminal activity against persons (i.e., violent criminal activity).

In compliance with PIH 2022-24, the PHA **will not** deny an SV applicant admission regardless of whether:

Any member of the family has been evicted from federally assisted housing in the last five years

A PHA has ever terminated assistance under the program for any member of the family

The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease

The family breached an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA

The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA in accordance with 24 CFR 982.553(a)(3)

The PHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity

Self-Certification of Income at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the SV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, PHA policies related to the verification of income in Section 7-I.B. do not apply to SV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant's income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the PHA's request.

PHA Policy

Any documents used for verification must be the original (not photocopies) and dated within the 60-day period prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

The PHA will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with Chapter 14. The PHA will address any material discrepancies (i.e., unreported income or a substantial difference in

reported income) that may arise later. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

Recently Conducted Income Determinations

PHAs may accept income calculations and verifications from third-party providers or from an examination that the PHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

PHA Policy

The PHA will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to the PHA and must be signed by all adult family members whose information or status is being verified.

At the time of the family's annual reexamination, the PHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and the PHA policies in Chapter 11.

EIV Income Validation

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the PHA must:

- Review the EIV Income ~~and Income Validation Tool (IVT)~~ ~~r~~Reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income ~~and IVT~~ Reports in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income ~~or IVT~~ Report dates.

Prior to admission, PHAs must continue to use HUD's EIV system to search for all household members using the Existing Tenant Search in accordance with PHA policies in Chapter 3.

If a PHA later determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program in accordance with Chapter 12.

Social Security Number and Citizenship Status Verification

For the SV program, the PHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the SV program. Instead, PHAs may adopt policies to admit SV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the PHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

PHA Policy

The PHA will admit SV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in Chapter 7 within 180 days of admission. The PHA may provide an additional 60-day extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

Age and Disability Verifications

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

PHA Policy

The PHA will accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the PHA will verify the information in EIV or through other third-party verification if the information is not available in EIV. The PHA will note the family's file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant's date of birth and/or disability status.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

Income Targeting

The PHA must determine income eligibility for SV families in accordance with 24 CFR 982.201 and PHA policy in Chapter 3; however, income targeting requirements do not apply for SV families. The PHA may still choose to include the admission of extremely low-income SV families in its income targeting numbers for the fiscal year in which these families are admitted.

PHA Policy

The PHA will not include the admission of extremely low-income SV families in its income targeting numbers for the fiscal year in which these families are admitted.

19-VI.F. HOUSING SEARCH AND LEASING

Initial Voucher Term

Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, SV vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

PHA Policy

All SVs will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

~~HQS~~ Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that SV families may be interested in leasing in order to maintain a pool of eligible units.

PHA Policy

To expedite the leasing process, the PHA may pre-inspect available units that SV families may be interested in leasing to maintain a pool of eligible units. If an SV family selects a unit that passed a ~~HQS~~ pre-inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305. The family will be free to select his or her unit.

When a pre-inspected unit is not selected, the PHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for any required reinspections.

Initial Lease Term

Unlike in the standard the HCV program, SV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the PHA policy in Section 9-I.E., Term of Assisted Tenancy.

Portability

The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to SVs. Exceptions are addressed below.

- Under SV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of PHA policy in Section 10-II.B.
- A receiving PHA cannot refuse to assist an incoming SV family, regardless of whether the PHA administers SVs under its own ACC.
- If the SV family moves under portability to another PHA that administers SVs under its own ACC:
  - The receiving PHA may only absorb the incoming SV family with an SV (assuming it has an SV voucher available to do so).
  - If the PHA does not have an SV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with SV assistance and may not absorb the family with a regular HCV when the family leases the unit.
  - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family's SV assistance, the SV administration of the voucher is in accordance with the receiving PHA's SV policies.
- If the SV family moves under portability to another PHA that does not administer SVs under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.

Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family's assistance, the initial PHA must inform the family how portability may impact the special SV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family's portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

Unlimited copies may be made for internal use.

PHA Policy

In addition to following PHA policy on briefings in Chapter 5, as part of the briefing packet for SV families, the PHA will include a written notice that the PHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

19-VI.G. PAYMENT STANDARDS

Overview

For the SV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the PHA may, but is not required to, establish separate higher payment standards for SVs. Lower SV payment standards are not permitted. If the PHA is increasing the regular HCV payment standard, the PHA must also increase the SV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate SV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the PHA chooses to establish higher payments standards for SVs, HUD has provided other regulatory waivers:

- Defining the "basic range" for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).
- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD-published SAFMRs. The PHA may establish an exception payment standard up to 120 percent (as opposed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.

  PHA Policy

  The PHA will not establish a higher payment standard amount for SVs. The PHA will use the same payment standards for HCV and SV.

All rent reasonableness requirements apply to SV units, regardless of whether the PHA has established an alternative or exception SV payment standard.

Increases in Payment Standards

The requirement that the PHA apply increased payment standards at the family's first regular recertification on or after the effective date of the increase does not apply to SV. The PHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family's first regular reexamination following the change.

Unlimited copies may be made for internal use.

PHA Policy

The PHA will not establish an alternative policy for increases in the payment standard. PHA policy in Section 11-III.B. governing increases in payment standards will apply to SVs.

19-VI.H. PROJECT-BASED UNITS

All tenant-based SV awards can be converted to p~~P~~roject-b~~B~~ased v~~V~~ouchers (PBVs) at any time after award without HUD approval provided all the established PBV regulations and requirements are followed.

All PBV requirements in 24 CFR Part 983 and in Chapter 17 apply to project-based SVs with the exception of 24 CFR 983.251(c)(1), which requires PHAs to select families for project-based units from its HCV or PBV waiting list. HUD is waiving this requirement and establishing an alternative requirement that PHAs receive SV referrals from CoC partners for vouchers as well as project-based assistance.

Memorandum of Understanding – Stability Vouchers

This Memorandum of Understanding (MOU) has been created and entered on **[Insert execution date]** by **[insert PHA name and address]** and **[insert CoC/VSP name and address].**

I. Introduction and Goals

The **[insert PHA name]** and **[insert CoC/VSP name]** through the Stability Voucher (SV) Program seek to prevent and end homelessness among individuals and families who are experiencing or at-risk of homelessness, those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, and human trafficking, and veterans and families that include a veteran family member that meets one of the proceeding criteria.

The Consolidated Appropriations Act, 2021 (Public Law 116-260) (2021 Act), makes available $43,343,000 for new incremental voucher assistance under Section 8(o) of the United States Housing Act of 1937 for use by individuals and families experiencing or at-risk of homelessness; those fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking; and veterans and families that include a veteran family member that meets one of the proceeding criteria.

The Further Consolidated Appropriations Act, 2022 (Public Law 117-103 (2022 Act) further provides that HUD may waive certain statutory and regulatory provisions to administer the SVs (except for requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards and the environment) upon a finding that any such waivers or alternative requirements are necessary to facilitate the use of funds made available for SVs.

This Memorandum of Understanding (MOU) outlines the collaboration and commitment between **[insert PHA name]** and **[insert CoC/VSP name]** to pair Stability Vouchers with CoC-funded supportive services; and to collaborate with the CoC/VSP and other stakeholders to develop a prioritization plan for these vouchers.

II. Individuals and Families Eligibility under the Qualifying Categories

In order to be eligible for an SV, an individual or family must meet one of four eligibility categories:

- Homeless
- At risk of homelessness
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking
- Veterans

III. SV Roles and Responsibilities

A. PHA Roles and Responsibilities [**The following responsibilities are listed for example purposes. **]

1. Coordinate and consult with the CoC in developing the services and assistance to be offered under the SV services fee.

2. Accept direct referrals for eligible individuals and families through the CoC Coordinated Entry System.

3. Commit a sufficient number of staff and necessary resources to ensure that the application, certification, and voucher issuance processes are completed in a timely manner.

4. Commit a sufficient number of staff and resources to ensure that inspections of units are completed in a timely manner.

5. Designate a staff to serve as the lead SV liaison.

6. Comply with the provisions of this MOU.

B. CoC Roles and Responsibilities [**The following responsibilities are listed for example purposes. **]

1. Designate and maintain a lead SV liaison to communicate with the PHA.

2. Refer eligible individuals and families to PHA using the community's coordinated entry system.

3. Support eligible individuals and households in completing and applying for supportive documentation to accompany admissions application to the PHA (i.e., self-certifications, birth certificate, social security card, etc.).

4. Attend SV participant briefings when needed.

5. Assess all households referred for SV for mainstream benefits and supportive services available to support eligible individuals and families through their transition.

7. Comply with the provisions of this MOU.

IV. CoC-funded supportive services that will be paired with SVs

CoCs are encouraged to outline any existing partnerships with health and behavioral health care providers and agencies, state Medicaid agencies and agencies and organizations that may be leveraged to provide ongoing tenancy and wrap-around supportive services for those that may benefit from such services to maintain housing stability. All services provided by the CoC must be outlined in the MOU with the CoC and should demonstrate the community's strategy to coordinate assistance through available resources. HUD recommends that PHAs and partnering CoCs seek a diverse range of supportive services by partnering with organizations trusted by people experiencing homelessness.
